

FRIDAY

DIED IN HALIFAX.—The death occurred at his home, 96 Albert Street, Halifax, on Saturday, of Peter J. McKenzie, aged 59 years. He was a native of Murray Harbor, P. E. I., and is survived by his wife and family.

WANTS TO GO AGAIN.—Gunner Ernest Davy, whose regimental number is 3980 and who returned wounded from the front early in June is recovering so satisfactorily that he is again anxious to return to the front. He is still troubled some with rheumatism in his arm but this is rapidly disappearing. He was in France for a year, all but ten days, and saw action in its most furious forms, having been at Ypres, Festubert and Neuve Chapelle. Notwithstanding what he saw and suffered he is game to go back again—an admirable example of pluck that many more might very well follow.

A worthy citizen and one well and favorably known in Charlottetown passed away on Tuesday last at Montague in the person of Patrick Kelly who had successfully conducted a general store there for a number of years. Previous to going to Montague over twenty years ago the late Mr. Kelly was head bookkeeper for the late Mr. Owen Connolly of this city and in that capacity as well as in the ordinary duties of citizenship made a large circle of friends many of whom still cherish fond recollections of his genial and friendly companionship. He leaves to mourn his wife, formerly Miss Mary Jane Hynes of Summersville and two daughters. Two brothers Messrs Charles and John Kelly of Lake Verde, and two sisters, Mrs. Patrick McAdam, Lake Verde and Mrs. James Hennessy, Charlottetown survive. The funeral will take place to-day, leaving Montague at one o'clock for Vernon River where interment will be made. To the bereaved relatives the Guardian tenders sincere sympathy.

A week ago to-day, little J. W. Riden Affleck, aged three years and sixteen days, the only and dearly beloved son of Mr. and Mrs. Robert Affleck, City, was laid to rest in the People's Cemetery.

Rev. R. G. Fulton performed the burial service.

The little boy had been sick thirteen weeks, and all that loving care and tender skill could do to save him, was done.

He was a bright, beautiful child, and his taking is a great grief to the parents.

It is only parents whose babies are called away by Him who said, "Suffer little children to come unto me," who fully realize the loss to the home when the little one is gone.

The sympathy of the whole community is given to Mr. and Mrs. Affleck.

At the funeral the floral tributes were many and beautiful, and the following were the pall-bearers: Raymond Wakefield, Freddie Smith, Gordon Griffin, Vernon Currie, Lawrence McMillan, and Harold Storey.

Through all pain at times he smiled, A smile of Heavenly birth; And when the angels called him He smiled farewell to earth.

Heaven retaineth now our treasure, Earth the lonely casket keeps; And the sunbeams long to linger Where our sainted brother sleeps.

GAZETTED.—The last issue of the Canada Gazette contains the following announcement: Prince Edward Island Heavy Brigade.—3rd Heavy Battery and Ammunition Column.—To be provisional Lieutenant (supernumerary): James MacMillan Hacker, gentleman. 29th May, 1916.

SCHOONER LEAKING.—The three-masted schooner Beaver, Captain Pettipas, from Sydney for Gaspe with a cargo of coal put into Charlottetown during the late of Sunday having sprung a leak. As a result it was considered advisable to dispose of the cargo here and the schooner is now being discharged at C. Lyons' wharf.

PLUCKY AND PATRIOTIC RACE.—Dr. Jenkins met at Moncton Dr. Christopher who formerly owned Baby Logan and the following conversation took place between them: Dr. C. said he had a 3 yr. old filly he purchased in New York that could beat anything of the age on the Island—Dr. J. said he had a pretty good 3 yr. old and he would not mind giving him a race. "Then let us make a match says Dr. C. say for \$50 a side." "That's rather steep," said Dr. Jenkins, "against an unknown, but I'll risk it. If we can get the track, we will give the gate money to the Patriotic Fund and make it Saturday week the 12th Aug." It now remains with the Association to give the track as it is for a patriotic purpose they will likely agree; it is to be owners to drive.

Mrs. Malcolm Stewart, Caledonia West, received the sad intelligence on Tuesday, July 25th that her son Ronald had been killed, almost instantly. Mr. Stewart lived in Charles River, Mass., where he owns a farm. His custom was to go to town on Friday mornings to buy feed for his stock. On the fatal day, on his way home about noon, passing near a stone quarry, he was struck in the head, unconscious, by a rock hurled through the air by the force of a dynamite explosion. He was immediately taken to a hospital, where on examination it was found that his brain had been crushed and his skull battered in. He died at ten o'clock at night. Mr. Stewart was 35 years of age. He leaves to mourn a sorrowing widow and a small child, also a grieving mother, one sister and five brothers.

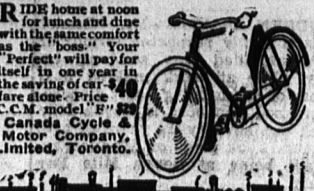

CHURCH REPORT.—The last issue of the Maritime Baptist under the heading of "News of the Churches" has the following report of the Charlottetown Baptist Church:—Rev. Chas. R. Freeman.—The present pastorate began July first. It is too early to say anything of the work. The parsonage has been thoroughly renovated and painted both outside and in, and is a very attractive home. The people have been very kind in their reception of the pastor and his family. The opportunity for service is attractive. Our congregations have shown an increase each Sunday, although this is the season when many of our people are away. On Sunday evening the hand of fellowship was given to the pastor and his wife and mother by Deacon Webster, and the pastor then gave the hand of his fellowship to two young men and one young lady who had been baptized during the period between pastorates. Another young lady had also been baptized, but was absent in Nova Scotia on vacation. She will receive the hand of fellowship later.

VALUABLE PROPERTY CHANGES HANDS.—Mr. William McCallum, Lower Belemo, has sold his farm consisting of 225 acres. The purchasers are Mr. Major Schurman, Dr. John F. McNeill, Mr. Colin Schurman and Dr. A. W. Leard and it is understood it is their intention to run it as an up-to-date stock farm. It is also their intention to spend considerable money in improving the lower part, known as McCallum's Point to make it attractive to the home of the future. With its beautiful location and beautiful location this will certainly make an ideal location for summer cottages.

WEDDING BELLS.—An interesting ceremony was performed in Mont Carmel church by Rev. P. R. Arsenault when Mr. Philias Arsenault of St. Raphael was united in marriage to Miss Belle Arsenault, daughter of Mrs. Moise Arsenault formerly of Egmont Bay. The wedding took place on Tuesday, July 25th. The bride was dressed in navy blue with a hat to match. Mr. Joseph Porier acted as groomsmen whilst the bride was attended by her sister Miss Alma Arsenault. After the ceremony the bridal party proceeded to the home of the groom where all the delicacies of the room, followed by the usual form of amusements awaited them. The happy couple were the recipients of many worthy and useful gifts. All friends and relatives join in wishing the happy couple a prosperous journey through life.

A sad drowning accident occurred in Souris Harbour, July 31st. About noon Elmore Conrad, aged 18, a member of the trawling Schf. Nellie Viola, went bathing alongside his vessel, swam around for some time, no one taking particular notice, when suddenly a cry was heard. The crew on looking over the ship side could see nothing except a few bubbles rising out of the water. Plus de Cherie, master of the life saving station at Souris, who happened to be on board, immediately jumped overboard, dived for the drowning man but owing to the mudiness of the water, a gale blowing at the time, could not locate the victim. Capt Cheverie then came to the surface and finding that Conrad had not risen, dived a second time remaining down so long that tears were entertained for his own safety. Capt. Cheverie falling to effect a rescue the crew of the Nellie Viola began grappling and succeeded in raising the body. Efforts were immediately taken under the direction of Dr. A. A. McDonald to restore animation, but after working for about four hours it was found life was extinct. Whether the fatality was due to cramps or heart failure could not well be determined, but the opinion prevails that it was the latter. The body was conveyed to the undertaking rooms of W. L. Dingwell. A telegram was sent by Capt. Ebon Goodick, master of the "Nellie Viola" to the boys mother who resides at Broad Cove, Lunenburg Co., N. S. Deceased was the only son of the late Arthur Conrad. An enquiry as to whether the remains should be interred here or sent home, the reply came to forward the remains to Broad Cove which was done. Captain Goodick spared no pains or expense in doing all that was possible under the sad circumstances, and has the highest praise for the deceased. Many beautiful floral offerings were presented by the ladies of Souris.

LEAVES FOR ENGLAND.—Mrs. (Lieut.) Allan B. Cosh, left yesterday morning for New York where she will take passage for England to join her husband of the 105th P. E. I. Highland Regiment. Her many friends will unite in wishing Mrs. Cosh a safe and pleasant voyage across the ocean.

AUTO CASE.—The case against Mr. W. K. Rogers charged with unning an auto contrary to law on the George-Lane Road on Sunday, July 9th, was again before Judge St. Laurent yesterday. Mr. A. McLean, K. C., M. P., the defendant's counsel, asked for an adjournment to submit evidence. By consent of Mr. Johnston Mr. Shaw granted adjournment for one week, Thursday, the 10th instant.

S. S. STATISTIC WANTED.—Mr. A. J. Matheson, Provincial Superintendent Temperance Work, O'Leary has issued a circular post card to Sunday School Superintendents throughout the province asking what steps each Sunday School is taking to promote the cause of temperance among the boys. It is hoped that these cards will be promptly answered and returned as the information asked for will be very helpful to those engaged in this work.

AFTER TWENTY-FIVE YEARS.—Mr. John McMurrer and daughter, Miss Mary left yesterday morning for their home in Everett, Mass., after a pleasant sojourn in Charlottetown the scene of Mr. McMurrer's boyhood days. It is 25 years ago since he left this city and he notices many improvements. Mr. McMurrer has prospered in his adopted country and may be classed among the successful Islanders abroad. While in the City he was the guest of his brother, Mr. James McMurrer, Sydney St.

A New Blood-Food Called Ferrazone
Sures to Restore you Quickly. Every day comes the good news of wonderful cures with Ferrazone. In Peterboro's it worked marvels for Louis Meehan—put him right on his feet—made him entirely well. "About three years ago," says Mr. Meehan, "I had the Grippe which left me in a very run-down condition that finally developed into Dyspepsia. I was unable to eat but a few things and had a craving for acid. I gave up treating with the doctors because they did not help me and on the advice of a friend used Ferrazone. It not only cured me of Dyspepsia and Biliousness, but has built up my strength to what it was before I had the Grippe. I can recommend Ferrazone as an ideal restorative." Ferrazone gives you force, energy and vim. It strengthens the stomach, cures indigestion, prevents headaches—guarantees good health. Thousands use Ferrazone—try it yourself—feel better; try it yourself—feel better; try it yourself—feel better. 50c boxes, six boxes for \$2.50 at all dealers or direct from The Cattarhous Co., Kingston, Ont.

MISCREANT'S WORK.—Some miscraunt last Wednesday night threw a stone through one of the plate glass windows in the store of Messrs. Holman & Co. Ltd. Although the watchman heard the crash and hurried to the street he could find no trace of the culprit who is still at large.

The officers and men of No. 5 Siege Battery are certainly deserving of the heartiest congratulations upon the success of their Camp-Fire Concert last night by it was a success of the biggest kind—a "bracer-jack" to put it in Battery parlance. The Peoples' Theatre was crowded to the doors, and many were unable to obtain entrance.

The scene on the stage was picturesquely striking. Seated around a camp-fire were the officers and soldier boys the back-ground comprised of a pretty piece of sylvan scenery with a military tent and portion of a gun being conspicuous features of the stage setting, making a decidedly realistic arrangement.

The concert had the novelty of being "different." The free-and-easy style of the whole proceedings, the men being dressed as they would under training camp circumstances was refreshing and gave the people an insight into the happier side of the soldier's life.

The first item on the programme was a selection by the Battery orchestra, composed of Sgt. McLellan, Edw. K. McKenzie, Trumpeters Wynne and J. Doyle, Gns. A. McKinnon and J. Gaudet assisted by Rev. Mr. Littlejohns on the violin and Miss K. Stanley as accompanist. The music of this aggregation throughout the evening was greatly appreciated.

The singing of "O Canada" was followed by the song and chorus, "I Love You Canada," the soloist being Gunner Proctor, which made quite a hit. Then came a splendid quartette number, "Sweet and Low" those taking part being Sgts. Sterns, and Bruce and Bmr. F. C. Dingwell and Gr. Proctor. The same quartette afterwards sang "The Vacant Chair," the tone quality being excellent. Lieut. H. W. Peake in a comic recitation created fun and merriment. Then came a song—"There's a Fight"—and Gr. Messervey with chorus by the camp which had a fine swing and was well sung. Gunner Messervey it may be stated directed the singing throughout. A stoppage by Gr. Joe Doyle was so good as to fetch a repeat order. "Do Your Bit," was the title of another catchy chorus and was followed by the Battery yell given with a vim and then retired and the flag which stood out so gloriously came down and the curtain fell, winding up very picturesquely the first half of a very pleasing programme.

After intermission and a sale of candy another interesting military scene "Change Guard" was enacted and the snap and vim which the men put into their work brought them round a chorus of applause. "Why Don't You Wear a Uniform," and the comic number "Old King Cole," by Gr. Curran, which was a scream and called for more. Br. F. E. Dingwell next made his debut as a soloist and a very good one at that in "When Your Boy Comes Back"—with all joining in the chorus.

One of the best things on the programme was Sgt. Bonnell's comic recital. It brought a mighty round of applause and a demand for more of the same which was graciously accorded to. Then came the quartette already referred to and a stirring chorus, "Give the Grand Old Flag a Hand." A bunch of other lively choruses, such as "Keep the Home Fires Burning," "There's Class to Our Battery," "Tramp, Tramp, Tramp," etc., was a treat and the same may be said of Sgt. A. Bruce's solo, "Men of Anzac" which was an able song ably sung. In response to an encore Sgt. Bruce gave "Because I Love You." Then came the "Long Long Trail" and "Last Post." A few words from Colonel Peake followed in which he heartily thanked the audience, and Miss Stanley who trained the chorus. Rev. Mr. Littlejohns for assisting the organization of the Patriotic Fund and for advertising the young ladies for sale candy and Senator Proctor for the use of the automobile for the Battery. The Island Hymn and God Save the King brought to a close an evening of exceptional enjoyment.

(Special to the Guardian.)
PARIS, Aug. 3.—A official statement says: "North of the Somme we repulsed last night several attacks by Germans on Monaca Farm and organized new positions between this farm and Hem Wood. It has been confirmed that German units engaged in the region of Monaca Farm had to be relieved as the result of the heavy losses they sustained since July 10. South of the Somme a counter attack on our positions located south of Estreest failed under our fire.

On the right bank of the Meuse the Germans delivered several counter attacks upon trenches we captured yesterday. Everywhere our infantry checked the fire of our adversaries who had the efforts of our adversaries who suffered heavy losses. Our troops following their advantage made notable progress south of Fleury. They have reached the immediate surroundings of this village and have even gone beyond the railway station. The number of prisoners made by us in Fleury alone is in excess of 700. This raises to 1300 the total number of able bodied prisoners who fell into our hands since August 1st.

On the right bank of the Meuse in region of Vaux le Chapitre and Chenols there has been continued intense artillery fighting but without infantry participation. The night passed quietly on the remainder of the front except in the forest of Apremont where with rifle fire we dispersed certain German patrols.

On the Somme the Sergeant Chant yesterday had two aerial encounters with German machines and in each case vanquished his enemy. These victories make a total of eight German machines brought down by this aviator. Another German aeroplane, attacked at close quarters by one of our machines, fell to the ground and was wrecked at a point near Chauley.

ment will pay off from time to time its temporary indebtedness to the British Government by the issue of 1923 and 1924. Those Dominion bonds bearing the same rate of interest and having the same maturities as the issue of the Imperial Government from the proceeds of which the advances have been made. The amount of the bonds will be calculated having regard to the issue price of the Imperial securities. The first transaction will involve the extinguishing of over one hundred millions of temporary indebtedness of the Dominion by the issue to the British treasury of three and a half per cent. and four and one half per cent. dollar bonds maturing in 1923 and 1924. Those Dominion bonds will not be sold but will furnish the basis of Imperial banking credits in the United States and Canada, from which payments will be made on this side of the Atlantic. The arrangement thus greatly assists the British Government in its financing of the purchases of munitions and supplies for which dollar credits are necessary.

OTTAWA, Aug. 8.—A transaction of the greatest importance to Dominion and Imperial war finance has been concluded between the Minister of Finance and the British Treasury. For a period after the outbreak of the war the Canadian government borrowed the greater part of its war expenditure from the Imperial government. For over a year now the Dominion Finance Department has borrowed from the Imperial Treasury only the amount represented by our expenditures in Great Britain and at the front, advances being entered as temporary borrowing.

Under the arrangement which is now being made the Dominion Govern-

ment will pay off from time to time its temporary indebtedness to the British Government by the issue of 1923 and 1924. No one flour suits everybody alike. It may be that the flour you are now using doesn't altogether please you; in that case you would be wise to make a change. In suggesting

DIAMOND FLOUR

as your next choice, we wish to emphasize that it is a blend of selected Ontario soft wheat and Manitoba hard wheat, and for that reason is very probably the most ideal kind of flour for pastry, biscuits and bread—or, in other words, for general baking use—that can be had. Your grocer will be glad to supply it.
