

"Maritime 6's"

That's the "streets expressive way of referring to Maritime Telegraph & Telephone Company 6 p. c. Bonds."

In view of the nature of the Company's business, the assets by which the bonds are secured and the proved earning power of the Company, the 6 p. c. Bonds constitute an investment which is well regarded by the most discriminating investors. Usually such bonds sell upon a 5 p. c. basis, but we offer a block of "Maritime 6's" in lots to suit purchasers at a price that will yield about 5.50 p. c. on the money invested.

The funeral arrangements are being made en route. The deepest sympathy goes out to the family in their bereavement.

EXAMINATION.—The semi-annual examination of St. Augustin School was held on Wednesday, Dec. 24. The day was very stormy and for this reason there was not as many ratepayers as if it had been fine. The pupils were examined by Rev. Dr. Chiasson, Moses Doucette and their teacher, and showed by their quick and ready answers that they had been carefully taught and are receiving a good grounding in the various subjects taught by their teacher, Miss Angie Buote. Two trustees, Mr. Andrew Martin, and Joseph Peters were present also the Secretary Mr. Jos. J. Doucette. After the examination was over complimentary remarks were made by Rev. Dr. Chiasson, Moses Doucette, Jos. J. Doucette, S. Buote and Joseph Peters. The trustees are to be congratulated on procuring the valuable services of Miss Buote. The district would wish to retain her services for years. This is her second year and she is preparing for scholars to take the entrance examinations in the spring.

That Tired Feeling

SUGGESTS GRANDMOTHER'S REMEDY.

It's true, the season is here with its sudden changes, and the old idea that we need a blood medicine is not without reason. Too much heavy food has caused a torpid liver, sluggish blood, and a weak, tired out feeling.

"Sulphur, cream of tartar and molasses was grandmother's remedy but that has long ago been displaced by Vinol, a combination of the two most world-famed tonics, namely, the medicinal curative elements of the cod's liver, without oil, and iron for the blood.

Vinol builds you up, makes you eat more and digest better, makes your blood rich and pure—puts healthy color in your cheeks. "N. G. Gift of Opelika, Ala., says: "Last spring I was all run-down, no strength, no appetite. I took Vinol and was greatly benefited by its use. I soon felt strong and well as ever."

We guarantee Vinol to satisfy you and refund your money if it does not. E. A. Foster, Central Drug Store, Charlottetown, P. E. I.

IN THE P. E. I. HOSPITAL.—Mr. Howard C. DeBoghe, has entered the Prince Edward Island Hospital for treatment. His many friends will be pleased to know he is doing nicely.

THE FINGER PRINTS TOLD.—It is learned that the Dominion Police officials at Ottawa, says a Moncton exchange, to whom were submitted the finger-prints of Robert Reid, the man who was recently brought back from P. E. I. on a charge of robbing a local boarding house, that the man is a well-known crook and has long time in Dorchester penitentiary.

SCHOONER-FIRE.—Fire broke out early Wednesday morning on the schooner "Hattie C." says a North Sydney exchange. The cause of the outbreak was the accidental upsetting of an oil stove. The fire brigade turned out promptly and subdued the fire in quick time. The cargo consisting of oats and hay consigned to North Sydney from Prince Edward Island was slightly damaged by fire and water. The vessel was moored at Vought's wharf for the winter.

THE SIDEWALKS.—Saturday evening the condition of the sidewalks in the city was quite exasperating. The rain which fell all afternoon and well into the night, though not heavy enough to wash the concrete walks, does not tend to make the streets very reliable places to walk on. Some citizens were considered enough to clean their walks right off to the concrete and their act was greatly appreciated by those who used them, while the places where the ice was, was blessed many times by the number of people who reclined at their leisure on them.

PROHIBITION CASES.—Before His Honour Stipendiary Shaw on Saturday afternoon the case against Donald Kennedy & James Warren both charged with having sold intoxicating liquor between the dates Nov. 15, 1913, and January 8, 1914. Warren was discharged. His Honour holding that the evidence was insufficient to secure a conviction. Donald Kennedy, however, was convicted. The evidence of one witness was that he bought two bottles of rum at the defendant's place and also one bottle of whiskey, for which he paid \$1.25. This evidence was substantiated. Defendant was fined \$20 and costs, \$2, this being his second offence.

APPIN ROAD.—The school is progressing favourably under the skillful management of their teacher, Miss Granville MacVittie. Mrs. Josiah Corney has been visiting for some time in Bradalbane, the guest of her sister, Mrs. David McLure. Mr. Josiah Corney spent the week end in Bradalbane and while there attended the pie social. Mr. Heber MacVittie, "Birch Row" Westmoreland, spent some uneasy time in Appin Road having been storm stayed in that place. While there he was the guest of Miss Matilda Gillespie. Mr. George Cummore paid a flying visit to Riverdale. Mr. and Mrs. Norman MacLeod, Riverdale, spent Sunday in Appin Road. Mr. William Gillespie made a flying visit to Bradalbane.

POTATOES.—A despatch from Boston to parties in Newcastle says:—The potato supply now coming into the Boston market is not of the best quality and many complaints are being made by householders. It is apparent that the excellent New Brunswick tuber is being missed in this market. A protest against the ridiculous embargo, put into effect by government officials for the benefit of the Aroostook grower, is likely to be made by consumers. New Brunswick and Prince Edward Island potatoes have always been popular here and Boston is far from pleased with the existing situation. The embargo, of course, is highly pleasing to Maine growers, many of whom are paying their bills due fertilizer companies here.
