WASHINGTON NEAR BREAKING POINT

WASHINGTON, Sept. 10.— President Wilson's request for the recall of the Austrian Ambassador, Dr. Constantin Theodor Dumba, has broadened into a situation involving Captain Franz Von Pappen, the Military Attaché of the German Embassy; Alexander Nuber von Persek, the Austrian Consul General in New York and possibly Count Von Bernstorff, the German Ambassador. The official view is that the Ambassador, although technically involved, is not seriously concerned as the Military Attaché, or the Consul General. It is not unlikely that both of the latter may be recalled or dismissed from the country.

..*BRIDGETOWN AND SOURIS SERVICES.—Next Sunday, (Sept. 19th.) Rev. Hugh Miller of Montague will preach as follows: Bridgetown at 11, Souris at 7.
..*Mr. and Mrs. Dan MacPhee, Cumberland, and little son George Neill, have returned to their homes after spending a very pleasant visit at Morell.

..*NARROW ESCAPE.—Mr. Peter McDonald, Peake's Station, was nearly meeting with a heavy loss last week when his new residence, which he is at present having painted, was nearly burned to the ground. It is thought that when Mr. McDonald was kindling a fire in the stove, he threw a still lighted match in the wood box and went into one of the adjoining rooms where the painter was at work. In a short time he smelled a strong odor of smoke and fearing something was wrong returned to the kitchen where he was horrified to find the room filled with smoke and part of the wall in a blaze. He immediately set to work to fight the flames and in a short time had the fire under control but not until it had done considerable damage to part of the kitchen.—S.

There is more Catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c. Take Hall's Family Pills for Constipation.

ABUSE OF PASSPORT.
It is quite probable that until the Vienna Foreign Office replies to the request for the withdrawal of Dr. Dumba, nothing further will be done in his case, nor in the case of Von Pappen or Nuber. If the receipt of documentary evidence bears out the information now in the hands of the State Department, officials would not be surprised to see both men with-

drawn by their home Government, or, as a final resort, dismissed from the country.
The fact that Von Pappen's letter was a personal one would not alter the situation. Secretary Lansing said that while the Department had no official information on Von Pappen's case, it regarded the use of an American passport for carrying any sort of a communication through the lines of the belligerents as an abuse of that document.
The copy of the German note on the Arabic, as received at the State cable to the Associated Press from Germany only in that the former said the submarines stopped the English steamer Dunsley about sixty nautical miles south of Kinsale, instead of sixteen. Otherwise the two copies were pronounced by State Department officials as identical.
