E. Island, Canada, took place Saturday evening at 8:30 o'clock at the Presbyterian church, Napoleon, Ohio. Rev. Dr. Duncel performed the ceremony. The bride wore a white blue wool street dress with diamond accents and had an orchid corsage. Her only attendant, her sister, Helene, wore a white crepe dress with matching hat and carried a bouquet of tea roses. Mr. MacLeod was attended by his brother, Alan L. MacLeod. Following the ceremony dinner was served to 50 guests at the Wellington Hotel, Napoleon. Among the guests were Mr. and Mrs. A. L. MacLeod, Mrs. W. L. Durkee, Fernside; Mr. and Mrs. George Reed, Elizabeth; Mr. and Mrs. Mrs. Mary Newkirk, Midland; Mr. and Mrs. Carl Krammer, Pontiac; R. R. Souers, Cleveland. **McGONNELL-HUGHES**—A quiet but very charming autumn wedding took place at St. Dunstan's Basilica at an early hour yesterday morning when Rev. George MacGormac officiated in marriage Ester Mary Helen Hughes, only daughter of Mrs. Hughes and the late Gregory Hughes, of King St., this city; to Thomas James McGonnell, son of Mr. and Mrs. James McGonnell of Lot 65, entering the church to the strains of the wedding march, rendered by Mrs. Joseph Dougan, organist, the bride looked very lovely in a street length dress of Marina blue with a turban of deep rose and blue, and she wore a corsage of tallman roses. Mr. Peter McGonnell acted as best man for his brother. Assisting the priest in serving the nuptial Mass was Master "Bud" McCaville, cousin of the bride. During the Mass, Master Loman McAuley rendered in pleasing manner "O Lord I Am Not Worthy," from Berceuse "Ave Maria" and "Tantum Ergo," by Massé, along with other hymns appropriate to the occasion. Following the ceremony a wedding breakfast was served at the home of the bride's mother to immediate relatives and friends, after which the bridal party left on a short motor trip to New Brunswick, where they will reside in Charlottetown.

**Hospital Appeal Necessary**

The Financial Statement for the year ending March 31st just as shown in the annual report of the Prince Edward Island Hospital gives the total receipts from all sources including the annual collection of \$600,440 as well as City and Provincial grants as \$69,962.56 and out of that gross amount the Trustees were able to come through with a surplus of only \$112,000. Couple this fact with the report of Mr. R. L. Cotton, chairman of the purchasing committee "that all supplies were being purchased at the very lowest figure and the Hospital was being operated as economically as possible" and you have a complete explanation as to the necessity for making an annual appeal to the public for help. The Hospital is a large and most important institution. It requires a large amount of money to have to operate efficiently in its charitable and benevolent work. The Trustees would appreciate if all Ministers in the coming Sunday would call the attention of their respective congregations to the coming collection which starts on October 1st and ask for their co-operation and support. L-531-9-26-11.

**NEW DATES FOR CARRY ON CANADA CONCERTS FOR RED CROSS**

Friday, Sept. 27—Bradbane-Variety Programme.  
Friday, Sept. 27—Pownall—The Serenaders.  
Thursday, Oct. 1st—Kensington—Male Chorus.  
Monday, Sept. 30—Fortune Bridge—Variety Programme.  
Tuesday, Oct. 1st—Wood Islands East.

On Thursday, October 3, next, the Corps will again sponsor an effort for the raising of funds for the Charlottetown Ambulance, which is to be presented to the Red Cross Society. Through the kindness of His Honor, the Lieut.-Governor and Mrs. LePage, Government House is being thrown open for a dance. This kindly action on the part of the Lieut.-Governor and Mrs. LePage is greatly appreciated by the members of the Corps, and citizens generally. Historic Government House has been the scene of many distinguished functions. It is safe to say, however, that none were of more importance than those which have been held to assist the war effort. The Carry On Canada Corps Dance will be another in the long list of such successful events.

The Charlottetown Ambulance, to be presented as a gift from the citizens of Charlottetown, and paid for by the Carry On Canada Corps, is now one quarter paid for. The need for such vehicles is great. Besides the pleasure which people will derive from this resumption of dances at Government House, the Corps dance will provide an excellent opportunity of aiding the war effort and the Charlottetown Ambulance fund of the Carry On Canada Corps.

Tickets are on sale at Robert Simmon Co., Ltd., and S. A. MacDonald. They were also procured from the members of the Carry On Canada Corps. Price \$1.00. The number of tickets issued will necessarily be limited because of space, and it is suggested they be procured at once.

**Miniature Painter Visits Charlottetown**

Miss Laura M. D. Mitchell of Alhambra, Calif., a niece of Mrs. (Col.) Charles Leigh, who is at present visiting in Charlottetown, is one of the outstanding miniature painters in the present time and has a delightful collection of her work with her, miniatures of prominent people who have posed for her from time to time, and around which most interesting stories are connected. One miniature of the artist herself was done at night through a mirror and cleverly demonstrates her keen insight as to color and effect.

Miss Mitchell paints genuine ivory miniatures directly from life; from photographs, or from combination of life and photograph and her little portraits have been described as not only true interpretations of the character of her sitters, her work being noted for beauty of both line and color. She is listed in "Who's Who in Art," in Washington, D. C., and has exhibited with the American Society of Miniature Painters, New York City; the Pennsylvania Society of Miniature Painters, Philadelphia; the Society of Miniature Painters, London, England, (by invitation); the Painters and Sculptors of Southern California Art Club; and at the Pan-Pacific International Exposition, San Francisco, the West Coast Museum, Los Angeles; the Mission Inn, Riverside; Art Institute, Pasadena, and Fine Arts Gallery, San Diego. Miss Mitchell is a member of the Society of Miniature Painters, London, England, and is returning shortly to California where she has much important work awaiting her.

**FACTS OF INTEREST**

Exports of Canadian newspaper in July were valued at \$15,221,529 compared with \$8,386,411 in the same month a year ago.

Air raids have altered the whole rhythm of London life for millions. Habits and customs of a lifetime have been changed in a fortnight to meet the daily timetable of the Luftwaffe. London has taken on many of the visible signs of a besieged garrison, with the people adjusting themselves to life among bombs just as the men, women and children muddled in the fortress of the Alcazar adapted themselves to siege by the Spanish Republican force. London's homeward rush-hour has been changed, from 6 p.m. to 5 p.m., to give the people a chance to get something to eat and set off for raid shelters with blankets under their arms before the sirens clear the streets for the nightly bombardment.
