Dangerous Condition Relieved Just in Time By "Fruit-a-tives"

MR. F. J. CAVEEN
632 Gerrard St. East, Toronto.
For two years, I was a victim of *Acute Indigestion and Gas In The Stomach*. It afterwards attacked my heart, and I had pains all over the body, so I could hardly move around. I tried all kinds of medicines but none of them did me any good. At last, acting on the advice of a friend, I decided to try "Fruit-a-tives". I bought the first box last June, and now I am well, after using only three boxes. I recommend "Fruit-a-tives" to anyone suffering from indigestion, no matter how acute! — **FRED J. CAVEEN.**
Simple Indigestion often leads to *Heart Attacks, Catarrh of the Stomach and constant distress of mind and body*. If you are bothered with any Stomach Trouble, and especially if Constipation troubles you, take "Fruit-a-tives".

MONDAY
NEW CARETAKER.—It is unofficially reported that Mr. George McPherson, Summerside, has received the appointment of caretaker of the Summerside Post Office, succeeding the late Mr. Alexandra McCormack.—H.

AN AGED VISITOR.—Mrs. Margaret McLeod of Uig who is in her 98 year has just returned home after visiting her two sons, Messrs J. G. and William C. McLeod, of Bridgetown, she still retains her youthful vigor to a most surprising degree.

ANOTHER ISLANDER WOUNDED.—Word was recently received in this city that Capt. Fred Maye, formerly of Charlottetown, has been slightly wounded. Mr. Maye enlisted in St. John, N. B., where he was employed in the Bank of Nova Scotia. He was a son of Mrs. Robert Maye, who resided in Charlottetown some years ago but afterwards moved to St. John to live with her son.

ISLANDERS MEET.—Fifty couples participated in whist at the club rooms of the P. E. I. Benevolent Association, Wednesday evening, Oct. 27. The first lady's prize was won by Miss Nellie MacPhee, second prize went to Mrs. Angus MacDonal. The first gentleman's prize was won by Mr. Pius MacDonal, the second went to Mr. D. McPherson. During the whist Mr. W. H. Richards, formerly of Bloomfield, entertained with piano and violin solos.

BRIDGETOWN.—Mr. Jas. H. Morrison the local optician has just furnished a beautiful residence in this place which is quite an addition to Bridgetown.—Mr. Joseph Hume was the builder who knows how to put a beautiful finishing touch on his work.—The Schooner Alice Pheebie, Capt. R. Burns Master, sailed from this port with a cargo of produce lately by Matthew & McLean of Souris.—The dredge is busy at work deepening the channel of the River which is much needed.

AN IMPORTANT MEETING.—The Kensington Patriotic Branch of the Red Cross Society intend sending a Xmas box to the soldier boys, who have left Kensington and vicinity. This box to contain cake, candy, cigarettes, chewing gum, socks or anything which will give the boys pleasure and remind them of Xmas at home. All members of the society, or any others who might wish to assist, are kindly requested to bring or send their contributions, to the meeting of this society, which will be held in the Temperance Hall, Tuesday, Nov. 9th, at 2.30 o'clock.

BAD FIRES.—On Sunday Mr. Joseph Handrahan of DeBois had the misfortune of burning his home. It seems that he went up stairs of his house and laid down for a nap, and while lying down he lit his pipe and throwing the match down it fell between the boards of the floor and in a very short time the fire spread and before it could be checked the building with nearly all the contents was destroyed. On the heels of this Mr. Joseph Pascal Perry on Tuesday evening lost his barn, two horses and three cows together with all his crops by reason of lightning striking the building. In both cases the losses will be severe as there was no insurance.—Z.

EARNSLIFFE NOTES.—Dug our turkeys this week. Great crop! Kill our pigs next week. Great pigs! Mr. C. W. Judson shot an owl on Mr. George Carrier's barn recently. From tip to tip of the bird's wings was over four and a half feet. Great owl! We are pleased to have Mr. James Crane with us once more. Mr. Crane has considerable work to do here this fall for Messrs. Henry Young, Andrew McInnis and other gentlemen. Jim's a great carpenter. Mrs. Carrier grew pumpkins in her garden this year. One weighed nearly thirty-five pounds. Last week Mr. Carrier and a team of horses hauled this pumpkin into a shed. Great pumpkin! Twenty-seven dollars left Cherry Valley for the city one night last week. But if what the neighbours say is true, it lost its life in an oyster stew. Great stew!

MRS. MABEN WAS MADE WELL

By Lydia E. Pinkham's Vegetable Compound and Wants Other Suffering Women To Know It.

Murfreesboro, Tenn. — "I have wanted to write to you for a long time to tell you what your wonderful remedies have done for me. I was suffering from female weakness and displacement and I would have such tired, worn out feelings, sick headaches and dizzy spells. Doctors did me no good so I tried the Lydia E. Pinkham Remedies—Vegetable Compound and Sanative Wash. I am now well and strong and can do all my own work. I owe it all to Lydia E. Pinkham's Vegetable Compound and want other suffering women to know about it."—Mrs. H. E. MABEN, 211 S. Spring St., Murfreesboro, Tenn.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. "CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

BEST FOR LIVER AND BOWELS, STOMACH AND CONSTIPATION.

Get a 10-cent box now. Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from torpid livers and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—no 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing too.

AT NORTH SYDNEY.—The Newfoundland schooner Henrietta, from Souris, P. E. I., with a cargo of produce, arrived in port Thursday morning. This is the second island vessel to arrive here this week with produce and more are expected. Prices are as yet very high, but a drop is looked for when other vessels reach port.

RED CROSS WORK.—The ladies of the Crapaud Branch of the Red Cross Society packed a large box of supplies for the boys of Capt. J. W. Stanley's Company, on Tuesday last. The contents of the box consisted of cake, candy, tobacco etc. This is only a part of the work being done by this branch, as the ladies are busily engaged in knitting and making other articles needed by the soldiers.—V.

SERIOUS FIRE.—The dwelling house occupied by Mr. Wm. Wood and owned by Mr. Seymour Taylor at Upton was totally destroyed by fire on the evening of 29th ult. The origin of the fire is unknown; it is understood that there was a me insurance on a building. Most of the contents were saved although a gold watch and some money.

PATRIOTIC CITIZEN WANTED.—There is a chance for a patriotic citizen in Charlottetown. The Red Cross Society have at present a warehouse for farmers and merchants. After weeks of sales, a few fine days have encouraged the fishermen of Besin Head to resume their operations, they had again set their trawls and have been rewarded by an immense catch of hake the last two days. A body of about a dozen customers recently vacated the room if another in the city can be furnished them. Will anyone having a spare room, 20 x 20 or there by, do a patriotic act by offering it free to the Red Cross Society? Send particulars to Dr. S. R. Jenkins, Hon. Secretary.

***RED POINT.**—Crops all secured Potatoes little more than a third of an average crop, make outlook bad for farmer and merchant. WELCOMED BACK.—A Vancouver exchange said:—A charming welcome was given Miss Bertha Purdy on her return to Vancouver from a lengthy visit in the East at the home of Mrs. J. McLachlan, 1866 Fifth Ave. West. Miss Nellie McLachlan was the hostess on the occasion, and arranged a most enjoyable evening of cards, games and music. Mrs. McLachlan poured the tea, assisted by Mrs. Evans at the very dainty supper given towards the close of the evening from a prettily decorated table. Miss Sterling, Miss McCall, Miss Davis and Messrs. Sanborn and Newbury contributed to the success of the evening with songs and recitations. Those present were: Mr. and Mrs. Evans, and daughter Isabel, Mr. and Mrs. Skelchington, Miss Purdy, Miss Nicol, Miss Metcalf, Miss Hensen, Miss Sterling, Miss Davis and Miss McLeod; Messrs. Erick, Atwood, Coy, Burns, Sanborn and Newbury and Hickey.

In reply to enquiries made by Mr. A. A. McLean, M. P., following the letter which speaks for itself was received Saturday. The young man enquired about belongs to St. Peter's, and his many friends will be glad to know that the fears at first entertained regarding his safety were not realized. It is hoped that he and the others who are unfortunate enough to be taken prisoners to Germany will be substantially remembered as no doubt they will need such comforts as may be sent to them.

The following is the letter:
Dear Sir,—With reference to your request of yesterday regarding Dan Simons' address, I beg to advise you that he is a prisoner of war in Germany, and you may address him or any packages that the boys desire to send, as follows:
"No. 7816, Corp. D. A. Simons, 'C' Company, 2nd Battalion, 1st Brigade, First Canadian Contingent, Prisoner of War, Sennelagerbelle, Paderborn, Westfalen, Germany, Via Army Post Office, London, England."
Yours very truly,
H. R. SIMS.

BRIDE-TO-BE SHOWERED.—Miss Mary Essory, whose marriage to Dr. Harrington, of Bridgewater, N. S., takes place the middle of this month, was tendered a miscellaneous shower by a number of her friends in this city on Friday evening. The bride-to-be received quite an assortment of useful gifts, each accompanied by an appropriate verse. Last Tuesday evening she was also tendered a linen shower by her fellow members of the Alpha Rebekah Lodge. After the presentation of a great array of gifts refreshments were served, and a very pleasant evening was spent in the lodge room.

TUESDAY
SUPREME COURT.—The Supreme Court of Assize and General Jail Delivery for Prince County will be held at the Court House, Summerside, on Tuesday, November 30, at 10 a. m.

ATTRACTIVE POSTERS.—Messrs C. E. Fulford Ltd., Toronto, have attractive Zani Buk posters now displayed on the billboards on Rochford, Richmond, Great George and Grafton Streets. They are beautifully coloured and attract the attention of all passers by.

PROHIBITION CASES.—On Saturday afternoon in the Court-house, Alberton, before Stipendiary Tanton, Fred Gaudet was fined \$100 or, in default of payment, three months in jail, for violation of the Prohibition Act, before Stipendiary Tanton, Alberton, on Saturday afternoon, Fred Alduff was fined \$5 and costs or 10 days for causing a disturbance at his home on Wednesday evening.

SOMEWHERE IN FRANCE.—The Guardian has received from Private Ed. A. Johnson, "somewhere in France," a splendid post card picture of six boys connected with the Red Cross Ambulance Corps. Unfortunately the names or addresses of the boys are not given but The Guardian is reserving the photo so that Private Johnson's relatives or friends may see it, if they so desire.

A BRIGHT PUPIL.—It is pleasing to note the high marks made by Martin McRae, son of Mr. and Mrs. A. J. McRae, East Royalty, who is attending the Halifax School for the Blind. At the monthly examinations he made ninety-nine per cent. in music and one hundred per cent in department, which Supt. Frazer said was excellent. Mr. McRae, although not totally blind, was of late years deprived of attending the public schools and it was considered advisable for him to enter that institution last September.

AN EXPLOSION.—A few nights ago, while the alert police officer, Joseph Brown, was keeping his eye on some of the boys around the streets of Alberton, a terrible explosion occurred close by him, causing one of the planks in a platform to be torn up. Officer Brown, thinking that some young fellow was setting off fire crackers around the building to discover the culprit, but was surprised to find no one. On closer examination he found the explosion to be subterranean, someone having put a piece of pipe filled with powder under the platform, the charge being set off by a spark plug attached to an electric battery.

ANOTHER ISLANDER DEAD.—Private Thomas Lukowski son of the Charlottetown is among the many young men who have given up their lives gladly for their country. Private Talmage Lawson was one of the proprietors of the Saskatoon Daily Star, one of the most successful newspapers of the West; he was also practically a millionaire, and owned more valuable property than he knew what to do with. He was a son of Rev. S. G. Lawson, a Presbyterian minister, a native of Charlottetown, P. E. I., who died in 1913 in Saskatoon. The family came out to the prairies in the hard old pioneering days, and Talmage Lawson became a cowboy, later renowned for his skill with the rope, the gun, and for gentleness with his cattle. Then he became a rancher, and ultimately sold his ranch near Calgary, to take up a homestead near what is now Saskatoon. Then he acquired more land and more land, and one day Saskatoon woke up to find itself grooving city, and Talmage Lawson woke up to find himself rich enough to do as he pleased. Then he made some more money in city lots, still holding on to his farm—a whole section between Saskatoon and its suburb of Pactoria. His brother, Oliver Lawson, owns the section adjoining. Another brother, Newton Lawson, is in training at Sewell. Talmage was 31 years of age and unmarried.

S. S. SENLAC.—The Senlac arrived in Summerside Saturday night and sailed yesterday afternoon for St. John's, Nfld., via Charlottetown. Her cargo from Summerside consisted of 2,000 bags potatoes, 200 bags oats, 15 tons hay, besides a number of cattle and sheep.—C.

U. S. POTATO CROP.—The report of the potato crop of the New England States as published by the New England Gazette, is as follows:—The potato crop is, to a very large extent, a failure. Blight caused many potato fields to be nearly a dead loss. The yield will be less than 50 per cent. of the normal crop. The entire season has been a poor one for potatoes.

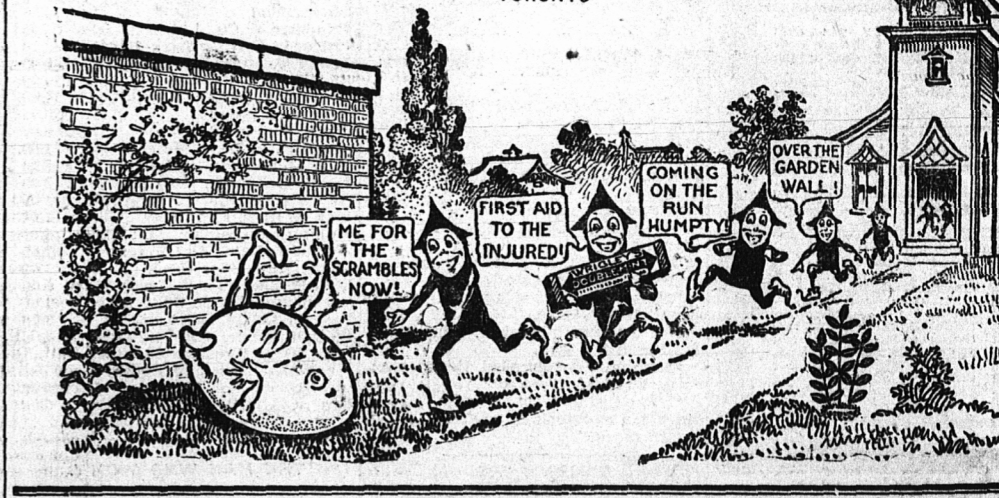

RAPIDLY IMPROVING.—Her many acquaintances throughout the city will be pleased to learn Miss Hughes, nurse, Holy Cross Hospital, is much improved after her serious illness. It is presumed Miss Hughes may leave for her eastern home, where it will take her several months to recuperate.—Morning Albertan, Calgary. (Miss Hughes is a daughter of Mrs. Catherine Hughes, Mill Cove, P. E. I.)

SOUVENIR FROM TRENCHES.—Mr. and Mrs. J. J. Storey of this city received a souvenir from France yesterday of which they are exceedingly proud. It was a box of wedding cake daintily tied up and sent to them by Private Samuel Elliott of Winstoe, whose wedding to a young lady whom he met in Edinburgh took place some time last month. Although few details have been received as yet, it will be generally interesting to know that he had as his groomsmen an Island soldier, Private D. McDonald. The marriage is truly a romance of the war as Private Elliott formerly came here from the Old Country and only met his bride while on a short furlough having been in the trenches steady for eight months. He has been through several battles, from bayonet charges and although he came through safely had many narrow escapes and was reported at one time to have been killed. This rumor was occasioned by his comrades finding his kit which was shot off him and on another occasion he had his rifle disabled while firing. His many home friends join with The Guardian in extending to him heartiest congratulations, all of which will be personally tendered him when he returns from the War. Private Elliott was among the first to offer his services in defence of his country and was for some time on home defence at Sydney Mines under Major Darke. He enlisted for overseas service with the first contingent leaving this Province.

GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF
SAVE YOUR HAIR! DOUBLE ITS BEAUTY IN A FEW MOMENTS—TRY THIS!
If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Dandruff.
Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff you cannot see, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fatten, loosen and die; then the hair falls out fast.
If your hair has been neglected and is thin, faded, dry, scraggy, or too oily, get a 25-cent bottle of Knowlton's Dandruff at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.
We sincerely believe, regardless of everything else advertised, that if you desire lustrous beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Dandruff. It eventually—why not now?

The Soldiers in Europe
have written home repeatedly for Wrigley's—the Perfect Gum. Case after case has been shipped by our London office. Why? For the same reason that it helps workers at home. It quenches thirst, steadies the nerves, soothes, refreshes, benefits. A delicious aid to appetite and digestion.

RECORD BROKEN.—Last autumn keeps moderate as at present, these dips will be continued at noon for some days to come. One of the professors of Prince of Wales College witnessed the swimming, and being fond of nature was filled with admiration, and promised the boys he too would like to join the party before the sea water. Providing the weather season closed in for swimming.
