At the Opera House last evening Alexander Dumas' celebrated melodrama Monte Cristo, was presented. The story which is a thrilling one, was well staged and cleverly carried out by H. Wilnot Young's capable company. Marjje Adams as Mercedes was shown to full advantage as her part called for fine dramatic power in which she was ably supported by H. Wilnot Young and a caste of nine. The specialties were good, notably the singing by Dick Henderson, whose fine baritone voice has made for him many friends, and Baby Marguerite, whose cunning ways took the audience by storm as did her song. The company concludes the season here Saturday night. Tonight the play is an exceptionally fine one, and the costumes will be the best ever shown here. All who are familiar with Bertha M. If You Intend Painting Your Houses Churches

or Halls etc. These use pure Linseed Oil - That's the life of paint. You can't do durable work without it. Adulterated Oil means early destruction of the best paint manufactured, but there is a deal of adulterated Linseed Oil foisted on the unsophisticated painters.

It pays dealers to sell it; but it don't pay anyone to use it. Be satisfied with nothing but absolutely pure Linseed Oil - You can be sure of getting it, if you buy only Genuine Pure Linseed Oil manufactured in England from a certain Flax Seed.

The only Linseed oil we handle, Tons of English White Lead, Corroded by the Old Dutch Process. Estimates given in any part of the County or city, write or call.

Cleanliness is Next to Godliness

If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give only a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest approved method which is a perfect germicide and endorsed by all Boards of Health and Health Officers.
