

"I FEEL LIKE A NEW BEING"

"FRUIT-A-TIVES" Brought The Joy Of Health After Two Years' Suffering

MADAM LAPLANTE

35 St. Rose St., Montreal, April 4th. "For over two years I was sick and miserable. I suffered from constant headaches, and had palpitation of the heart so badly that I feared I would die. There seemed to be a lump in my stomach and the constipation was dreadful. I suffered from pain in the back and kidney disease. I was treated by a physician for a year and a half and he did me no good at all. I tried "Fruit-a-tives" as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no headaches, no palpitation, no heart trouble, no constipation, no pain or kidney trouble and I feel like a new being—and it was "Fruit-a-tives" that gave me back my health!"

MADAM ARTHUR LAPLANTE, 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

Thin Folks Who Want to Get Fat

Increase in Weight Ten Pounds or More

"I'd certainly give most anything to be able to fat up a few pounds and stay that way," declares every excessively thin man and woman. Such a result is not impossible, despite past failures. Most thin people are victims of mal-nutrition—a condition which prevents the fatty elements of food from being taken up by the blood as they are, when the powers of nutrition are normal. Instead of getting into the blood, much of the fat and flesh producing elements stay in the intestines until they pass from the body as waste.

To correct this condition and to produce a healthy, normal amount of fat, the nutritive processes must be artificially supplied with the power which nature has denied them. This can probably best be accomplished by eating a Sargol tablet with every meal. Sargol is a careful combination of six splendid assimilative agents. Taken with meals they mix with the food to turn the sugars and starches of what you have eaten into rich, ripe nourishment for the tissues and blood and its rapid effect has been in many cases reported remarkable. Reported gains from ten to twenty-five pounds in a single month are by no means infrequent. Yet its action is perfectly natural and absolutely harmless. Sargol is sold by all druggists everywhere and every package contains a guarantee of weight increase or money back.

NOTE:—Sargol is recommended only as a flesh builder and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain of weight is desired. If you find a druggist who is unable to supply you send \$1.00 to the National Laboratories, 74 St. Antoine St., Montreal and a complete ten days treatment will be sent you postpaid in plain wrapper.

Better Muscle, Better Work—the power to do things comes from food that supplies the greatest amount of strength-giving nutriment with the least tax upon the digestive organs. **Shredded Wheat Biscuit** contains all the muscle-making material in the whole wheat grain—the most perfect food given to man—made digestible by steam-cooking, shredding and baking. Contains more real nutriment than meat or eggs and costs much less. Being ready-cooked and ready-to-serve, it is the ideal Summer food. Delicious for breakfast, for luncheon or any meal with milk or cream, or with fresh fruits.

WEDDING BELLS.—A very pretty wedding took place at the home of Mr. and Mrs. Samuel Jardine, Orwell on Wednesday evening June seventh, when their daughter Lulu became the bride of Mr. Sidney V. At the hour of eight o'clock the young couple entered the parlor to the strains of the Wedding March which was beautifully rendered by Miss Florence McKinnon of Uigg, and took their place under an arch of flowers which was artistically arranged for the occasion. The bride who was unattended wore a gown of white embroidered silk with bridal veil, and carried a bouquet of roses and carnations. She is one of Orwell's most popular young ladies, and will be greatly missed in the community where she belonged. The groom is the youngest son of the late John Acorn of Mill View. He is well known and highly thought of having carried on an extensive mercantile and manufacturing business with his brother at Mill View for some time past. Their many friends join in wishing them a long and prosperous journey through life.
