A Stanley Bridge correspondent writes:—F. D. Marks, spent Sunday in Stanley Bridge the guest of M. Fyfe.—Walter Pickering has returned to Charlottetown. H. Brown has recovered from his recent illness. B. A. MacDonald spent Sunday in Springfield.

Auld Bros had an exceedingly interesting ad in yesterday's Guardian telling of the superior quality of the English fertilizers they have in stock. These fertilizers contain the highest per centage of soluble and available plant foods known to agricultural science and farmers desiring some should write the firm for one of their pamphlets telling of the proper use of these plant foods. This ad which will also appear tomorrow should be carefully read by all interested.

This morning at eleven o'clock in the Council Chamber of the Legislative Assembly His Honor Lieutenant Governor McKinnon will present the Carnegie medal for bravery and the Canadian Royal Humane Society's medal to Miss Bertha Rattenbury, City. His Honor will also at the same time and place present to the House of Assembly a large picture of Prince Edward, Duke of Kent, after whom this province is named. This picture is after a painting of the Duke of Kent by one of the masters.

The new P. E. I. R. Timetable went into effect yesterday. The Murray Harbor service was incorrectly reported in The Guardian recently, in giving the arrival of the southern trains in this city. The times were given as 9:25 a.m. and 9:35 p.m. when both should have read "a.m." instead of only one. On Monday, Wednesday and Friday this train arrives in this city at 9:35 a.m. and on Tuesday and Saturday they arrive at 9:25 a.m. The train arriving daily in Summerside at 9:25 a.m. from the east is from Cape Traverse.

Blooming Hope Lodge I. O. G. T., Alexandria, is flourishing with Gordon Brehoe as Chief Templar. A very successful meeting was held on Tuesday evening, April 5th. Grand Treasurer A. F. Jones of Pownal being present was invited to take the chair and ably presided during initiation and a program, which lasted for upwards of two hours, consisting of essays, solos, readings, recitations, and instrumental music, which were all well rendered and the best of order prevailed. After a few complimentary remarks by Bro. Jones the lodge closed in usual order and all went away well satisfied with the evening's entertainment.

"British Beef, Iron and Wine. The 'old reliable.' An elegant combination in which the tonic powers of iron, and the stimulating properties of wine. Just what you need. 75c per pint bottle. A. W. Reddin, Phm. B.

Today's Guardian contains twelve pages.

Owing to the absence of the pastor, there will be no service in Princetown Presbyterian Church next Sunday, April 10th.

Rev C. W. Hamilton, St John, well known here, gave a fine address before an S. O. T. meeting in that city a few days ago.

Pastor Russell of Brooklyn Tabernacle has sailed on the "Kaiser Wilhelm der II" for a trip to the Holy Land and many European points. He was given a rousing farewell "send off" by a large assembly of International Bible Students, cheering and singing. Pastor Russell recently conducted services in this city and his sermons appear in the Guardian from time to time.

A treat is in store for the young people tomorrow, Saturday afternoon, when the favorites, the Colonial Stock Company, will present their charming play, The Girl of the Sunnyside. To make the event doubly interesting the company will give two splendid prizes to the girl and boy who can make the most words from the letters contained in the name "Edith Warren." The girl's prize will be a solid gold set ring and to the boy a solid gold set of cuff links. The matinee opens at two and performance begins at 3 o'clock. Admission children ten cents, adults twenty-five cents.

Eye Strain

is a warning that should be heeded—it is nature's rebellion against ill-usage. If the person is a juvenile it is all the more reason why the case should have prompt attention. Children's eyes are even more delicate and should receive the attention of an expert optician.

We always take particular attention with children's eyes. In fact with our Retinoscopy system of eye examination and lens grinding facilities we offer an unexcelled service. There's no haphazard selection here—every lens is made to suit the individual requirements of every patient.

Better call today.
