THE Maritime Merchant says:—A face familiar to many Halifax people appears on this page to-day. Mr. W. P. Hunt, manager of the agency of the Bank of Nova Scotia at Kingston, Jamaica, is one of the numerous Prince Edward Island men who have made a success in the world of finance. Mr. Hunt entered the service of the institution which he now represents in the British West Indies, at Summerside, P. E. I., almost 18 years ago, and by various promotions has reached the high and honorable position which he now holds. As a banker and a gentleman, Mr. Hunt commands the respect and esteem of a large and influential circle of people in that portion of the tropics which he has elected to make his home for the present; and his numerous acquaintances in Canada will no doubt be glad to hear that his shrewdness, precaution and suavity of manner are as much appreciated in the sunny islands of the south as they were in the various towns of the provinces where, in the capacity of agent and junior, he saw considerable service.

A BAD CASE OF ASTHMA

Mrs. George Budden, Putmanville, Ont., says:—" I feel it my duty to recommend Dr. Chase's Syrup of Linseed and Turpentine, as I had the Asthma very bad; could get nothing to do me any good. A friend of mine persuaded me to try this remedy as he had tried it, and it proved successful. I tried it and it cured me. I am thankful to-day to say I am a well woman through the use of this remedy. I keep it in the house all the time, and would not be without it."

A Notable Case.

ST. JOHN, July 18.—The coroners jury investigating the death of Mrs. Bridget Graham and daughter of Norton, Kings, finds that they were killed by an I. C. R. engine while they were driving to church on Sunday. They did not expect a train on Sunday. The jury finds that the train was running too fast and that it was running in violation of the Sunday law, and jury orders Mr. Graham to be compensated for the loss of his wife and daughter.

To P. E. ISLAND FARMERS

I purpose being at Summerside on or about Oct. 1st to begin my annual purchase of Lambs, Geese, Turkeys, Chickens & etc. when I trust that my former pleasant business intercourse with the Farmers of P. E. Island will be renewed

My facilities for handling stock at Parkside Farm are second to none in the Maritime Provinces. With a set of Platform Fairbanks Scales to weigh stock and sample room for their accommodation I can handle 2500 to 3500 Lambs per week until the close of navigation, and I will as heretofore pay the highest prices the Market will afford. My headquarters will be the Queen Hotel, and I hope to have the patronage of all my old friends on the Island.

Any correspondence in reference to the above can be addressed to Mr. R. C. McLeod who will give all information on the subject.
