HEALTHIEST ONE IN THE FAMILY

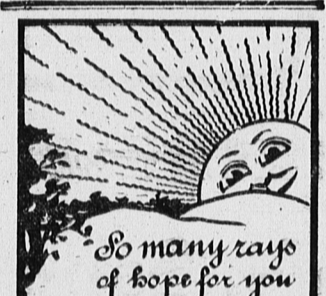

No Sign Of Dropsy And Kidney Trouble Since Taking "FRUIT-A-TIVES"

HATTIE WARREN
Port Robinson, Ont., July 8th, 1915.

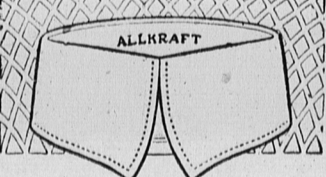

"We have used 'Fruit-a-tives' in our house for over three years and have always found them a good medicine. Our little girl, Hattie, was troubled with Kidney Disease. The Doctor said she was threatened with Dropsy. Her limbs and body were all swollen and we began to think she could not live. Finally, we decided to try 'Fruit-a-tives'. She began to show improvement after we had given her a few tablets. In a short time, the swelling had all gone down and her flesh began to look more natural. Now she is the healthiest one in the family and has no signs of the old ailment. We can not say too much for 'Fruit-a-tives' and would never be without them."

WEDDING BELLS—On Wednesday evening, August 8th the marriage of Mr. William E. McCallum and Miss Marion L. Judson was solemnized at the home of the bride's parents, Alexandra, P.E.I. The ceremony was performed by Rev. H. Pierce, on the lawn under an arch of ferns and sweet peas, in the presence of a number of friends and relatives of the bride and groom. The double ring service was used. The bride looked lovely in a gown of white satin with bridal veil and orange blossoms, and carried a shower bouquet of white flowers and maiden hair fern. She was unattended except by her little niece, Helen Judson, who acted as flower girl and looked very sweet and pretty in a dress of pink silk. The presents included many useful and costly articles among them a Bible and substantial check from the bride's father. The happy couple intend to make their future home in Southport, P.E.I.

DANN-DOUGLAS—The Prince Albert, Sask., Herald of August 1st says: A very pretty and fashionable wedding was solemnized today at 11 o'clock at St. Paul's Church by the Rev. J. W. McIntosh, when the marriage of Miss Irene Douglas of this city and Arnold M. Dann, organist of Grace Methodist church, Winnipeg and formerly of Prince Albert, took place. Mr. and Mrs. Dann are well known in the city and both have been very prominent in musical and social circles. The service at the church was attended by a large number of friends. The hymns, The Voice that Breathed O'er Eden was rendered by the choir and congregation, and Mrs. J. W. Dann, the groom's sister-in-law, rendered "Because" during the signing of the register. The church was tastefully decorated with flowers and chains of smilax. Miss Hahn played Mendelssohn's Wedding March as the bridal party left the church. An elegant wedding breakfast was served at the home of the bride's mother, which was attended by intimate friends of the family. Mr. and Mrs. Dann left on the noon train for Winnipeg, where they will make their new home. Many of their friends were at the station and gave them an enthusiastic send-off. The bride is a daughter of the late Dr. A. E. Douglas of Hunter River.

In These War Times you want real food that contains the greatest amount of body-building material at lowest cost. The whole wheat grain is all food. **Shredded Wheat Biscuit** is the whole wheat in a digestible form. Two or three of these little loaves of baked whole wheat with milk and a little fruit make a nourishing, strengthening meal.

After the wedding ceremony, the bridal party drove to the home of the bride, where a sumptuous dinner was prepared for about sixty invited guests.

AMERICAN FOX CO.—A new fox company has been started at Lomax, Ill., with a capital of \$150,000. Several influential men in Ulica are about to organize a company and build a fox ranch near that city. They expect to secure their foxes from P. E. Island ranches, and obtain the best "quality foxes." Some of the foxes will be ranched on the island for the first year, but a number will be placed in the new ranch early in October.

A number of telegrams were received in the City yesterday showing that other members of No. 8 Siege Battery suffered from the attack of gas on July 30th.

Gr. Edison Sterns, son of Mr. E. D. Sterns, Charlottetown, is among the number. A telegram to this effect was received yesterday.

Mrs. Agnes V. Procter, 213 Prince Street also received a telegram yesterday notifying her that her son, Gunner Roy Procter had been gassed and had been admitted to the 7th General Hospital, Letreport.

Mr. John Bell, 35 Edward Street, also received word that his son, Act. Bombardier Joseph J. Bell had been gassed.

It is to be hoped that good news concerning these and the other boys who have been temporarily knocked out will soon be received.

Nursing Sister Miss Georgie Pope the efficient and popular matron of the Military Hospital, Halifax, who has been spending some weeks in Charlottetown her native city, is about to take her departure for overseas. The Halifax Mail pays her this well-deserved tribute:

"The news that Sister Pope, Matron of the Station Hospital, Cogswell street, has just received notification of her appointment to overseas duty, will be received with interest and gratification, but also with regret, for in her present position she has been genuinely beloved and signally efficient. Sister Pope is a graduate of the first training school for nurses to be opened on this side of the Atlantic, Bellevue Hospital, New York. Throughout her professional life she has taken a deep interest in all relating to her profession and especially in organization looking to the raising of the standard of efficiency, such as the National and Provincial Associations of Graduate Nurses. She is a highly valued member of the Nova Scotia Graduate Nurses Association, an organization which is annually becoming a more important factor in weeding out of the ranks all whose qualifications are second rate.

Sister Pope served with distinction during the South African War, receiving the coveted Royal Red Cross in recognition of that service. Those familiar with her past record recognize in her appointment, to overseas duty a signally wise and happy one. Personally charming, at once strong, capable and gentle, she has, as matron at the Station Hospital, commanded respect and real regard in equal measure."

The Recorder says: Sister Pope of the Military Hospital has received her sailing orders, to report in London to Sister MacDonald for overseas service, with the prospect of being shortly sent to France. Her many Halifax friends congratulate her very heartily upon this achievement of the desire of her heart ever since the outbreak of the war, and wish her every success, and a safe return.

FUNERAL—The remains of the late Mrs. Stanislaus McWade of this city were laid to rest in the Roman Catholic cemetery Sunday afternoon. Gillan, M. Smith, R. Duncan, B. McGuigan and D. Dowling.

TUESDAY
"FRIDAY'S GALE"—The terrific gale of Friday night the 9th left a number of trees blown down in New London. For sometime the following day the public roads were blocked in many places by these large trees.

"FRIDAY'S GALE"—The heavy gale that visited this section on Friday night was the worst seen here for many years. Several small boats broke their moorings, drifted ashore and were badly damaged. A few barns in this neighborhood are reported to have been blown down. Several sections of the fence around the Exhibition grounds, were laid low. No reports of damage to shipping, has as yet come to hand.—H.

ADDRESS AND PRESENTATION—Prior to leaving South Melville for their new home in Millview, about seventy friends and neighbors of Mr. and Mrs. James Villett and family gave them a surprise by gathering at their home on Wednesday evening July 25th to show their respect, and regret of their leaving the community. After Miss Grace Dunsford had read the address, the presentation of a purse of twenty-seven dollars was made by Miss Janetta Cameron. Mr. and Mrs. Villett, although taken entirely by surprise, warmly thanked their friends for their kind words and generous gift.

EXCELLENT NUMBER OF THE BUSY EAST—The Yarmouth number of the Busy East which is just off the press is a particularly creditable issue. The cover is very attractive, being all gray and containing a four color reproduction of the "The Blue Boat" one of the Bertina DesClay's well-known paintings. The number contains nearly sixty half tone illustrations, and much interesting and valuable information concerning the town of Yarmouth. This number should be in the hands of everyone interested in the advancement and progress of Yarmouth and western Nova Scotia. The Busy East is striving to preach the gospel of Maritime co-operation which in the years to
