Zam-Buk as a cure for Piles.

Impressive Cures of Women Sufferers. Our Readers should note these cases.

Wherever there is suffering from piles, Zam-Buk should be applied! There are lots of reasons for this, but one of the best is that in practically all cases of piles where the use of Zam-Buk is prevented with complete cure—not mere relief—is the result.

Mrs. Wm. Hughes, of 253, Hochelaga Street, Hochelaga, Montreal, says:—"I suffered from blind, itching and protruding piles for years. Sometimes they were so bad that I could hardly bear to move about. The inflammation, the burning smarting pain, the throbbing, the aching, the overpowering feelings of dullness and dark despair which this ailment brings, the shooting spasms of agony—all were so terrible that only sufferers from this awful ailment can understand!"

Bad as this case was, Zam-Buk triumphed, and Mrs. Hughes suffered no longer. It needed a little perseverance and Zam-Buk certainly did it in the end it cured!

Mrs. E. Boxall, of Scott Street, St. Thomas, says:—"For months without cessation I endured great pain from bleeding piles. For as many months I tried everything which I thought would give me ease, but in the end, dispirited and still suffering, I gave in."

Then it was she heard of Zam-Buk and she adds:—"Although I feared Zam-Buk would be like the ordinary remedies—useless—I am glad it was not. It soon proved itself to be very different. It rapidly gave me relief, and after a time cured me completely. I would like to let all sufferers from piles know what a grand thing Zam-Buk is."

So one could go on quoting case after case, and it is by working such cures that Zam-Buk has earned for itself its great reputation.

Now if you suffer from this terribly painful ailment just be guided by the foregoing cases!

For internal piles melt a little Zam-Buk and thoroughly soak a wad made of clean but old linen. Then apply to the part. If the piles are external, application of Zam-Buk is still more simple. Do it upon retiring. Next morning you will be well satisfied!

Zam-Buk is a cure also for cold sores, and chapped cracked hands, ulcers, festering sores, blood poisoning, eczema, bad leg, ring-worm, scalds, sores, burns, scalds, and all skin diseases and injuries.

All druggists and stores sell Zam-Buk at 50c. a box, or may be obtained free from Zam-Buk Co., Toronto, for price 3 boxes for \$1.27. You are warned, however, against cheap and dangerous imitations, sometimes offered as being "just as good."

THE MOTHER'S LETTER.

Dear Foy: Last year at Christmas time, also the year before, you wrote you were busy to come home, as of yore. I bore it patiently enough—you didn't know, I cried. Each time almost as hard as when your father died. But this year, as the day draws near, it seems I can't forego the joy of having you at home—you mustn't tell me "No." I'm not so strong, some way my boy, I'm haunted with a dream. Of days when he was with me—I can see the freight gleam Upon his rugged, tired-out form when he came home at night. And warned himself and rested by the fireplace brave and bright; I see our kitchen table as we ate our evening meal—No single toyhead missing; then the homely feelings steal Right back into my heart—they'll all be here but you, and so That's why I write to tell you that you mustn't tell me "No." You used to—in the golden days—when you were at my knee—asp, "Mavver, sister's helpin'—ain't you dot a job for me?" To here's your job, my grown-up child—it seems a little task. But, ah, if you could know how dear is this I ask—That the man who's still "my babe" to me would let his business go. And eat his Christmas dinner with his mother—is it "No?"

CHEAP LIGHTING AND LARGE EARNING POWER

THE Ottawa Electric Company sells electric current at 8c per kilowatt hour. Low as that is, the net earnings amount to \$140,000. Their sales could have dropped 1,258,750 kilowatts and still have satisfied all interest charges on every outstanding bond and mortgage. But Ottawa is growing all the time—using more current every day.

Strong equity behind the issue and a 5 per cent. interest rate are features of the Ottawa Electric First and Refunding Mortgage Gold Bonds.

Three denominations, \$100, \$500 and \$1,000. 98 and interest.
