A medical writer says—"The use of a thoroughly reliable preparation of cocoa should be universally encouraged, and it is the consensus of opinion among medical men as well as laboratory workers that the breakfast cocoa manufactured by Walter Baker & Co. Ltd., not only meets the indications, but accomplishes even more than is claimed for it."

Offices in Summerside, J. Frank Lafferty, Manager and in Alberton, Herbert Clark, Manager

—The latest news, first of all.
—A. F. McCarthy, Alberton, has returned from a trip to the mainland.
—Court Minnewawa, I. O. F. Bedeque, meets this evening. Election of officers and mock parliament.
—Leonard Fall, Edmonton, Alta., arrived on Thursday evening on a visit to his home in Summerside.
—Harold Ferguson, arrived on Thursday evening last from Calgary, Alberta, for a short visit to his home in Summerside.
—The Stanley left Summerside yesterday morning at seven o'clock, arriving at Cape Tormentine at eight forty, and after discharging her cargo, left on return at one p. m. arriving in Summerside at two twenty five.
—A writ has been issued for the election of an assemblyman in the Second District of Prince to fill the vacancy occasioned by the acceptance of the recently elected member, Hon. John Richards, of the portfolio of Commissioner of Agriculture. The election will be held on Thursday, Jan. 7th. Nomination on Dec. 31.—Farmer.
—The merchants and citizens of Summerside were loud in their complaints of the fast and furious driving by owners of speedy horses on Water Street yesterday afternoon. At times it was not safe for people to cross the street. It is up to the police at once to put a stop to this dangerous work especially at this time of the year, when so many people are on the street.
—Mrs. Thomas McCauld of Ellerslie met with a serious accident on Monday last. While going from the house to the barn she slipped on a patch of ice falling backwards and striking her head with great force rendering her unconscious for several hours. It was first feared that she would not survive but later reports say she is improving and good hopes are entertained for her recovery.
—John McDonald, S.S.D., has, among many other heavy draft horses in his stables five city horses, three were purchased from the fire department of Charlottetown and two from the town of Summerside. The last mentioned two are not easily equalled in any country. They are perfectly matched, each having three white feet and white stripes on face, both dark brown and each weighing about fifteen hundred pounds. The great essential quality in a team of any kind of horses especially in draft horses, is the temperament. In this respect they are very much alike.—Farmer.
—The Bedeque Methodist Reading Circle held under the auspices of the W. M. S. met Tuesday evening at the home of Mrs. H. E. Vickerson. Mrs. A. T. Wright was leader for the evening and gave an account of the first auxiliary meeting held in Bedeque. Papers on "The Effects of Polygamy on the Home Life" by Mrs. Davison "On Superstitions existing among Mohammedans" by Mrs. G. A. Bowness and a reading by Miss Ethel Hill "Child Widows in India," were given. A feature of the evenings entertainment was the appearance of two ladies in Hindu dress. One spoke of the Hindu's first hearing of Christ and the other answered questions pertaining to Hindu life.

Two Attractive Investments
For the most Conservative Investors

The aim of all conservative investors is safety—safety of their principal. A safe investment is the first consideration.

At the present time there are in position to offer two investments that measure fully up to this standard. The principal is amply secured and the yield 5 per cent in both cases, a liberal consideration for the safety of the principal.

They are Town of Gloucester 5 per cent. Debentures and St. John Railway Co. 5 per cent. Bonds.

We shall be pleased to send full particulars of either or both to those interested.

Do You Ever Write A Letter?

Probably you do, but what kind of Stationery do you use?

The kind that we sell is unusually distinctive and individual, and seems to bear with its message an air of the sender's personality. No stationery store can compare with us in showing up at as low prices.

Then too, a box of Stationery makes a very acceptable Christmas present.
