The doors are also all of stained oak.

**SERIOUS FIRE.**—A very serious fire occurred about three o'clock Saturday morning when the beautiful and commodious residence owned and occupied by Mr. John Weeks, situated near the Fredericton Station, was completely destroyed by fire, caused from a defective flue. The loss is estimated at about \$3,000, partly covered by insurance. The loss, however, is very serious and cannot be replaced as everything upstairs and in the kitchen, the gatherings of a lifetime, have been swept away. Mr. Weeks will have the sympathy of all in his loss.

**A FATAL ACCIDENT.**—Miss Jessie Bruce, employed with Messrs. Moore & McLeod, City, received the sad news yesterday of the death of her one-year-old brother, Alva, Sunday at his home in Kingsboro in King's County. The little chap, as far as can be learned, accompanied his older brother to the woods near his home on Saturday to cut lumber. While doing this a large branch from a tree fell striking young Bruce on the head. He was rendered unconscious by the blow and was taken to his home where he lingered until Sunday. Deceased was the son of Mr. and Mrs. John Bruce, of Kingsboro, and besides his parents there were three others left to mourn. Much sympathy is felt for Alva and their sudden bereavement. Miss Jessie Bruce left for her home yesterday afternoon.

**ANNUAL MEETING OF ST. JAMES CHURCH**

It was resolved to spend five or six hundred dollars on repairs to the house. Mr. H. V. Buntain was elected trustee in place of the late Mr. George E. Auld; and Messrs W. K. Rogers, W. A. Stewart, John McInnis and James Tait, Jun., were re-elected trustees for the ensuing two years. Colonel Moore ably presided, and Mr. Arthur Thompson efficiently acted as secretary of the meeting. The following is the financial statement:—

**GERMANS LEVY FINE OF \$2,500,000 ON CITY OF COURTRAIL**

**WASHINGTON, Jan. 18.**—The Belgian legation here issued the following statement to-night:—

"According to a cable received by the Belgian legation to-day, the city of Courtrai (Belgium), has been fined ten million marks (about \$2,500,000) by Germany, not for disobedience, but for obeying the orders of German commanders. The circumstances are as follows:—

"Two German officers, Commander Maxeman and Commandant Pschors, arrived at Courtrai and ordered the municipal authorities to have all arms deposited in the Tower of Broel, under threat of a heavy penalty. In compliance with these instructions all arms were deposited in the place named. Then there arrived a new German commander, Commandant Von Kneesebeck, who goes to the Tower of Broel, sees the arms in the place where the other German commanders had ordered them put, and fines the city of Courtrai ten million marks, under pretext that it is a clandestine deposit of arms, in spite of the fact that the order of depositors to place the arms in the Tower of Broel, was well known to everybody and were even placarded on the walls of Courtrai."

**SPECIAL TRAINS.**—The special train with the mails from Cape Traverse arrived in Charlottetown yesterday at 12:45 p.m. and returned at 8:45 p.m. The special train from Georgetown arrived here at 2 o'clock in the afternoon and left on return last evening at 8:45 o'clock.

**BISHOP'S PALACE.**—The plastering of the annex to the Bishop's Palace was finished last week. The workmen are now engaged on the interior woodwork finish, and the painters are also busy at work. It is expected the whole building will be completed next month.

**TO JAIL.**—William McDonald, King Street, was yesterday confined to the Queen's County Jail to serve a three months' sentence for a breach of the Prohibition Law. John Sherry, for drunkenness, was also sent to jail for twenty days.

**WRITING AWARDS.**—The following pupils of the principal's department, Prince Street School, have been awarded final certificates for excellence in writing by the A. M. Palmer, M. G. N. W. writing, Hilda James, Margaret O'Neill, and Lillian Harris. Addie Worth, Jean Henderson, Annie Dammarell, Mary Saunders, Orwest Toombs, Dorothy Winchester.

**MARRIED.**—At Sherman Square Hotel, New York City, by the Rev. Daniel McDonald, formerly of Point Prim, Prince Edward Island, Miss Della McRae, of Point Prim, P. E. I., to W. H. Mylring, M. D., of Cincinnati, Ohio. After a short stay in New York the young couple left for their future home in Charlottetown. The Guardian joins in congratulations.

**THE MAILS.**—The six ice-boats under Capt. Allan, brought over to Cape Traverse yesterday 52 bags of assorted mail. Sixty-four bags containing par mail exclusively were left behind and will be cleaned up by the boats to-day in crossing. To-day's mail has been ordered to Picton to be taken over by the Stanley, so that by this evening all the mail to date will, in all probability, be resumed. A special train will be at both Georgetown and Cape Traverse to take the mails to the city, and it is expected the mails will arrive about 1 p.m.

**GRATIFYING RESPONSE.**—It is gratifying to learn that the appeal on behalf of the Y. M. C. A. of Charlottetown, made in a recent letter to "The Guardian" by Mr. W. S. Louson, is meeting with an encouraging response. Several amounts have already been received by Mr. H. C. Cross, Secretary, from the principal patrons in Charlottetown and parts of the county. A gentleman in Boston has just written to Cross stating that, following the suggestion contained in Mr. Louson's letter to the Guardian, he has pleasure in making a small subscription to the Y. M. C. A. The fact that a subscription, however small, has been received from somewhere outside the province is evidence that interest is being taken in the institution.

**ST. PAUL'S CHURCH.**—The annual meeting of St. Paul's Church was held in St. Paul's Church last evening at 7:30. The meeting was opened by prayer by the rector, Rev. T. W. Murphy, who presided. The finances of the church were shown to be in a very satisfactory state, there being a balance of \$116 in the general maintenance fund. The missionary giving during the past year had increased 50 per cent, and every department of the church line evidences marked progress. The year just ended has been the most satisfactory during the previous rector's regime. The Vestry for 1915 will consist of Messrs. Archibald Irwin, G. DeBlis, Chas. Cummings, Percy Pope, E. Bell, Harry Miller, Harry Winchester and H. Lowe.

**POSSIBLE POTATO MARKET.**—Mr. Harrison Watson, one of Canada's leading Commissioners in England, has written the Department of Agriculture to say that it is possible there may be a market in Great Britain for Canadian potatoes. He interviewed one of the principal dealers, Mr. Jos. S. Daniels, Spitalfields Market, London. Mr. Daniels stated that the market was fairly well supplied at the present time, but that there was likely to be an opening for Canadian potatoes in the future, and he expressed a desire to communicate with shippers prepared to export potatoes to this market. The present price of potatoes is 85s. per ton of 2,240 lbs. It might be well for shippers in this province to communicate either with Mr. Harrison Watson at his office, 73 Basinghall St., London, E.C., or direct with Mr. Daniels.

**HORSE NOTES.**—The programme for the next races, may include a "farmers race" or "green" race, with parties with eligible horses should take note of this. The secretary of the C. D. C. is having ribbon badges, bearing the name of the club, made, and these will be distributed to the members. New members are joining the Association every day and it is thought that the membership will be about 100 before the spring. An inter-city meeting between Summerside and Charlottetown is one of the probabilities of the future.—Those who saw the 220 class yesterday say they would have gone miles to witness a similar race.—Mr. W. F. H. Montgomery certainly had a bargain when he bought Alfred K. last fall. He has since been offered double the purchase price for Alfred, but he intends to keep him.—Caperscotts, driven by Fred Cameron, made a splendid showing in yesterday's races. He is a young trotter,

practically green, and should develop into a very fast trotter.

**THE PRINCE EDWARD.**—The elaborate picture "Home, Sweet Home" as proved an immense success at the Prince Edward and yesterday great crowds swarmed the theatre to witness this stupendous production. It is a life drama, in memory of John Howard Payne, author of the beloved and widely appealing song, and shows how "Home Sweet Home" brought about racial moments into many lives, has been the purifying and regenerating aspiration for those about to yield themselves to evil or despair. The picture of the Prince Edward appreciates very much the action of the management in bringing to Charlottetown his most excellent photoplay. The seventh episode of "The Trey O' Hearts" was shown and ably sustained the great interest manifested in the popular and excellent serial. It will be shown again at the shows to-day and should not be missed as it is one of the most entertaining of the series. A scenic picture depicting scenes of ancient ruins in Egypt was instructive and enjoyable. "Whipple's Light Out" was comedy from start to finish. The two splendid features and one reel feature will make up the programme along with "The Trey O' Hearts." A feature of yesterday's bill was the excellent rendition of that beautiful Scotch song "Mary of Argyle" by Mr. Huskins.

**SUPREME COURT.**—On Feb. 1st the case will come up for further consideration of H. Winchester and others versus the Dominion Trust Co. A bill has been filed in Chancery for the appointment of a new trustee in the case of certain mortgages made to the Dominion Trust Co. in Prince Edward Island. The complainants contend that the moneys were trust moneys advanced to the Company under certain certificates issued by the company declaring that the moneys were held in trust for the benefit of the holders of these certificates. They also contend that the moneys were not assets of the Dominion Trust Company and were not covered by the winding up order made by the British Columbia courts. The Company made application to the court to set aside or stay the proceedings because the complainants had not applied to the court or leave to commence the proceedings. The complainants contend that his was not necessary as the moneys were trust moneys and did not go to the liquidators as assets of the company and in any event the application to set aside the proceedings should have been made to the court in British Columbia ordering the winding up of the company. The case came up on Saturday before the Vice-Chancellor, Mr. Justice Fitzgerald, and was referred to Feb. 1, when it will be taken up again. Counsel Messrs Gaudet and Johnston for the complainants, and Mr. Aeneas McDonald for the defendants.

**PEOPLE'S THEATRE.**—A Broncho west feature "The Wharf Rats," was the headline of the People's Theatre last night. It was an interesting story of a widow and her two sons. Ed, the younger, is a member of the gang known as the Wharf Rats. His brother Jim tries in vain to obtain employment, and both mother and son wonder how they are to make a living. The gang is finally rounded up and the elder brother to save the younger confesses that it is he the police are looking for. He however escapes and leaves the country. Later he receives word his mother is dying and he "reaches" his way home on a freight, reaching home too late to see his mother alive, but finds in her hand a letter from the erring son stating he is leading a better life and hopes both she and his brother forgive him. There is a touch of pathos throughout and some thrilling work by detectives and police. "Our Mutual Girl" came in for a large amount of favourable comment and in this reel is seen the lost jewels being recovered by Dunbar. The Cleek Detective Series, "The Mystery of the Padelers Tint," was a fine story and interesting throughout. It was indeed a mystery. A roaring comedy finished off a fine photo-play programme which was put on without a break or unnecessary delay of any description. In the first show "The Mill-holar Mystery" was shown, as advertised, and was full of thrills throughout both reels. Mr. Dave Parks rendered an excellent vocal performance, which, needless to state, was much appreciated.

**TURKEY CLIMBS DOWN.**  
BRITISH CONSUL FREED.

LONDON, Jan. 18.—Special despatches from Rome to-day say that Turkey has agreed to the demands of Italy in connection with the Hodelia incident. According to these advices, Turkey has ordered the release of the British Vice-Consul, Richardson, who was arrested in the Italian Consulate at Hodelia and has promised to punish the soldiers who broke into the Italian legation as well as to salute the Italian flag when it is again hoisted over the building.

Investigation of the circumstances attending the invasion of the Italian Consulate is still in progress, and the incident will remain open until this inquiry has been completed. In view of the concessions Turkey is reported to have made, however, satisfactory adjustment is expected.

A despatch from Rome, however, says that there are many indications that Italy's entrance into the war is accepted as a foregone conclusion in some quarters.

Large numbers of Germans and trians have left Rome within the past few days, and many others are ready to leave at any moment. The exodus is said to be due to advices received from 'home authorities.'

**A KARLSRUHE OFFICER RUNS BRITISH COLLIER.**

SAN JUAN, Porto Rico, Jan. 18.—The former British collier Farn, which now flies the German flag, arrived here today in command of a Lieutenant of the German cruiser Karlsruhe. Her crew consisted of fourteen Germans and twenty-two Channamen. The Farn was in distress, and put into San Juan for provisions. The customs and immigration authorities have cabled Washington for instructions. The Farn sailed from Barry, Wales, last September with a cargo of coal for Montevideo. She was captured in the Atlantic by the Karlsruhe in October and her crew transferred to the steamer "Credek," which took them to the Canary Islands.
