Red Shield Club Facilities Enjoyed By All Services

Even in such seemingly prosaic territory as the Maritime Provinces the Canadian Active Army finds ways of pioneering. With them, naturally, must go the staffs of the Auxiliary Services and an item of interesting news comes to hand regarding the work of the Salvation Army in New Brunswick. The fair city of Fredericton does not seem much like the place of pioneers, yet during the past month or so a new special Employment Unit began operating in the woods of New Brunswick near that city. As the Unit was a new venture there was little in the way of facilities for the Auxiliary Services to operate a canteen so many miles from town. A mobile canteen was therefore placed at the men's disposal. Sports equipment and games were taken out to them and the men were more pleased when it was made possible for them to be shown a moving picture out there 'in the wilds'. One Sergeant remarked: 'It didn't take the Salvation Army long to hunt us up!'

A number of boys have recently returned from overseas and are at various Depots, pending their attachments or discharges and many of them remark about the excellent service the Army in Britain had given to them. One officer returning said that the Salvation Army is doing just as good work this time as they did the last war.

The Servicemen's Hostel in Moncton, New Brunswick, has found the past few weeks particularly busy ones. A large number of men have been entertained and cared for, including a group of Staff Sergeants and Sergeants returning from Overseas to act as instructors in Canada. Many, if not all, of these comrades had enjoyed the facilities of the Red Shield Club in London, England, and were more than pleased to find another Red Shield Club in Moncton N.B.

These comments are merely confirmation of the reports sent from Overseas regarding the various activities going on among the Canadians there. The Salvation Army is at work in the various zones and hospitals as well as convalescent homes. Week-end tours are organized and every effort made to assist Canadian boys during their leaves. All the usual activities continue in the different Divisions, Holding Units, Corps troops, Forestry Corps, etc.

Recently another 50 beds were added to the famous Red Shield Club, extra equipment was installed in the kitchen, and the main dining room greatly enlarged. In addition to which, elsewhere in London, a restaurant has been secured and turned into a Snack Bar, Information Bureau, and Recreation Centre, filling a long felt need in the heart of London.

CAR FERRY SCHEDULE

In order that an extra trip of the car ferry can be made between Borden and Cape Tormentine, during the midday, to expedite the movement of freight, the regular week-day schedule is being deviated from and the following is the temporary revised schedule of the S. S. Prince Edward Island:

FROM BORDEN	FROM CAPE TORMENTINE
Lv. 9.05 A. M.	Lv. 10.30 A. M.
Lv. 11.40 A. M.	Lv. 1.15 P. M.
Lv. 2.00 P. M.	Lv. 3.05 P. M.
Lv. 4.30 P.M.	Lv. 5.45 P.M.
Lv. 7.00 P.M.	Lv. 8.15 P.M.

It will be noted that the change is leaving Tormentine at 10.30 P.M. and again at 1.15 p.m. instead of 11.00 a.m. and from Borden at 11.40 and 2.00 p.m. instead of 1.00 p.m. with earlier departure of the other trips commencing with departure from Borden at 4.30 p.m. instead of 4.45 as previously.

With a very small number of automobiles travelling, it is felt only a few, if any, may be inconvenienced by this temporary change in schedule but which will materially facilitate the handling of freight traffic from the Island of which there is a large movement taking place at the present time.
