How to Tell if Your Hair is Diseased

Even if you have a luxuriant head of hair, you may want to know whether it is in a healthy condition or not. 98 per cent. of the people need a hair tonic.

Pull a hair out of your head, if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want everyone whose hair requires treatment to try Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and cure baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes, 50c. and $1.00. Sold only at our store—The Rexall Store. MacKinnon Drug Co.

A Halifax Exchange, speaking of two ships well known here, says: The Trinidad which sailed from here this week, will not again visit here this season. She made all the trips scheduled and every time, with the exception of the last trip, the steamer had a full passenger list. The cabmen, shopkeepers and others profited considerably from the arrivals of this steamer, as passengers had opportunities going to and coming from Prince Edward Island and Quebec to take in the sights of the city. The A. W. Perry and the Halifax have, as usual, brought many tourists and visitors to Halifax. Next year, with a new boat, this route is certain to be more popular than ever. The hotel keepers in spite of the big tourist traffic, have not had a big share of the profits derived from their presence. Most of the passengers were round trippers and few remained for any length of time ashore. In years gone by this class of tourists was the exception, not the sule, now the reverse is the case. A reversion to the old order of things would be appreciated by the hotel keepers.

A letter received from J. M. Aitken, Manager of the Royal Bank at Lethbridge, Alta, gives details of the death of the late Neil Anderson, formerly accountant in the branch at Charlottetown. Mr Anderson contracted typhoid fever three weeks before his death. He was then at Magrath having opened a branch there as Manager, some weeks before. He was taken to the Galt Hospital at Lethbridge, where he received the best medical skill available and the best possible attention. He appeared to be doing nicely but a few days before his death he had hemorrhages. He rallied again and with his splendid constitution was making a gallant fight, when he was seized with another hemorrhage. Then he gradually grew weaker and on Tuesday the fifth, at eleven o'clock, a. m., he passed away. In accordance with a request cabled from his home in Scotland, the remains were interred at Lethbridge, the funeral being conducted under Masonic auspices. Mr. Aitken says, although a short time in that locality, Mr Anderson had made many friends and his death was very deeply deplored by all.

The annual meeting of the Pastime Club of this City was held in the League of the Cross Hall. After disposing of a certain amount of routine business the election of officers was proceeded with. This resulted in the selection of Wilfred Doucett as president, Ernest Trainor as secretary and Ernest McCarey for treasurer. The Club had a decidedly successful year, during which the annual camp was an outstanding feature, passing off with entire satisfaction to all. The institution of a dancing class this autumn is another factor serving to mark the season of 1911 as one of progress in the history of the Pastime Club. The future outlook is bright and promising.
