KISS YOUR TIRED FEELING GOODBYE!

Peoples Many Suffer Low Blood Count - And Don't Know It. P. M. saying thing about low blood count is that you feel as if you had lead in your legs, doped, tired and peevish. Low blood count means you haven't got enough red blood corpuscles. It is their vital oxygen carrying life-giving oxygen from lungs throughout your body. And just as it takes oxygen to explode gasoline in your car and make the power to turn the wheels, so you must have plenty of oxygen to explode energy in your body and give you some power. Get Dr. Williams Pink Pills today. They are world-wide for the help they give in increasing the number and strength of red corpuscles. Get them with your blood count. You'll feel like bounding up the stairs as if you were eating on air. Ask your druggist for Dr. Williams Pink Pills today.
