THE SUN LIFE INQUIRY ENDED

MONTREAL, Oct. 25—The Royal Insurance Commission concluded their examination of the Sun Life this afternoon.

The Royal Victoria will be taken up tomorrow and concluded, after which an adjournment will be made until Wednesday.

Today's proceedings consisted of an examination into the Sun Life policies, and also into the division of profits.

During the discussion it was shown that an agreement is in force by which President Macaulay receives a salary of \$10,000 this year, which will be increased to \$20,000 next year, and that his son, F. B. Macaulay, receives \$14,000 this year, and \$15,000 next year.

Dentists of One Mind All Indorse Asher's Enamel

At the dental convention recently held in Montreal the leading dentists of Canada expressed themselves as being very favourably impressed with Asher's artificial enamel as a material for filling teeth.

That this material is the equal in all ways and in many respects the superior of gold for filling teeth is now generally conceded.

It Costs Less than Gold

We have all shades to suit all teeth.
