

An Income A Widow Couldn't Lose

"A WIDOW'S investment," say financial men when they refer to something beyond the possibility of chance. You can readily make such an investment for your dependents. The Mutual Life's monthly income insurance policy is a leader in this class. By it the beneficiary receives a stipulated amount regularly every month. Such an income for your dependents can be planned now. Any agent of the Mutual Life of Canada will go into the details so that you can decide what the amount of this monthly income is to be.
