An opportune time to buy Hewson Pure Wool Textiles 7 p.c. Pref'd Stock

It is a well established fact that the most opportune time to buy the securities of a re-organized company is at the beginning, before the purposes for which the additional capital was raised have been accomplished.

A number of new buildings are shortly to be erected and plant installed by Hewson Pure Wool Textiles. The part which will be in operation by July 1st will increase the output of cloth by 50 per cent. Needless to state, this will add very materially to the earnings of the Company. A number of important changes have been made which will add to the efficiency and earning power of the plant.

In view of the fact that the Preferred Stock has been placed upon a dividend paying basis, (the first dividend having been declared and being payable April 1st) purchasers will be securing a good yield on their investment from the start and will also have the advantage of buying before the additional plant and improvements have made themselves felt, and this stock has made any decided advance in price as a result. We offer a block of these shares with a substantial bonus of common stock, in lots to suit purchasers. Price and other particulars upon application.

HOLD THOU ME UP

Hold Thou me up when'er the way Make me to feel that Thou art all-prevailing—
And clouds hang darkly in the sky above;
When wild misgivings come to me unbidden—
O, Father, hold me closely in Thy love.

Hold Thou me up under each new temptation,
Lest I should fall beneath its subtle power,
Thou, who are ever near, be my salvation,
My rock, my fortress, in the trying hour.

Hold Thou me up when my weak heart is failing
Before the troubles of the way I take,

That Thou wilt succour me for Jesus' sake.

Hold Thou me up, O Lord my God, whenever
The flowers of pleasure spring around my days
And let no fancied joy my spirit sever
From Thee, who gavest me Thy love always.

Hold Thou me up till I in death am sleeping—
Till I am far from danger, safe and free
In that fair land where, in Thy gracious keeping,
I rest for evermore at home with Thee.

In this, also, holistic preparations should be carefully shunned and such pre-digested nourishment as Scott's Emulsion which enriches the blood and creates vitality by building, healing and strengthening, should be selected.

Scott's Emulsion is scientifically prepared and is good for teething babies, nursing mothers, growing children, the aged and infirm. It contains no wine or stimulant, but is wholesome and pure and has helped millions to regain health and sustain it. Worthless substitutes are sometimes offered, but Scott's Emulsion is the genuine pure food-medicine.

THE MARCH ROD AND GUN.

An Experience Off the Coast of Newfoundland: Hunting the Hair Seal" opens the March issue of Rod and Gun in Canada, published by W. J. Taylor Limited, Woodstock, Ont., and the interest of this article, a criterion of the interest of those that follow, which include articles descriptive of outdoor life from the Atlantic to the Pacific. Among these is the first of a series of articles on the Culture of Black and Silver Foxes, which should prove of value to the many seeking practical information on this subject. A new feature this month is the creation of a Game Conservation Department edited by Frank Hyde, wherein matters pertaining to the subject of game conservation will be freely discussed. As this subject is one that is to be for some time to come, or until the improved laws for which good sportsmen are agitating have been enacted, this department should prove of exceptional interest.

Tortured For Nearly Two Years

Mrs Poulin Found Relief in Dodd's Kidney Pills.

Rheumatism, Backache, and Head-aches Were Her Portion. But Now She is a New Woman.

McCREARY, Man., Mar. 25—(Special)—"Four boxes of Dodd's Kidney Pills made a new person of me." The speaker is Mrs. Oliver Poulin, of this place, and her numerous friends here fully verify her statement.

"For nearly two years," Mrs. Poulin continues, "I was afflicted with rheumatism, my back and head also ached. My eyes were puffed and swollen. I am sixty three years of age, and you can see I was a pretty sick woman. But Dodd's Kidney Pills cured me."

Mrs. Poulin is only one of many who have had a similar experience. They were weak and run-down, and sick all over. Dodd's Kidney Pills cured them. How? Simply by curing the kidneys. The diseased kidneys were the cause of all the trouble. They were failing to strain the impurities out of the blood, and result was disease all over the body. Dodd's Kidney Pills cured the kidneys, the impurities were strained out of the blood. The result was pure blood and good health all over the body. The cause of the disease had been removed.

IT WAS STONE IN THE BLADDER

GIR PILLS PASSED IT

"Five years ago, I was taken down with what the doctors called Inflammation of the Bladder—intense pains in the back and loins, and difficulty in urinating, and the attacks, which became more frequent, amounted to unbearable agony. I became so weak that I could not walk across the floor. My wife read in the papers about GIR PILLS and sent for a box. From the very first, I felt that GIR PILLS were doing me good. The pain was relieved at once, and the attacks were less frequent.

In six weeks, the Stone in the Bladder came away. When I recall how I suffered and how now I am healthy and able to work, I cannot express myself strongly enough when I speak of what GIR PILLS have done for me". JOHN HERMAN, Hamilton, Ont.
