## Charlottetown Tennis Club Reviews Successful Year; Officers Are Re-elected

Mr. G. F. Hutchison was re-elected president of the Charlottetown Lawn Tennis Club at the annual meeting last night.

Other officers were:—  
Honorary President, Hon. T. A. Campbell.  
Vice President, Miss Marie Mutch.  
Secretary-Treasurer, A. W. Matheson.

Members of executive: J. A. Bentley, Miss Lillian Duchemin, Malcolm MacKinnon, F. G. Kelly, J. A. Rodd, Ken Franklin, Dr. E. S. Giddings, Miss Olive Johnston and J. E. Sterns.

Committee chairmen, (re-elected): Grounds, J. A. Bentley; Tea, Miss Lillian Duchemin; Membership, Malcolm MacKinnon; Tournament, F. G. Kelly; Entertainment, J. A. Rodd; Auditor, Ken Franklin.

With the exception of Dr. E. S. Giddings who was elected to the executive to fill a vacancy, the officers were re-elected.

In the course of a short address President Hutchison referred to the very successful tournaments held last season mentioning particularly the open Island tournament which as in former years was an outstanding success. It was a source of great satisfaction to the members to see so many young players coming up, the president said.

The open tournament was a great asset to tennis in Prince Edward Island. It afforded an opportunity to see the best players of Canada and of playing with or against them. It was only through seeing such men that the standard of playing here could be improved. Mr. Hutchison declared. In conclusion he urged larger numbers of Island players to attend mainland tournaments.

The financial position of the Club had shown improvement during the past year the report of secretary-treasurer A. W. Matheson showed.

The following committee chairmen also gave reports: Mr. J. A. Bentley, grounds; Miss Lillian Duchemin, tea; Mr. Malcolm MacKinnon, membership; Mr. J. A. Rodd, entertainment.

Membership last year was 81. Mr. MacKinnon said. He forecast an increased membership this season. Last year there were 40 ladies and 41 gentlemen paid up members.

Opening tennis tea for the season was held on June 6 Miss Duchemin, convener of the tea committee reported. From that date tea was served to members of the Club on each Saturday and holiday until September 19 a total of 19 teas.

The Club house would be renovated and enlarged the meeting decided after discussion. Approval was given to a proposal that \$171 in the building fund be paid into the ordinary fund of the club earmarked for the purpose of renovating the club house.

The building fund had been started several years ago when it was proposed to erect a new club house at an estimated cost of \$1000. Mr. J. E. Sterns declared last night that he did not believe the Club

## Abbies Win Junior Tilt From Rangers

Shooting four goals in the middle session and notching two additional counters in the final minute and a half of the game after their opponents had crept up to within one goal of a tying marker, Junior Abbeys last night defeated the Rangers 6-3 in a game that marked the last meeting of the team's this season.

With nothing at stake and both teams minus several regulars, the game produced little of the action contests between these squads usually furnish. After a scoreless first period the winners jumped into a three goal lead in the first six minutes of the second and from this point on the game lived up to consideration.

After Rangers had drawn the score to 4-3 in the first 14 minutes of the final session it appeared they might eke out a win but the two quick Abbeys goals put the game far beyond reach.

## Rangers Detroit - Bound Confident Of Winning Series Three Straight

NEW YORK, April 7—As confident a band of athletes as ever went to the hockey was followed by Lester Patrick on to a Detroit-bound train here tonight, intent on winding up the Stanley Cup series in three games.

New York Rangers had every reason to be sure of themselves as they set out for the nest of the Red Wings, for a team never looked hotter than the Blueshirts did in swamping the Motor City crew 5-1 in the cup-final opener here last night. It was the first straight triumph for the Patrick puckmen in the title playoffs and their rallying cry was "seven straight or bust."

There were no serious player-injuries to wrinkle the Patrick brow. Ott Heller wore a square inch of adhesive tape on the centre of his cranium, covering a cut opened when he was clipped by the stick of team-mate Lynn Patrick during a scrimmage last night. Big Joe Cooper had a long bruise on his side, memento of a jarring check into the boards. Otherwise, there wasn't a scratch in the carload of happy hockey-men.

By way of explaining the transformation of a Ranger team that was hot and cold during the regular season into one that has torn through the playoffs like a juggernaut, Frankie Boucher said that in all his years under the big top it was the first time he had ever seen a team clicking at top form from the goal mouth out.

## Calgary Scene Of Allan Cup Play Tonight

CALGARY, April 7—North Battleford Beavers, Western Canada senior hockey champions, will ice a squad with an attack among the most potent ever produced in the West when they meet Sudbury Tigers, eastern representatives, here tomorrow night in the first game of the best-of-five Allan Cup finals.

In comparison with Sudbury's all-star cast plucked from widely separated parts of the Dominion, the North Battleford outfit is composed of players who learned their hockey in Saskatchewan. Five of the players hail from Moose Jaw. Almost every man is a stand-out in his position.

The finely-tempered first-string line of Burke-Duchak-Shillington who finished one-two-three in the Northern Saskatchewan League scoring lists continued their fine work in the playoffs.

The heavy defence features Vic Myles, a fast rusher, playmaker and puck clearer, and Walter McIntyre, a great blocker and bruising body-checker.

Description of goalie Ken Davis' play as "sensational" is not an exaggeration.

Coach Reg Stuart, who brought Halifax Wolverines to the top of amateur hockey with an Allan Cup championship in 1934-35, has moulded another team of championship calibre in Sudbury Tigers.

Known as Froot Mines in the Northern Ontario Hockey Association, the team went through the season with only one defeat, and in subsequent playoffs they have won all but one game. Most of the wins have been by substantial margins.

Don Grosso, powerful forward, is the sharpshooter of the squad, but there is strength in every department. Goalie Teno is one of the best in the country.

Stuart has two former Wolverines on his roster, Frank Lavigne and Frank Graham, but it is hardly likely Lavigne will see action. An injury he suffered in the series with Toronto Dominions has kept him on the sidelines.

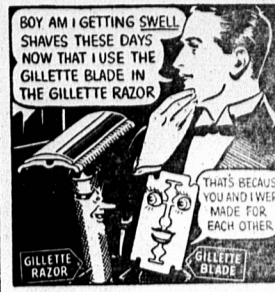

## Glasgow Rangers Capture Scottish Football Title

GLASGOW, April 7—Glasgow Rangers were returned Scottish Football League champions today for the 23rd time since the organization was formed in 1891. The light blues made certain of the honor by defeating Hamilton Academicals 5-1 on the latter's ground while Clyde and Aberdeen struggled 90 minutes to a scoreless draw.

Today's victory brought Rangers' point total to 59, seven more than the Aberdonians. The teams have two more games to play. The Dons led for the greater part of the season but faltered in recent games while Rangers, released from cup worries when defeated in the first round of the competition, plunged ahead with smashing victories.

Aberdeen meets Celtic in the final for the cup at Hampden Park, April 24. The Celts will probably finish in third place in the league race behind the Dons. Yesterday they fell 4-2 before Third Lanark and are now four points in arrears with three games to run off before the schedule ends.

In another first division game Queens Park and Albion Rovers drew 3-3.

## "Span" Noted Writer On Sports Dies

(C.P. by Guardian's Special Wire)  
MONTREAL, April 7—Fringed with dust, a faded fedora hangs in the sports department of the Montreal Star, to be worn no more.

For death has effaced from the dim sports picture of another era the familiar figure of "Mr. Span", whose proper name of Peter Spanjaard was unknown to many through all the years he served as sports editor of the Star and the Standard.

A lingering illness claimed the life of Span in his bachelor apartment here today, and brought to a close a colorful newspaper career of more than a half-century.

From Amsterdam, Holland, where Span was born Jan. 9, 1866, he came to Canada as a youth, hardy able to speak English. But he mastered the language, along with French, and joined the editorial staff of the Montreal Star.

Through the succeeding years Span became known as one of the best sports authorities in Canada, and in his later years, he was one of the oldest. His name seldom appeared in the paper. Stories of the long ago were told in the Standard under the name of "Old Timer." But he was known everywhere they talked of or wrote of sport.

## Billiards

The first round of the championship billiard tournament being conducted by the Sunnyside Billiard Parlors was finished on Tuesday evening and the following players emerged victorious.

W. Pneau, J. Williams, W. Phillips, H. Redmond, C. McKenna, R. Bevan, S. Ryan and A. Minard's Liniment removes stains.

## Golf Favorites Advance In Tournament

PINEHURST, N. C., April 7—(AP)—The defending champion, the medalist and all the favorites got their men in the first round of match play today in the north and south amateur golf tournament.

George Dunlap, Jr., who won his fifth championship last year, had trouble off the tee but eliminated Robert Lowry of Shamokin, Pa., 4 and 3.

James T. Hunter, middle-aged medalist from North Adams, Mass., achieved in a breeze over L. Rittman, Fayetteville, N.C., 6 and 5.

## Dunstaffnage Team Wins Rural Title

The Dunstaffnage hockey team, tramping six miles over muddy roads and then playing an entire game with but six players last night, captured the rural championship of the Island when they sent the Cross Roads Bulldogs down to a smashing 6-1 defeat in the sudden death game played at the Forum.

After a scoreless first period Dunstaffnage jumped to the front to stay in the middle canto as they pumped three goals into the Cross Roads cage and then wound up a fine evening's work by slamming three more tallies home in the wrap-up session while the losers were notching their orphan tally.

The game was fast and rugged throughout with the winners showing a distinct edge over their hard-working rivals. Dunstaffnage deserves worlds of credit for their showing last night not only on their victory but in overcoming what would appear to many to be unsurmountable odds. It takes courage and stamina of the highest order—for six players to walk seven miles for a game of hockey and when they finally do arrive play sixty minutes of hard hockey.

L. WaReIn led the scorers with three goals to his credit while G. Wakelin had two and E. Wakelin one which summed up made it a Wakelin night in the scoring. Balderson, fast defenceman for the Bull Dogs scored Cross Road's only tally.

## Novel Match Is Mooted

What should be a very interesting close hockey match is being mooted for Friday night when an All-Star senior team comprised of Island League players and boys who have been performing away from home this season meet an All-Star Junior team.

Should the game come off, and it is expected it will, the game would be a real test for the Juniors as the seniors would be picked from such well known performers as Stull, Kane, Clarence Steele, Williams, Storey, "Snag" Squarebriggs, Walter Lawlor, McInnis, Cudmore, Whalen, Carmichael and Mathieson.

## Final Skate At Forum Tonight

Peterson in view of the many upsets which occurred in this round the followers of the game are wondering what will happen in the next round of the tournament.

The result of the draw is as follows:  
C. McKenna plays W. Pneau.  
R. Bevan plays H. Redmond.  
W. Phillips plays J. Williams.  
A. Peterson plays S. Ryan.

The first match in the above series will take place this evening.

## Sea Gulls Win Exhibition Hoop Game

Overcoming a two-point deficit in the second half the youthful M. C. A. Sea Gulls basketball team last night captured an exhibition encounter from the P. W. C. five by a 32-26 count.

Close all the way with the losers hanging on to a slim margin until the last ten minutes the game was interesting to watch and furnished some smart playing. The Collegians led 18-16 in the first half but the winners spurt in the second could not be denied as they doubled the score on their opponent's in the final twenty minutes outscoring P. W. C. 16 to 8.

Lineups and scores:  
P. W. C.—Stewart 2, Johnson 2, Cullen 10, Leightizer, Christie 6, Brown, McKinnon, Larter 6-26.  
Gulls—Godkin 8, Harper 11, Partridge 2, Henry 8, Beer 5, Glover 3-32.

Referees: Young and Summer-ville.
