GENERAL HUGUES HAS CLOSED CAMP AT VALCARTIER

MONTREAL, November 3.—Brig-Gen. John Hughes, an officer with almost half a century of service in the Canadian Militia, who has been acting as commandant of the training camp at Valcartier, visited the city this morning, on his way to Ottawa, and called on Brig-Gen. E. W. Wilson, C. C. of the 4th division, at Militia Headquarters.

Gen. Wilson gave a luncheon at midday at the Mount Royal Club in honor of Gen. Hughes, the guests including Brig-Gen. F. S. Meighen, Lieut.-Col. H. C. Cox (Toronto), Costigan, R. A., Brock, Gascoigne, Peers Davidson, LeDuc, Mack and Stewart, Majors Patch and E. G. M. Cape.

Gen. Hughes who was accompanied by Lieut. Sifton and Burns, told The Star that the last men from the training camp had gone out last evening.

"We finished up and closed the camp," he said. "The last men to leave were the Army Service Corps with the Ordnance stores. Everything was turned in and shipped away and the battalions that have not gone overseas have been sent to their quarters. The 59th are going to Halifax very soon—they are still in Quebec, but the 57th are remaining at Quebec. They have about 400 men at present."

"The training" at the camp has been everything that could be desired. A better behaved lot of men there could not be. There is no drunkenness and no quarrelling. We had musketry training all the summer and never had a man scratched at the ranges. We had no disease of any sort in the camp—the sanitation arrangements were splendid, and the training has undoubtedly been everything that could be desired.

"Our training was more varied this year because we took bayonet fighting up, and trench digging—we dug more trenches there than in all Canada put together. We had over three miles of trenches built, just the same as they would be in action. Every man had to know how to put up wire entanglements, and all the sections had practice at digging themselves in with the exception of the 73rd Highlanders, who were too late for trench work. They got bayonet and musketry training for a short time, but did not get to the trench work."

Gen. Hughes mentioned that during the summer eleven thousand men had gone across the ocean from Valcartier camp, and in addition to the full battalion that had gone, there had been drafts of 250 men and five officers each from the 40th, 41st, 55th, 57th and 60th, which had gone. There were the 4th Mounted Rifles and two batteries from Ontario at the camp as well as all the troops from Prince Edward Island, Nova Scotia and New Brunswick. They were an exceptionally good lot of men from the lower provinces, remarked the General, good steady, clean-looking fellows, and they made splendid soldiers appreciating the value of discipline very quickly.

WHAT CANADA PAYS!

SOLDIERS PAY AND ALLOWANCES, CONDITIONS OF ENLISTMENT PROVISION FOR WIVES, MOTHERS AND CHILDREN

Canada is determined that her sons shall be as well paid and their families as well cared for, as a grateful and wealthy country can afford. The scale of pay for Overseas Service, the allowances from the Patriotic Fund, and the Pensions, are on a more liberal basis than those of any other country engaged in the war.

SCALE OF PAY

Table with columns: RANK, Pay per day, Field Allowance per day, Separation Allowance per month. Sergeants \$1.95, Corporals 1.10, Privates, Buglers, Drummers, etc. 1.00

The men are, of course, fed and clothed by the Government. The Separation Allowance is the sum paid by the Government to the wife of each enlisted man, or to the widowed mother if the son is unmarried and is her sole support. This is in addition to part of his pay which is reserved for her.

One-half of a soldier's pay is withheld by the Government and paid to his dependents. This ensures that at least \$35.00 per month is paid by the Government to the wife of each soldier.

THE PATRIOTIC FUND

The Patriotic Fund has been created to assist those dependents of a soldier who need more help than the Government gives. From this Fund the following sums are paid if the need exists:—

Table with columns: Wives, Mothers of unmarried men, Children of widowers, Children of married men according to age and number in family. From 5.00 to 10.00 per month, 1.50 to 6.00 each per month

Ladies representing the Patriotic Fund pay regular visits to families of men on Overseas Service, and give friendly advice and practical help in case of need. Many employers have pledged themselves to give preference to returned soldiers when engaging men.

PENSIONS

The Canadian scale of pensions range for private soldier, from \$75.00 per year for certain minor injuries to \$264.00 for total disability. In case of death \$22.00 a month is paid to the widow, and \$5.00 a month for each child. A widowed mother whose son was her whole support receives \$22.00 a month.

CONDITIONS OF ENLISTMENT

Age—18 to 45 years. Height—5 feet 2 inches minimum

Provincial Patriotic Association, Charlottetown

MRS. TOM THUMB IS 74.

BOSTON, Nov. 3.—Countess Lavinia Magri, observed the seventy-fourth anniversary of her birth at her home in Warren town today. Many relatives and friends called. Aside Countess dedicated a boulder in her memory of her ancestor, Richard Warren, of Revolutionary fame.

There was an orchestra in attendance and addresses were made by Thomas Weston of Boston who recently wrote the history of Middleboro; George W. Stetson and Harry Leharon Sampson, both of Middleboro. The Countess herself gave a short sketch of her work and the reason for placing the boulder to be dedicated.

SUNDAY FLAYS IDLE RICH.

SYRACUSE, N. Y., Nov. 3.—Over thirty thousand people greeted Billy Sunday at his three meetings today, opening his first New York State campaign. About \$5,000 was taken up in the three offerings.

The attendance tonight was the largest of any of the meetings. The Tabernacle, seating 11,000, was packed, while others stood five deep around the sides and in the aisles. His sermon was in the nature of a tirade against cigarette smoking, drinking, spooning and the manner of living of the idle rich. Society women, he said, were idle, priggish and lead meaningless lives. "If some of them were swept away from every community," he said, "the world would be better for it." Sons and daughters of the idle rich also were flayed.
