The beginning of baldness is dandruff. Dandruff is a disease and can be cured.

Cure the disease that causes dandruff, and the dandruff will disappear for good.

Use only some old established remedy. We know one tested for more than 50 years—

Ayer's Hair Vigor

It cures dandruff, checks falling, makes the hair grow, always restores color to gray hair.

"Ayer's Hair Vigor has cured my scalp of a bad case of dandruff. It is a delightful preparation to use."

JOHN Cox, of Windsor, met with a severe loss yesterday in the death of his horse, Special Blend. Inflammation carried the animal off. The horse was on the road the day before and appeared to be in excellent condition. Mr. Cox had three doctors at work on the horse trying to save it, but without avail. It was no wonder the doctors worked, for Mr. Cox had sold Special Blend to parties in Gardner, Me., for a good long sum. It was to have been shipped to-day. Special Blend was purchased by Mr. Cox last September from E. Le Roy Willis, Sydney. An autopsy will be held.—Halifax Herald.

The following letter of condolence has been sent by the Methodist Preacher's Association to Mrs. George Bryenton and family:

Dear Friends:—Permit us to say that the Preacher's Association met in the Cornwell Church, Dec. 1st 1902. When the roll was called it became painfully evident to the brethren that since the last meeting of the Association your beloved husband and affectionate father and their highly esteemed brother George Bryenton, had been called to the rest and reward of the faithful. Many kind and appreciative words were spoken by the brethren and fully endorsed by the Association, of the personal worth, the long faithful and helpful service given to the Methodist Church, as a Local Preacher, by their fellow laborer in the service of the gospel and we the undersigned were appointed a committee to write you a few lines to express the heartfelt sympathy of the Association with you in the severe bereavement which has befallen you; coupled with the earnest prayer that the blessing of God in great measure may be granted to you in this extreme trial of your life. We cordially accede to the wishes of the Association but regretting the circumstances which have called forth this communication. We have the honor to be yours faithfully,

ROBERT OPIE, Committee.
THOMAS HOGG, Secretary.

THE special meeting of the Charlotte town Light and Power Company called for Wednesday evening has been postponed until Monday 15th, inst.

JUBILEE Lodge No. 31, I. O. G. T. of Bangor presented the following address to Duncan McDougall on the eve of his departure for Sydney, C. B. It is with feelings of deep regret that we hear of your intended departure from our midst, and from the folds of Jubilee Lodge. But as you have decided to seek your fortune in distant parts we hope and trust that your efforts may be crowned with success. We know that when one goes out in the cold world to battle with the occurrences of every day life, the trials temptations and allurements of a great city prove disastrous to some of our young people. Yet we can console ourselves that if your adherence to the noble teachings of our order which you have at all times lived up to and evince the same spirit of uprightness and integrity which has characterized you while in our midst that you cannot fail in making your mark in the world. Your kind and noble disposition ever endears you to all with whom you come in contact. Our lodge is losing a valuable member when you go out from us but we presume, our loss will be your gain as in other parts there may be more scope for your excellent talents. In times of prosperity of adversity, remember your youthful instructions. May He who watches over all ever be your guide. Signed in behalf of Jubilee Lodge in Faith, Hope, and Charity.

IS A SERIOUS MATTER.

The Most Serious and Fatal Diseases Arise From Indigestion.

Chronic indigestion or Dyspepsia, while a very common trouble, has for some time been looked upon by able physicians as a serious thing, and that no time should be lost in treating it properly at the start, because recent researches have shown that the most serious, fatal and incurable diseases have their origin in simple dyspepsia or indigestion.

Diabetes is simply one form of indigestion, the sugar and starchy food not being assimilated by the digestive organs. In Bright's disease the albumen is not properly assimilated.

While consumption and dyspepsia are twin diseases, and it is beyond question that dyspepsia makes a fertile soil for the seeds of consumption. But the trouble has been to find a remedy that could be depended upon to cure dyspepsia, and it is notoriously obstinate and difficult to cure.

This has been the question which has puzzled physicians and dyspeptics alike, until the question was solved three years ago by the appearance of a new discovery in the medicinal world known as Stuart's Dyspepsia Tablets, which it was claimed was a certain, reliable cure for every form of stomach trouble.

Physicians, however, would not accept such statements without first giving the new remedy many tests and carefully observing results.

For three years the remedy has been thoroughly tested in every section of the country and with surprising and satisfactory results.

Stuart's Dyspepsia Tablets can be honestly claimed to be a specific, a radical lasting cure for indigestion in the various forms of acid dyspepsia or sour stomach gas or wind on stomach, to much biliousness or pressure after eating and similar symptoms resulting from disordered digestion.

Stuart's Dyspepsia Tablets were not placed before the public until this three years' trial left no doubt as to their value and they have recently been placed in the trade and can be found on sale at all druggists at the nominal price of 50 cents per package.

No extravagant claims are made for the remedy, it will not cure rheumatism, pneumonia, typhoid fever or anything but just what it is claimed to cure and that is every form of stomach trouble. No dieting is necessary, good wholesome food and plenty of it and you may rest assured that Stuart's Dyspepsia Tablets will digest it. Druggists claim for it that it is a pleasure to recommend it to dyspeptics, because it gives such universal satisfaction.
