HOW TO CURE TOOTHACHE

Any aching tooth can be relieved instantly with Nerville. Fill the cavity with batting dipped in Nerville and rub the gums with Nerville also. If the face is swollen and sore bathe the painful parts with Nerville and cover with a flannel. This can't fail because Nerville kills the pain outright and prevents it from returning. Stronger, quicker, more satisfactory than any other liniment, Polson's Nerville has been the largest seller for nearly fifty years, try it yourself.

DISEASE AT GLACE BAY

SYDNEY, April 11.—A case of cerebro spinal meningitis has been discovered at New Aberdeen, Glace Bay. The patient is a young girl. There have been several cases of it in that locality within the past few years, but it was not found to be infectious. The health officer does not anticipate an epidemic.
