

THE WESTERN GUARDIAN

Absolute Safety of Principal

The man who has accumulated a few hundred dollars by hard work, must of necessity be most careful as to any investment into which he puts his capital.

Municipal Debentures are most desirable for this purpose. They are a charge upon the entire Assets of a Municipality and therefore furnish excellent security to the investor.

Taking into consideration the security offered, the rates are most favorable. We can offer Municipals to net 6 per cent. Full particulars on request.

He suffered long and severely through medical skill and unremitting attention from an affectionate family did all that was possible for human hands to do, and they amply repaid the parental tenderness which he bestowed upon them in their younger years. His wife ne Miss Hannah Jane Needham, predeceased him by seven years. One brother and two sisters survive two brothers and one sister having gone before. Two sons and six daughters are left to mourn the loss of a loving father, two other daughters having predeceased him. The services at the house and grave were conducted by Rev. Mr. Piper.

About sixteen or seventeen years ago he removed to the United States, where he died at the home of his son. He was a member of the Presbyterian Church and was highly esteemed by all who knew him. MR. M. QUIGLEY A very sudden and sad death occurred at Mount Tryon on Saturday of Mr. Michael Quigley. Going to bed as usual on Friday night he awakened about eleven o'clock, and remarked to his wife that he did not feel well. Saying nothing more he passed away at one o'clock. The community at large is sorrow stricken on learning of Mr. Quigley's death as he was a very highly respected citizen and held in high esteem by all who had acquaintance with him as a neighbor or in business. What makes the event particularly sad to the bereaved family is that the death of a son occurred only two short weeks ago. There are left to mourn a widow and three sons.
