Lachute, Que. 25th. 1918. Minard's Liniment Co. Limited. Gentlemen—Ever since coming home from the Boer war I have been bothered with running fever sores on my legs. I tried many ointments and liniments; also doctoring continually for the blood, but got no permanent relief, till last winter when my mother got me a bottle of MINARD'S LINIMENT. The effect of which was almost magical. After two bottles the sores completely disappeared and I have worked very working day since.

Yours gratefully,
JOHN WALSH.

JUST A GIRL
BY JANE PHELPS
KENNETH LAWRENCE.
Chapter 131
I did not tell either Mother or Mary of Mr. Claxton's proposal. I knew they would both favor him, and there was Kenneth. A wife had told me the train upon which he would arrive, and that he would be with us as soon as possible. Mother looked at me sharply when the message came.
"He seems to be sure of his welcome," she remarked rather dryly. To her he was one of the least known, and the least desirable of all the young men who used to call at our home. Then she told me that I had heard nothing from him in the intervening years, and so rather wondered at his sudden friendliness—as she called it. In my heart I called it something else—love!
My respect for what I considered Kenneth Lawrence's peculiar capabilities had grown by the thoughts I fed upon. I had made him head and shoulders above the other young men who idled away their time, while he was running a big ranch. I had taken him as seriously as I had been obliged to take myself. Naturally, I also took his visit to have a serious import.
It was on Saturday night he had wired he would reach Chicago. I was delighted because I would have all day Sunday with him—and there would be much to talk about, much to explain. He knew nothing at all of us, save that we had lost Dad. Probably he had learned that we had lost our money, but I knew he would not imagine for a moment that we had lost it all, or that I had been obliged to go to work.
Mother and I were sitting in our little living room when the telephone rang.
"Hello—is this Miss Stewart?"
"Yes."
"This is Kenneth Lawrence. I am telephoning from the hotel. I will be with you as soon as I freshen up a little. Say half an hour."
My voice trembled as I said I would be very glad to see him.
"I judge it is Mr. Lawrence," Mother remarked, looking up from her book.
"Yes, he will be here in half an hour."
"I ordered some things so you could give him a little supper if you wish," her hospitable nature

Now a few words from a later letter. "I have used D. D. D. as directed, and my leg is completely well." "Why not be convinced and try this remedy today for any form of skin disease? INTERESTING ANNOUNCEMENT
Messrs W. B. Prowse and D. A. MacKinnon proprietors of the Vimy Fox Ranch near Charlottetown, P. E. I. are prepared to sell a limited number of foxes and ranch them for parties if they so desire.
The Vimy Fox Ranch was established in the fall of 1919 and has 39 pairs of foxes of 2-1-2 to the pair. This we think will compare favorably with any ranch in the province having strictly 1919 pups.
The policy of the management was to select 1's very best foxes that money could buy and feed the very best food. Results have justified this course. The number of pairs can be ranched will be limited to fifteen so parties who desire to take advantage of this should speak early.

Fresh Herring
To Relieve Catarrh, Catarrhal Deafness And Head Noises
Persons suffering from catarrhal deafness, or who are growing hard of hearing and have head noises will be glad to know that this distressing ailment can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who could scarcely hear such an extent that they could not hear had their hearing restored to such an extent that they could hear. Persons who are troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:
Secure 1/2 ounce druggist 1 oz. Parmitin (Double Strength). Take this home and add to it 1/2 pint of hot water and a little granulated sugar, stir until dissolved. Take one tablespoonful four times a day.
Parmitin is used in this way not only to reduce by its action the inflammation of the middle ear, but to equalize the air pressure on the secretions in the middle ear, and the results it gives are nearly always quick and effective.
Every person who has catarrh in any form, or distressing rumbling, ringing sounds in their ears, should give this recipe a trial.

INTERESTING ANNOUNCEMENT
Messrs W. B. Prowse and D. A. MacKinnon proprietors of the Vimy Fox Ranch near Charlottetown, P. E. I. are prepared to sell a limited number of foxes and ranch them for parties if they so desire.
The Vimy Fox Ranch was established in the fall of 1919 and has 39 pairs of foxes of 2-1-2 to the pair. This we think will compare favorably with any ranch in the province having strictly 1919 pups.
The policy of the management was to select 1's very best foxes that money could buy and feed the very best food. Results have justified this course. The number of pairs can be ranched will be limited to fifteen so parties who desire to take advantage of this should speak early.
