"DUSTBANE"

A powdered compound which prevents dust from rising while sweeping. It brightens floors and restores carpets to original colors by removing all the dirt and dust.

Dust-injured merchandise means dollars and cents lost

"Dustbane" means a saving.

School-room dust is unhealthy. It spreads disease and its effect is far reaching. "DUSTBANE" solves the whole problem. It's a dust killer.

SANITARY POINTS

Sickness and Disease are often contracted by breathing into the lungs germ-laden dust. Dustbane contains an antiseptic fluid which kills germs. The evaporation of this fluid while sweeping thoroughly disinfects the room. "An ounce of prevention is worth a pound of cure."

We are selling large quantities.

BORN BLIND, SHE SEES AFTER 23 YEARS

ANN ARBOR, Mich., Nov. 14—Born blind, Miss Lottie Sheldon, of Mount Pleasant, Mich., twenty-three years old, has been made to see. This is the result of months of treatment and a delicate operation which was performed yesterday at the Homeopathic Hospital here.

When a babe the physicians told the girl's parents that she was suffering from congenital cataracts and that she would never be able to see. Because of her affliction she has been able to perform only the roughest and crudest kinds of work and for many years, day after day, she has scrubbed floors and done other housework.

At times her week's savings would not total more than fifty cents, but every penny was hoarded, and at last she had enough money to enter the hospital, and the time for the operation arrived.

When this was completed she was led to a window and given her first sight of the world. It was no more than a glimpse before the bandages, which she will be forced to wear for several weeks, were applied, but that glimpse amply repaid her for the years of darkness and suffering. She will try to provide treatment for a little brother, who has also been blind from birth.

North Wiltshire, C. O. F., and the residents of North Wiltshire, to Daniel Cummings, Recording Secretary of Court North Wiltshire, No. 906, Canadian Order of Foresters. "It is with united feelings of pleasure and regret that we have learned of your immediate departure from amongst us. While we rejoice in your promotion to more important duties, in your chosen avocation, we exceedingly regret that it necessitates your removal from this community. As a citizen we have found you ever ready to undertake your share of the responsibility resting upon us in the performance of our duties, and when funds were required a most generous contributor. As a member of our Court since the organization in 1901, you have been punctual in attendance, a faithful and efficient officer, and cheerfully performed all duties assigned to you. We are proud of your advancement and we are pleased that though removed some distance from us, you will still hold connection with our Court, and no doubt will be present at many of our meetings. You have by your kindly disposition and genial manner won the regard of all your acquaintances. As a remembrance of your associates in North Wiltshire, we entreat you to accept this small token of our esteem, with our best wishes, for your continued success in your new field. Signed in behalf of the Residents of North Wiltshire:—G. Egerton B. Balderston, D. J. McLean, Elmer Clow, Murdoch McLean, John McLean, Geo. A. Godfrey, Ewen Campbell, Louis McPherson, Frank Mitchell, Malcolm Matheson, John A. Murchison, Fred Kitson, and of Court North Wiltshire: Edwin Edwards, Edlison Easter, Aquila Bowman, D. A. McDonald, Dougald McPherson, Daniel MacLean, Frederick Younker.

Why BROWN'S College Coats are best

In the first place we wouldn't sell you a coat that we couldn't positively and assuredly warrant to be up-to-the-minute in style accuracy. In the second place we studied this problem months ahead and selected carefully and conscientiously every style and pattern—investigating the style tendencies of the great metropolitan fashion centres, and in the third place we had the styles and patterns congregated with all the necessary information to manufacture them for our approval. Its only one strong reason why you should purchase your "College Coat" from an exclusive gent's furnisher—one who knows what you want.

You can pick one of our coats from the masses—it has character—it has a distinctly superior cut and shape. If you want to wear a coat worth while see ours at

\$12.00 to \$27.00.
