The 25 Year Old Cough Cure

For a quarter of a century, "SPRUCINE" has been curing Coughs and Colds. It is one of the good old fashioned remedies that modern science cannot improve.

"SPRUCINE"

takes away the soreness in the throat — heals the bronchial tubes and lungs—and cures the cough to stay cured.

If you have "just caught cold"—or if you have a cough that nothing seems to help—get a bottle of "SPRUCINE"—and cure yourself. 25c a bottle — at all druggists.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000. The Guardian's daily circulation is therefore is 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believe unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and Provinces.

St. John has a population of 40,000 and the Province of New Brunswick 320,000 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000 or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario bout 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this that The Guardia covers the field of its circulation three and a half times as well, if compared with population of the city, and over thr e times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite Journal's endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province.

Gained Both in Strength and Weight

Another case that proves the merit of

Ferrozone,

"I was in poor health nearly all last winter," writes Mrs. Cross of Wakefield, Ont. "My appetite was variable, I was weak and unfit for work. I suffered a good deal from nervous prostration and palpitation of the heart. My digestion was generally out of order. By springtime I had lost flesh, color and had a bad cough. The doctor didn't help me very much, so I decided to try Ferrozone. It did me ever so much good in one week. I gained strength, looked and felt a lot better. When I had used six boxes of Ferrozone I weighed myself and found a gain of fifteen pounds. Ferrozone rebuilt my constitution, and made me a new woman. I considered Ferrozone worth its weight in gold to every weak woman. It cures quickly and save big doctors' bills. (MRS.) R. GROSS."

No tonic so certain, so helpful, so safe; try Ferrozone yourself—50c per box at all dealers.

Farm For Sale

The Executors of the will of the late George Clark offer for sale the homestead farm situate at Clarktown, Lot 37 This farm contains over 200 acres of apland and a large marsh. Will be sold at a bargain to wind up the estate. Apply to the Executors, S. C. Clark and Kimble Coffin Mt. Stewart or W. Leitch, Charlottetown. 8-2

PIMPLES

ALTHOUGH, NOT A DANGEROUS DISEASE, ARE A VERY TROUBLESOME AND UNSIGHTLY AFFLICTION . . .

They are caused by either poverty or impurity of the blood and require the prompt use of a good blood medicine such as Burdock Blood Bitters, for their eradication, which it speedily accomplishes, at the same time strengthening the entire system. Pimples also often arise from dyspepsia and constipation, and in these cases Burdock Blood Bitters has the double effect of removing the pimples together with their cause.

Mr. D. P. Sammon, Osceola, Ont., writes: "I was troubled with pimples all over my face and hands. I paid out money to doctors but they could do me no good. A friend convinced me to try Burdock Blood Bitters, and after using two bottles the pimples vanished, and I have not been troubled with them since."

Burdock Blood Bitters may be procured at all Druggists and Dealers.
