## ISLAND HORSE TROTTING WELL AT TORONTO

### 13 Heats Raced Saturday to no Decision. Yank Nearly Cops His Race

TORONTO, Nov. 14.—Thirteen heats were run off Saturday at Dufferin Park, and not one of the three races carded was decided. In fact the heat winners dropped from the clouds so consistently during the afternoon that it appeared as if every mile was a tag day for the Knight of the Chalk.

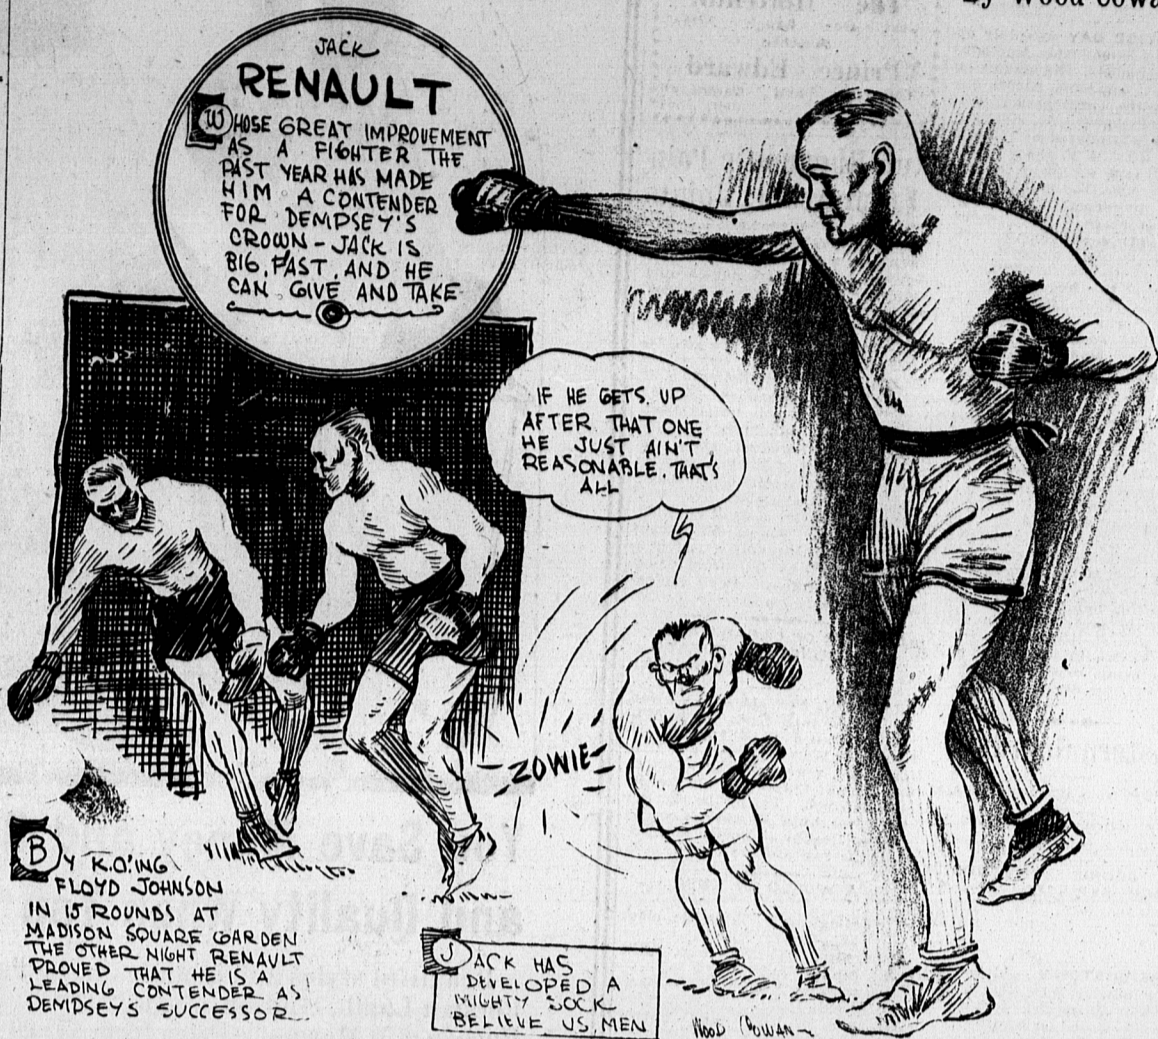

The Yank, a big brown trotter, owned by Col. D. A. MacKinnon, of Charlottetown, appeared the winner of the 2.20 trot after he won the first heat by a small margin and then romped home an easy winner of the second heat. However, in McTague, his teamster, he was pulling fully fifty pounds more weight than any of the other contenders and he tired suddenly in the stretch, being passed by both McKinney and Van Todd, with the latter trotting the most spectacular race of the afternoon to get the heat. At the half he had one horse beat, while he was fully ten lengths behind The Yank when they hit the last quarter. Van Todd won the fourth heat, but was in close quarters at the first turn the fifth heat and went to a break. Gossett Bird taking the lead and winning by a nose from McKinney, the most consistent trotter in the race.

Time, 2.23 1-4, 2.23 1-4, 2.23 1-4, 2.26 1-2, 2.30.

Pearl D., the Strathroy mare, after losing the first heat to Hal Patchen, a "one-heat" horse, won the second and third in the 2.30 pace, and was beaten out in a driving finish by Eags Todd in the fourth heat. "Eags" setting a new lease of life, as in the heat previous he finished tenth.

It begins to look like our friend Canada, to the north, has a prospective heavyweight contender of the first order in Jack Renault.

Jack has improved so fast in the last year and a half that he doesn't look, act or fight like the novice of some two years back.

The big thing about Jack is his ability to "give and take." He has developed a mighty sock, he is an ideal size and weight, is fast and shifty, but not so fast that he sac-

rifices hitting power. He fights on his heels rather than on his toes and he has a good fighter's instinct to do the right thing at the right time. Then his crowning feature is a calm, cool temperament. This fellow is all business when he faces an opponent. Nothing ruffles him.

With all this is coupled youth, for Renault is only 24 years old. He is far from ready to meet Dempsey and we think that Firpo would smother him with his

tremendous hitting, while Willis had the big, clever Iowa punched drunk in every round, K. O.'d him in the 15th, and left the ring fresh and strong.

Renault is a tough customer, and if he gets good, careful handling should go a long way. He stands 6ft. 1 in. tall, weighs 195, and is thin limbed with a fine pair of muscled shoulders.

His wins the past few months, over Jos Downey, Tiny Herman, Fred Fulton, Lohman and Johnson, certainly stamp him as a top-notch heavyweight.

## OTTAWA TEAM WILL BE AT FULL STRENGTH

### All Players of Championship Hockey Squad to Make Trip to Winnipeg

(Canadian Press)  
OTTAWA, Nov. 14.—Manager Tommy Gorman, of the Ottawa hockey club, confirmed to-night the press despatches from the west, stating that the world's champion Senators would play a series of games at Winnipeg competing in the four-cornered tournament against Calgary, Edmonton and Regina. The Ottawas have completed arrangements with Manager Holmes of the Winnipeg Amphitheatre and will leave for the west tomorrow morning, arriving at Winnipeg Saturday evening in time to witness the first match between Calgary and Edmonton. They play Regina on the 19 and 24 of November and if successful against Regina they will then face in the final the winner of the Edmonton-Calgary battles.

Mr. Gorman stated that the Ottawas would take to Winnipeg the identical squad that won the championship at Vancouver last March, plus Jack Darragh, who was unable to go to the coast for the world's series. Eddie Gerard has been under a doctor's care owing to throat trouble, but he will be ready in time to accompany the Stanley Cup holders west. Immediately after the matches at Winnipeg the Ottawas will return to play two games against Edmonton in Ottawa, opening the new auditorium on the night of Saturday, December 1. Manager Gorman and ten players will be in the Ottawa party.

## St. F. X. Beat Glace Bay, 6 to 3

ANTIGONISH, N. S., Nov. 14.—St. Francis Xavier High School defeated Glace Bay High School here today by a score of 6 to 3. The game was fast and interesting with both sides playing stellar football. The visitors were the lighter team and showed up well in team play but the locals, though minus two of their regular players, had much the edge in the opening session securing two tries, the first on a nice combined run by Powers, Chisholm and Gillies, the latter going through and the second by Preston going through on the wing. Unfortunately neither try was converted and the period ending 6-0 in favor of St. F. X.

## Pacific Hockey Season Opens

VANCOUVER, Nov. 14.—Seattle Metropolitans celebrated the opening of the Pacific Coast Hockey Association here last night by defeating the Vancouver Maroons, league champions, 3 to 2.

Vancouver had the lead twice, but the visitors tied up the score half way through the final period and won the game when Frank Foynton, Seattle captain, beat Lehman with a wicked shot on a pass from Fraser just before the final whistle.

## Firpo's Sulks Jar Bolivia

BUENOS AIRES, Nov. 14.—A despatch to the La Nación from La Paz, Bolivia, says that Luis Angel Firpo incurred the displeasure of the residents of the city by his different attitude toward the enthusiastic reception they accorded him.

Firpo, the despatch says, was in a sulky mood when he arrived in the La Paz railway station. He was met by cheering crowds who were displeased when their idol hastily fled in an automobile from their presence and they raised hostile cries when he refused to raise his hat in acknowledgement of their greetings.

The boxer added to the irritation of the Bolivians when he refused to attend a football game held in his honor and when he failed to appear for other demonstrations prepared for him.

SAINTS-ABBIES  
Is football all over for the season? "If it is, it shouldn't be," as ideal rugby weather yet prevails, and another clash between St. Dunstan's and Abegweits is very much in the order of the day.

In all fairness to both teams and the fans in general, the fact is there should be another contest, to decide the Prince Edward Island Football Championship for 1923.

The Abegweits and Saints have already played three games this season and on each occasion neither squad came out on the big end of the scoring. Therefore a fourth set-to between the above lineups would make, we think, the last game between Dal and Abegweits look like a game of pinocle in comparison—How about it fellows? Get together and let's have one more good 'ol game of rugby before we start talking hockey—Sport Ed.

## FRANCE SHORT ON SPRINTERS

(Associated Press.)  
PARIS, Nov. 15.—The French outdoor 1923 athletic season has just closed, and in the absence of startling performances by newcomers coupled with the necessity of relying upon Anwerp's French Olympic victory in the 100 and 200 metres distances next year is acknowledged by the French Olympic Committee and leaders of the French Athletic Federation as very gloomy. Andre Monrion, with a mark of 10.45 seconds, will be lucky to reach the finals, they declare.

Vorquin of Tourcoing and Hirilman of Strasbourg are the most promising youngsters developed this year, but neither of them has bettered 11 seconds. The former belongs to a football club which plays association football league games each week, which is regarded as likely to take the edge off his form. Hirilman is a mere strapping and cannot stand all yearlings, and will carry the French hopes in the 200 metres, recently equalled the French record of 22.15 seconds for the distance and set a mark of 33.15 for the 300, but these times will not win at Colombes. The French, realizing this, are bending every effort to train men for the longer distances, 5,000, 10,000 and the Marathon, in which they hope to make a better showing.

Tonight the Nicholson brothers, W. Purcell and P. McMahon will answer the call of the scorer in the finals at 7 o'clock prompt.
