In place of the regular weekly meeting members of the Young People's Association of St. Mary's Anglican Church held a very enjoyable Halloween social in the parish hall on Tuesday evening. With the president, Ross MacKenzie and Earle Crane in charge of the evening's program a very enjoyable evening was spent by members and their guests. Games, contests, old fashioned apple bobbing and musical chairs provided entertainment. During the course of the evening Ross MacKenzie spoke briefly on the work done in the past by the society and extended to younger parish members a cordial invitation to attend the meetings. Week Of Art Is Scheduled For S'ide The director of the National Gallery of Canada, Mr. Harry McCurry, has sent Miss Nora McCullough to give talks on art and education throughout Prince Edward Island. This project has been arranged in cooperation with Mr. H. B. Chandler, Director of Adult Education for the Island.

QUICK HALLOWE'EN. Summerside Police report a quiet Halloween with only a couple of reports of damage received, all of it of a minor nature. Ten extra policemen were on duty along with all the members of the regular force and the town was well patrolled. A part of the credit for this mild observance of Halloween can go to the Kinmen Club for keeping the younger element occupied until ten o'clock. When the Kinmen party was over, most of the children went home. Early in the evening, large numbers of children were in the streets in costume and most householders had a busy hour or two answering door bells. A masquerade dance was held at the Blue Moon dance hall which held its formal opening on the western outskirts of town.

Many kinds of materials have been provided to arouse interest, a choice collection of original paintings and colour reproductions by Canadian artists, children's art exhibitions and films covering a wide range of related topics. Parents, teachers and all those who have a real interest in their community will find stimulation in the programs offered. The sponsorship of the Home and School Welfare Group is taking advantage of this fine project and holding a Week of Art in the High School Auditorium beginning Nov. 4th. As this takes place during Education Week, Nov. 3rd to 10th, it provides a good opportunity of bringing the cultural aspects of education before the public. It is to be hoped that all citizens of Summerside and outlying districts will avail themselves of this rare opportunity to attend this most interesting and instructive program.

The program for the Week of Art is as follows: Monday, Nov. 4th at 8 p.m. "The Story of Canadian Painting," a lecture with slides. Wednesday, Nov. 6th at 8 p.m. An evening of films on Canadian Art, Artists, Rural Art and Crafts, etc. (Courtesy National Film Board). Thursday, Nov. 7th at 8 p.m. "The Artist's View of Life," a lecture with slides.
