Wonderland has certainly got a bang-up program for tonight, as will be seen by looking at their ad. The beautiful Indian picture is a little "different from the rest" being a licensed film—which means "the best". The others are equally as good and the illustrated song by the boy tenor Bud Carmin, is a treat in itself, a twenty-five cent show for five cents.

Rev. G. A. Lawson, Halifax, President of the Temperance Alliance of Nova Scotia, J. Willard Smith of St. John, President of the Temperance Federation of New Brunswick, Rev. Mr. Robinson of St. John, and Rev. H. E. Among the special prizes that are being offered at the Seed Fair this spring are two by Carter & Co., Seed Merchants, Charlottetown. At Georgetown they are offering a prize of \$5.00 for the best collection of exhibits grown on one farm and at the Provincial Seed Fair they are offering \$5.00 in gold for the best sample of two bushels wheat from fields that competed in the fields of standing grain competition, 1909. This enterprising company are doing everything they can to raise the quality of the seed that is grown in the Province. It is hoped that both of these classes will be very well filled.

**Romance of an Umbrella**  
 A pretty love story. See the happiness a mis-placed umbrella brings this couple.

 This reel that received such favorable comment on Saturday night is being shown tonight as an extra reel

 The boy tenor in beautifully illustrated song, "No One Knows", and speciality.

By a regrettable mix-up in handling the type for Saturday's Guardian a part of the long Gainsborough article was inadvertently inserted in the middle of the sermon, appearing on the same page.

The Guardian's report of the temperature of Friday stated that the coldest was eight and one half degrees above zero. This was an error and should have read eight and one half degrees below zero.

New Wonderland, the pioneer picture house of the province, invariably runs three reels of film a night. A fact worthy of note is that all the film are from licensed manufacturers—an odd independent release of it is good—and the film is non-inflammatory.

Hon. Duncan Marshall, Minister of Agriculture in Saskatchewan is prominently mentioned in the Canadian Courier of Feb. 26th. The article mentioned has an extended reference to Western politics and Mr. Marshall's portrait adorns the article. In the same issue there appears an illustration showing a party on the Earl Grey when on one of her trial spins in Barrow-on-Furness. Among the group are Hon. L. P. Brodeur, Minister of Marine, whose "de-lighted" smile evidences the pleasure and pride he felt in the then new addition to Canadian Steam Service.

It is absolutely necessary—especially with those just beginning to use glasses—that their glasses be correct in every detail and thus prevent future impairment of the eyes.
