TORONTO WOMAN WELL AGAIN

Fred From Bearing Down Pains, Backache and Pain in Side by Lydia E. Pinkham's Compound.

Toronto, Ont.—"Last October, I wrote to you for advice as I was completely run down, had bearing down sensation in the lower part of bowels, backache, and pain in the side. I also suffered terribly from gas. I took Lydia E. Pinkham's Vegetable Compound and am now entirely free from pain in back and bowels and am stronger in every way. I recommend Lydia E. Pinkham's Compound highly to all expectant mothers."—Mrs. E. WANDBY, 92 Logan Avenue, Toronto, Ontario.

Consider Well This Advice.
 No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.
 This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.
 If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (Confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

FOX INDUSTRY SPREADING.
 Indications that the black fox industry is spreading rapidly are coming from all over the province, and especially from Gaspe, where everyone seems bitter with the craze, and is getting, or has got one or two pairs of foxes. A company to be called the "Silver Black Fox Company," with a capital of \$49,000, common stock, is in process of formation, and will apply for incorporation shortly. Its promoter is a Mr. Nadeau. Several pairs of foxes have been purchased from the Dalton ranch, Prince Edward Island at a high price.

TQ REBUILD ST. DUNSTAN'S.
 A large and representative meeting of St. Dunstan's congregation was held yesterday afternoon in Notre Dame Hall, His Worship Mayor Lyons presiding. The meeting was called to consider the affairs of the congregation in view of the loss of their church home, the Cathedral. While the loss was deplored by all, the assembled congregation displayed a splendid spirit. Optimism was the keynote of every address and the decision unanimously arrived at was to go right ahead and rebuild. While no definite plans were laid down, the tone of the meeting indicated clearly that in the very near future another St. Dunstan's will arise which will in no particular be second to the one destroyed. A committee was appointed to canvass the congregation and this part of the work will be proceeded with at once, while the ashes are cooling preparatory to laying the new foundation. That the committee will meet with a generous and general response is assured by the splendid spirit which pervaded the large and representative meeting yesterday afternoon.

TUESDAY.
PURCHASED.—The old Zion Church property, land and building, has been sold to the Roman Catholic congregation for the sum of \$5,000. This church will be used as a temporary place of worship until the new Cathedral is ready for occupation.

Proving by Actual Experiment

This experiment will always interest the children, and will provide a good deal of thinking. The explanation, of course, is that the lighted glass drives out most of the air, so the water there is very little air, and, consequently, very little pressure above the water within the glass. Hence, the weight or pressure of the air on the water outside the glass drives the water up into the glass to occupy the space from whence the air was driven by the burning paper.

A practical demonstration of this kind is always more convincing than any mere statement. This is particularly true of medical remedies.

The effect of the anti-toxin treatment for diphtheria is noticeable within a few hours, so that everyone must believe in its virtue. In a similar way, the treatment known as ORANGE LILLY gives a practical proof of the progress it is making in curing women's disorders, and that, too, within a few days after commencing its use.

All authorities agree that in every case of women's disorders there exists a congested condition of the womanly organs. The circulation in these parts is sluggish or stagnant, and the result is that the broken-down tissue or waste matter parts, causing inflammation, irritation, oppression of the nerves, etc. ORANGE LILLY is not taken internally, but is applied direct to the suffering organs. It is absorbed into the circulation, and its antiseptic properties at once act on the waste causing the inflammation, ulcers, nervous troubles, etc., begins to be discharged. At the same time the blood vessels and nerves are toned and strengthened, the nervous trouble disappears, the circulation is restored and good health follows.

Toronto, Ont., June 2, 1909.
 Dear Mrs. Currah—I wish to tell you that Orange Lily is doing me a great deal of good. These ulcers came away one or two every week, and I have less pain and fewer headaches. I feel sure I will be perfectly cured in a little longer time.
 MRS. D. S. T.

The explanation of the wonderful cures performed by ORANGE LILLY is very simple. It is a scientific remedy, based on the discoveries of Pasteur and Lister, degree and development only, so that a positive remedy, as ORANGE LILLY is, acts in all the certainty of a chemical experiment. In order to convince every suffering woman that ORANGE LILLY will cure her, I make the following

Eczema Has Stayed Cured For 15 Years

Wonderful Testimony from a Well-known Peterboro' Man Who Suffered for 30 Years

His Legs Were Covered With Eczema Down to the Knees—Perfectly Raw.

DR. CHASE'S OINTMENT CURED HIM

The Ketchesons are well-known as pioneer settlers of Hastings County, and none of them probably has a wider acquaintance than Mr. W. D. Ketcheson, who was formerly Division Court Bailiff of the Trenton Court, and is now living at 88 Douro Street, Peterboro', Ont.

Over fifteen years ago Mr. Ketcheson was cured of an extremely severe case of eczema and piles by Dr. Chase's Ointment, and he writes now to say that the cure proved a permanent one.

In 1897 Mr. Ketcheson wrote as follows:—"I was troubled for thirty years with itching piles and eczema. I could not sleep at night, and when I got warm the itching was terrible. Eczema covered my legs down to the knees, perfectly raw. I have tried every preparation I could hear of. Seeing Dr. Chase's Ointment advertised, I procured a box, and this Ointment effected a complete cure."

On Sept. 28th, 1912, Mr. Ketcheson wrote as follows:—"I received a letter from you to-day, saying that you found Chase's Ointment a good name since it cured me, and shall tell you how I came to use it.

"I had suffered for many years from eczema and piles, and had tried doctors and everything I could hear of in vain. Reading about Dr. Chase's Ointment, I purchased it at once, and was soon completely cured. That was fifteen years ago, so there can be no doubt of the cure being a permanent one. I have met a great many people who have been cured by Dr. Chase's Ointment."

It does not pay to waste time with cheap imitations or substitutes when you can be sure of satisfactory results by the use of this great soothing, healing ointment. For sale by all dealers, or Edmanson, Bates & Co., Limited, Toronto.

MONDAY.
SYMPATHY.—Appropriate and sympathetic reference to the destruction of St. Dunstan's Cathedral was made in all the Charlottetown churches yesterday.
INTERESTING EVENT.—While the citizens of Charlottetown were all eagerly watching the conflagration early Saturday morning an event of an entirely different and happy nature was taking place at the residence of W. E. and Mrs. Cantwell, Charlemont a young son.
SEVERE INJURY.—Miss Lillian McIntyre, Charlottetown, met with a painful accident while skating in the Arena rink Saturday afternoon. Tripping over a handkerchief which had fallen on the ice she fell spraining her ankle so severely that she was unable to walk home. A doctor was called after she had been driven home and the injury treated. She will be obliged to remain indoors for some days.
WEDDING BELLS.—The home of Mrs. Samuel Prowse, Sherwood, was the scene of a most happy event on Wednesday evening, March 5th, at 8 o'clock when her eldest daughter, Lillian May, was united in holy wedlock to Ernest S. Howard of Govan, Sask., son of Wm. Howard of Cornwall. The ceremony was performed by Rev. E. A. Westmorland, assisted by Rev. Geo. Sellar, uncle of the groom, in the presence of a large company of invited guests. To the strains of the bridal chorus from the parlor on the arm of her uncle, J. T. Ferguson, who gave her away. She was beautifully gowned in a handsome dress of grey silk with trimmings of lace and wore the traditional bridal veil caught up with flowers. She carried a shower bouquet of white roses and maiden hair fern and was attended by Miss Lettie Howard, sister of the groom, who wore a charming dress of pale blue silk. Stanley Prowse, brother of the bride, ably supported the groom. After the ceremony a most bountiful repast was served in Mrs. Prowse's best style, to which all did ample justice. The rest of the evening passed all too quickly in music, singing and social conversation until the wee sma hours of the morning. The large display of elegant and costly wedding gifts testified to the universal popularity of the contracting parties. The groom's present to the bride was a handsome gold bracelet and to the bridesmaid a gold brooch. The happy couple left next morning on their special to Georgetown en route to their home in Saskatchewan where the groom is one of the most successful farmers. They are followed by the best wishes of a host of friends in this province.
ANNUAL MEETING.—The Ladies' Social Circle of the Presbyterian Church at North Tryon held their annual meeting at the home of Mrs. S. N. Dawson on Tuesday afternoon. After summing up the business for the past year, they proceeded to
