

DOWN THE BACK STRETCH

The well known Maritime trainer Billy Hood has accepted a position with Chris O'Donnell, whose home and farm—whom has a race track on it—is situated about four miles from Foxboro track.

Steamboat 2:15, sold recently by Fred Lahey, Dartmouth, to Bob Ryan, Houlton, Maine, did not take long showing the potatoes that he could pace with the best they had.

Rolie Wood, noted speed purveyor, combines business with pleasure. On his recent trip to the Inter-Provincial ice races at Halifax he sold the good trotter Guy Harvester 2:25, by Simcoe Harvester 2:04.

The latest issue of The Harness Horse has a good write-up of Lusty Prince 2:07 1/2, now owned by Robert J. Ryan, Houlton, Me., and predicts that Lusty, if given opportunity, will sire some real speed.

We are glad to see our friend Horace Willis back in the game and this time he has the good pacer Starlight Direct, which arrived a few evenings ago from

Gagetown, N.B. Starlight Direct was purchased by H. W. S. Allingham, Gagetown, last winter. He is a brown gelding by James R. Braden. Starting without a record he won three races, a heat in another race and placed in three other events, winning \$1,004, making him eligible to the 2:24 pace.

We have just received a letter from Thane Belyea with summaries of races held March 1st at Gagetown and you will note that Starlight Direct paced a quarter in 29 seconds. Class A: Starlight Direct (Allingham) 1-1; Prince Direct Jr. (Bridges) 2-2; time, 29.30. Class B: Colonel Sherbrooke (McKinney) 1-1; Scotty McKane (Scott) 2-2; time, 29 1/2, 29 1/2. Class C: Golden Starlight (Queen) 1-1; Texas Dawn (Bridges) 2-2; time, 30.30. Class D: Star Fingo (Coghlin) 2-1-1; Omar Lee (Akerley) 1-2-2; Miss High Admiral (Cameron) 3-3-dr. Time, 32, 31 1/2, 31 1/2.

The many friends of Jim Pendergast, Kensington, learned with regret of a severe accident he suffered last week when he fell, breaking his hip. Jim is now confined to hospital in Moncton. It is something new for Prince Edward Island's outstanding athlete—boxer, wrestler and all-round performer who mushed to the Yukon in the bonanza days of the gold rush, to be laid up for repairs.

Our friend Dick Hegon, New York, sends us an item that will be pleasing to Maritimers. It is taken from a New York paper: "The Universal Driver rating system used with such success at Roosevelt Raceway and Saratoga in 1948, might become the official system of the Grand Circuit, Elton Emerson informs us. Taking into consideration only men who race at five or more Grand Circuit meetings an unofficial tabulation shows Joe O'Brien, the Canadian whiz, was the best of them all by a good margin with a percentage of .561. Tom Berry was next with .458. Joe raced in 126 heats, Tom 83, and Ralph Baldwin, who was third with .373, took part in 134 dashes.

The dispersal sale of the horses of the late W. J. Hyatt took place at Pinehurst stable, London, Ontario, and resulted in sensational prices being paid. Top of the list was Sam Hy, a four-year-old by Bob Lee, dam, Volle Lee by Lee Harvester. Sam Hy took a record of 2:07 as a three-year-old over a half-mile track and won 15 heats last season and is eligible to the 2:18 class. There was keen bidding but he was finally knocked down for \$10,500 to Wesley Litt of Branford, Ont. Next highest price was paid for Sam Hy's dam, Volle Lee—\$2,500 by H. B. Birmingham, Houlton, Maine. Miss Billy Direct sold for \$1,650 and was the third highest priced. A three-year-old, Margaret Hy by Bob Lee, dam, Margaret Grattan 4th, sold for \$1,575. Curiously enough the 13-year-old stallion Bob Lee 2:02 1/2 that has demonstrated his ability as a sire in no uncertain manner and whose get sold freely over the \$1000 mark, went for only \$1,150. The purchaser was Leo Charlesworth, Sarnia, Ont., who also purchased the dam of Sam Hy and several others in the consignment. Mr. Charlesworth will be remembered as the owner of the stallion Peter Henley 2:03 1/2, that sired many notable race horses while standing at his farm. The three-year-old Friday Hy 2, 2:14 2/5, by Bob Lee, appeared to be a bargain at \$1,600. He went to the bid of J. C. Neely, Detroit, Mich. Glancing over the 38 offerings we note many that would appear candidates for fast marks in the future. Several of these sold at comparatively low prices.

President Henry J. Knauft of the United States Trotting Association has appointed a committee of five directors who will conduct conferences with race secretaries, state racing commissioners, drivers and track owners on Saturday, March 12th, 1949, at the Hotel Stevens, Chicago. This will give an opportunity for interested parties to make suggestions as to what should or should not be done or what is being done at the present time that may be working a hardship on those involved. The regular annual meeting of the Association will be held on the three following days.

Glancing over the 38 offerings we note many that would appear candidates for fast marks in the future. Several of these sold at comparatively low prices.

This has been a most unfavorable season for the Inter-Maritime ice races, but despite the very stormy weather two meets were carried through at Halifax with the Halifax and Dartmouth stables

IN THE CORNER

Curling will hold the spotlight for the next week with the Dominion championship getting underway at Hamilton Monday and the Maritime Junior championship being played at Moncton on Wednesday and Thursday.

Island rinks will be participating in both events. At Hamilton W. R. Cruikshank will lead his Island champions against the pick of Dominion curlers, and mark the third time skip Cruikshank has performed in this annual classic. He has in all skipped five provincial championship rinks, but during the latter war years the Dominion event was cancelled.

Frank Acorn and Dr. Wen MacDonald will skip junior rinks in a battle for the Maritime crown which is to be held at the Moncton City Club next week. The Acorn rink are reigning Island champions with the MacDonald quartet being runners-up, and if they can come through with performances that equaled their recent games both should be in the thick of the fight for top honors. At stake is the Atlantic Wholesalers' Trophy.

The event is limited to curlers who did not more than eight years experience. It was inaugurated last year with the title going to Nova Scotia when totals of Halifax and Lunenburg rinks proved to be better than the two entries from each of the other Provinces. However, in the matter of victories the Acorn rink stood just as high as any other single entry.

Members of the Acorn rink are, Roy McCabe lead, W. R. MacNeill, 2nd stone, J. Squarebriggs, mate, F. Acorn skip. The members of the MacDonald rink are, L. Jay, lead, C. MacDonald, 2nd stone, J. A. Lundy, mate and Dr. Wen MacDonald, skip.

Baz (Montreal Daily Star) O'Mera opines that Joe Louis has formed a powerful alliance in his promotional venture. Jim Norris and Art Wirtz are big men in the ring, they have more money than Mike Jacobs for instance.

"The latter couldn't assure Louis anything that he couldn't earn with his fists. Norris and Wirtz can. They can use his name, can make him a matchmaker, a promoter, can look after the business details.

"Geared that way, Louis can hit into heavy profits for a long time provided he shows anything at all in a promotional way. He is a decided asset as undefeated champion. Had he gone on to meet up with inevitable defeat, he wouldn't have been worth much either to himself or anybody else.

"He would never have been as popular as Dempsey. He hasn't the knack for popularity of that type. He couldn't altogether rely on his prestige among colored people. Any could have little attraction for people of his own race. So it is much better this way.

"After all Louis deserves a break. He helped boxing, he played it clean, he played it straight. He met all comers, he lost once, he revenged himself, rose to greater stature than any champion who preceded him.

"He enlisted, did the allotted duty. He helped considerably in the war effort. When he fought against Walcott he was so ashamed of himself that he made sure there would be no repetition of that sorry showing.

"In his own way he elevated boxing, surely a sport that can stand plenty of elevation. He ran out of opponents, but he never ran away from one. He will get fine guidance in his new post. Norris and Wirtz are names to conjure with. They will protect him from parasites, from penny pushers, from making mistakes that would be inevitable were he on his own."

Nurses Hoop Team Wins From W.K.S.

The Prince Edward Island Hospital nurses basketball team last night defeated a W.K.S. girls team 25-17 at the Cundall Home. Showing too much power, the nurses led 14 to 4 at half time but West Kent did not give up hope and came roaring back. With C. Creelman leading the attack with 5 points, they out-scored the nurses 13 to 11 in the last half.

E. Gay, playing a brilliant game, led the scoring for the nurses with 8 points, with R. Millar running second with 6 points. Lineups and points scored: Nurses — Henry 5, Gay 8, Millar, 6, Lank 4, Gunn 2, Douglas 0, Linkletter 0, Total 25. W.K.S. — MacKenzie 4, Cameron 4, Giddings 0, Creelman 5, McEachern 4, McMillan 0, Dix 0, Total 17. Scorer — Elizabeth Lewis.

S. D. U. Battles Way To Finals In City League By 7-6 Win Over P. W. C.

Saint Dunstan's University battled their way into the final round of City Hockey League playoff competition by downing the P. W. C. Welshmen by a score of 7-6 in the second and final game of their semi-final, home and home, total goal series at the Forum last night to take the round by a 12-8 count. The Saints took the first game over the Welshmen last Tuesday night by a 5-2 victory.

It was a really rousing battle all the way through, with the Welshmen turning on the pressure in the first period to outscore their opponents in the early part of the frame and regain two of their three-goal deficit which they had to make up. But Deighan's tally in the last 55 seconds of the period on a passing attack with Mahar and Ledwell still left the Saints with a two-goal advantage at the end of the period. The P. W. C. boys really had the edge on the period play and missed some lovely scoring opportunities which could have easily put them on an even footing with saints by the end of the period. Blanchard got the night on a pass from Douglas and Ready getting the other on a nice solo effort. They only held the lead for a short while, however, when Bernard of Saints broke out on a scoring spree at 16:35 to bang in two goals in a little over a minute of play and reverse the standing, Mahar assisting on the first and M. McQuaid on the second. Ledwell followed it up two minutes later to further increase the Saints lead when he banged one in unassisted.

S. Carver cut the Saints lead down again at 1:16 of the final canto on a smart solo breakaway, but the Saints came back strong again to shoot two in a row before the 11-minute mark had been reached. Cart McDonald got both counters on assists from Rodgers and Houde.

The game continued on at its terrific pace for the remainder of the game, with the Welshmen really battling hard to cut down the Saints lead but only succeeded in getting one more tally when P. Jardine banged one in on a pass from Howatt, to lose out by one goal on the game and four on the round.

The winner of the Navy-Summer-side semi-final series, which gets underway here on Tuesday night, will meet the Saints in the final round in the best of three game series for the City Hockey League title.

The following are the lineups: S.D.U. — Goal, Strain; defence, Hennessey, Mahar, McAdam; forwards, Houde, Rodgers, McDonald, Ledwell, Farmer, Deighan, M. McQuaid, Bernard.

P.W.C. — Goal, Oudmore; defence, MacRae, D. Jardine, Dalziel, Ready, MacLeod; forwards, Beer, Blanchard, Douglas, Andrew, Downe, S. Carver, Brown, Howatt, P. Jardine, Richard.

Referees — Leith Jay and Allie Carver.

Table with 2 columns: Period, Score. First Period: 1-P.W.C., Blanchard 10:12; 2-P.W.C., Beer 18:17; 3-S.D.U., Deighan (Mahar, Ledwell) 19:45. Penalties — Ready, Mahar. Second Period: 4-S.D.U., Houde (Rodgers) 2:43; 5-P.W.C., Blanchard (Douglas) 4:25; 6-P.W.C., Ready 7:55; 7-S.D.U., Bernard (Mahar) 16:35; 8-S.D.U., Bernard (M. McQuaid) 17:57; 9-S.D.U., Ledwell 19:54. Penalties — Hennessey. Third Period: 10-P.W.C., S. Carver 1:16; 11-S.D.U., McDonald (Rodgers) 7:21; 12-S.D.U., McDonald (Houde) 11:00; 13-P.W.C., P. Jardine (Howatt) 15:55. Penalties — Dalziel.

Change Date For Junior Game To Monday Night

President Campbell of the Maritime Amateur Hockey Association notified local hockey officials here last night that the game between the Saint John Maroons and the P. W. C. Juniors in the first game of a home and home, total goal series for the N. E. P. E. I. Junior hockey championship will have to be played here on Monday night instead of Tuesday, and that the second game will be played the following night at Saint John. The change was made in order to get the Maritime Junior finals off on schedule.

Big Ice Sports Program at Victoria Tonight

A large program of speed-skating and hockey entertainment is scheduled for the Victoria rink tonight when the annual ice sports for Victoria and surrounding districts will be staged there.

In addition to a full program of speed-skating events, which promises to provide some very keen competition and expert skating, a special hockey feature will see the Victoria School pucksters cross sticks with the Charlottetown Bartram Abegweits in an exhibition encounter, while Mr. W. E. Scantlebury and his figure-skating troupe will put on a special skating act which should round off a very excellent evening of entertainment.

The event is one that has been looked forward to eagerly by fans in the Victoria district for some time and now that it is ready to take place a large crowd is expected to be on hand. Judging by the fine program which will be presented, they won't be disappointed and are slated for a thoroughly enjoyable time.

Saints Defeat "Y" Hoopsters

In an exhibition juvenile basketball encounter at the Y.M.C.A. gymnasium last night, the Saint Dunstan's University hoop squad swamped the Y.M.C.A. Juveniles by a score of 65-40.

The game was definitely in the Saints' favour all the way, with the winners piling up a 29-15 lead in the first half and outshooting the Y by a 36-25 count in the remaining half.

Reardon of Saints was the leading point-getter with a total of 22, while his teammate Murphy came second with 14 points, B. McAndrew of the Y running a close third with 13.

The following are the lineups and points: Saints: Reardon 22, Mullally 4, McDonald 3, McIsaac 8, Murphy 14, McKinnon 1, Driscoll 2, Dunphy 11. Total, 65. Y. M. C. A.: B. McAndrew 13, Coyne 11, MacMillan 1, J. McAndrew 3, Burgess 1, Hine 2, Cameron 3, Hurry 0, MacPherson 9. Total, 40.

Officials: Referee, E. Nicholson; scorer, Reg Doucette; timer, G. Young.

British Soccer Players Threaten To Go on Strike

LONDON, March 4 — (AP) — Players of Britain's 88 major soccer league clubs today threatened to go on strike.

Delegates to a meeting of their union in Manchester Monday will be asked to vote on whether to walk out in support of a pension scheme and a new form of contract.

The players union has been negotiating with the England Football League club bosses and the Football Association for months. The proposed new contract would make an athlete free to change clubs after a term of from one to three years.

Two years ago the union called a strike which was stopped by government intervention in the form of a national arbitration tribunal.

James Fay, secretary of the Players Union, said today the union has already applied to the Ministry of Labor to intervene in the current dispute.

Fay said delegates to Monday's meeting have been told that gate receipts of league football clubs last season totalled \$4,000,000 of which wages and taxes absorbed about \$2,000,000.

The union claims that much of the remainder went in buying players, including about \$120,000 to buy Scottish and Irish talent.

HUNTERS' CORNER

The squirrels must have gotten their wires crossed this winter. The storm last week-end was one of the worst on record. I find it difficult to remember any previous storm that started from scratch and blocked highways, etc like this one did. The nearest I can recall was one on the 16th of March, 1907. It sprung up suddenly and was of intense severity. It was on this night that a prominent resident of Southport was caught by this storm on his way home from Charlottetown and perished almost within a stone's throw of his farm buildings.

To date there have been no reports that the Huns or pheasants are in any difficulty. The wind blew with such velocity that many fields and ridges are bare of snow and the birds have no difficulty in securing food in the form of grass and weed seeds. Grit is also available in abundance. Another thing in the birds' favor is that they were in prime condition when the storm struck and they could go on short rations for 10 days or a couple of weeks without showing any signs of weakening if the weather remains mild. Furthermore the March sun is gaining in strength and exposed places will soon bare even if covered with 5 or 6 inches of snow. Huns will burrow like rats through a foot or more of snow if there is no icy crust.

While no adverse reports have been received on our upland game birds to date an S.O.S. has been received from Souris to the effect that a large flock of wild-geese at Rollo Bay are in difficulties. The geese are reported to number between 60 and 75 and are accompanied by a large flock of black ducks. A couple of days before the storm the geese and ducks were in a field within 50 yards of the main highway. On January 12th this columnist counted 51 wildgeese in Rollo Bay but on this date there was a lot of open water in the area. This flock has apparently been joined by other members of the goose family since that date.

Officials of Pheasants Unlimited were contacted upon receiving the request of assistance from Souris and they immediately authorized the purchase of 10 bushels of grain, either wheat or oats or both, in Souris. This information was relayed to the R. C. M. Police Detachment at Souris, from whom the call for assistance came in the first instance, and assurance was received that the geese and ducks would receive food as soon as it was possible to get shovelled out of the immense snow banks. The town of Souris is all buried in snow.

The trend of feeling among duck and goose hunters appears to have swung back to the list of October as the opening date for ducks. There are some who still favour the later opening date but it is the columnist's opinion that the majority hold that any opening date after October 1st does not suit conditions in this Province. There are various factors attributing to this change of opinion. Two years ago when the vote was taken the October 15th recommendation carried by a substantial (the duck shooting opened on the 16th in 1947 and on October 9th in 1948) majority.

Today many of those who favoured October 15th and all who were lukewarm regarding the change, although they did not vote against it, are back in the October 1st bracket. "Why the change of heart?" do I hear someone ask. Well in the first instance gunners found out from experience that in 1947 when the season opened on October 15th, their blue-wing teal and Ring-necked duck shooting. Both these species are plump, fine flavoured table birds and make a welcome addition to a hunters game bag. Then again they discovered that their kill on black ducks dropped off approx. 50%. This applies in the main to what are known as fresh water duck shooters.

Black ducks are inclined to vacate the fresh water lakes, ponds and dams after the middle of October and resort to the tidal rivers and marshes. I have heard old time duck hunters explain that the fresh water got too cold after the first October frosts and the ducks preferred the salt water which remained at a more even temperature.

Here is another factor that helped sway shooters back to October 1st as an opening date for ducks. All clear thinking sportsmen have now realized that it was a colossal mistake to have opened the Hungarian partridge season ahead of the ducks. They now are of the opinion that the opening dates on ducks and Huns should coincide and if upland game hunters insist on October 1st as an opening

W. A. Gordon Wins Title

(By The Canadian Press) FREDERICTON, March 4 — University of New Brunswick won the New Brunswick-Prince Edward Island Intercollegiate Hockey League championship tonight by edging St. Thomas University 6-5 and taking a two-game series 14-5. The local collegians will play the Nova Scotia winners for the Maritime Intercollegiate title.

Remember When

By The Canadian Press In the 16th annual hockey game between West Point Military Academy and Royal Military College at Kingston, Ont., 10 years ago today the United States defeated the Canadians. Previously the West Pointers had tied only one game to breach the R. M. C.'s string of victories.

Vics Win Juvenile Title In Overtime; Deciding Goal Causes Dispute

A goal which will be argued over for a long time wherever Summer-side hockey fans gather, sent the Charlottetown Vics into the Island juvenile championship at Crystal Rink last night after the game had gone through one 10-minute overtime session and the boys were playing sudden death hockey. The goal was vigorously disputed but both referees, Jackie Kane and Jack Schurman, ruled that the tally was legal. The argument centred over whether the goal was battled into the net by a Charlottetown player or caromed into the cage by a defending player's body.

Vics lost the game 6 to 3, but won the round 5 to 7.

Coyle opened the scoring in the first period with a long shot which eluded Delaney. L. Schurman tied it up on a beautiful solo effort and the home boys went ahead on the game when L. Schurman took a pass from Mooner Deighan and snapped one past Sheppard when he was in front of the net.

Paul Schurman made it 3 to 1 in the second frame, getting one past Sheppard on a long shot almost from centre ice. Chick Gallant scored the fourth tally for the homesters picking up a loose puck when McNinis had shot at the net and sending it in the rest of the way to flash the red light.

Biso, fast-skating Victorias forward, made it 4-2 in the third session, banging a pass out from behind the net into the cage. L. Schurman realized on a lateral shot to make the score 5 to 2 and Joey Schurman's beautiful solo tied the round about five minutes before end of regular play. Delaney was sensational in the delaying minutes of this frame when Charlottetown pressed relentlessly for the winning counter. Then came the break of the game in the sudden death season, Gallant scoring the goal that gave the Vics their victory.

1st Period 1-Vics, Coyle. 2-Sheen & McNinis, L. Schurman. 3-Sheen & McNinis, L. Schurman (Deighan). Penalties—None.

2nd Period 4-Sheen & McNinis, P. Schurman. 5-Sheen & McNinis, R. Gallant (McNinis). Penalties—Biso.

3rd Period 6-Vics, Biso (Gallant). 7-Sheen & McNinis, L. Schurman (Gay). 8-Sheen & McNinis, J. Schurman. Penalties—Biso, J. Schurman, Coyle, L. Schurman.

First Overtime Penalties—B. Gallant, Walter. Second Overtime 9-Vics, B. Gallant. Referee—J. Kane and J. Schurman.

S' Side Curling

Results of games played yesterday at the Summerside Curling Club: Art Clark 7, J. K. Curran 3, P. McRae 11, H. McFarlane 3, E. Estey 10, F. Folland 5, V. Gordon 9, E. P. Foley 5, B. Thompson 2, A. S. Hopkins 4, W. A. Gordon 6, E. Corney 6.

Murray Hbr. Wins League Title

The Murray Harbor Bruins won the Southern King's Hockey League (championship at Montague Rink last night) by downing the Montague Meteors 7-3 in the final game of their home and home total goal series, to take the round 13-6. The victory gives them the right to meet the Charlottetown Intermediate Aables in Island Intermediate Hockey League playoff competition at Murray Harbor on March 7th in the first of a home and home, total goal series.

The game was a fast, cleanly played affair, which was witnessed by some 500 fans, and although the Montague squad put up a good battle they lacked the defensive power to stave off the powerful forward attacks launched by Murray Harbor.

The referees in charge of the match were Ralph Beck of Montague and Art Perry of Charlottetown.

Johnston Rink Wins Competition At Montague

The Dr. L. A. Johnston rink won the P. G. McIntyre competition, held at the Montague Curling Rink. Runner-up was the rink skippered by R.W. Beck. Prizes were cases of strawberries to both rinks. "Play for the Tip Top Trophy is now underway and the schedule of matches follows: 7:00 P.M. Games: Keir Clark vs George MacIntyre, George Gordon vs Leroy White, L. L. MacGregor vs F. G. MacGregor. 9:00 P.M. Games: Dr. L. A. Johnston vs R. W. Beck, G. MacDonald vs W. R. Gilbert, Dr. L. A. Johnston vs H. L. MacGregor. 11:00 P.M. Games: Dr. L. A. Johnston vs R. W. Beck, H. L. MacGregor vs R. W. Beck, G. MacDonald vs W. R. Beck, G. Gordon vs W. R. Gilbert, Dr. L. A. Johnston vs F. G. MacGregor. 1:00 P.M. Games: Dr. L. A. Johnston vs R. W. Beck, H. L. MacGregor vs R. W. Beck, G. MacDonald vs W. R. Beck, G. Gordon vs W. R. Gilbert, Dr. L. A. Johnston vs F. G. MacGregor. 3:00 P.M. Games: Dr. L. A. Johnston vs R. W. Beck, H. L. MacGregor vs R. W. Beck, G. MacDonald vs W. R. Beck, G. Gordon vs W. R. Gilbert, Dr. L. A. Johnston vs F. G. MacGregor. 5:00 P.M. Games: Dr. L. A. Johnston vs R. W. Beck, H. L. MacGregor vs R. W. Beck, G. MacDonald vs W. R. Beck, G. Gordon vs W. R. Gilbert, Dr. L. A. Johnston vs F. G. MacGregor. 7:00 P.M. Games: Dr. L. A. Johnston vs R. W. Beck, H. L. MacGregor vs R. W. Beck, G. MacDonald vs W. R. Beck, G. Gordon vs W. R. Gilbert, Dr. L. A. Johnston vs F. G. MacGregor. 9:00 P.M. Games: Dr. L. A. Johnston vs R. W. Beck, H. L. MacGregor vs R. W. Beck, G. MacDonald vs W. R. Beck, G. Gordon vs W. R. Gilbert, Dr. L. A. Johnston vs F. G. MacGregor. 11:00 P.M. Games: Dr. L. A. Johnston vs R. W. Beck, H. L. MacGregor vs R. W. Beck, G. MacDonald vs W. R. Beck, G. Gordon vs W. R. Gilbert, Dr. L. A. Johnston vs F. G. MacGregor.
