SIR HENRY'S APPRECIATION. The following letter speaks for itself:—Brunswick Hotel, Moncton, N. B., December 17, 1922, Harry Brown, Esq. Victoria Hotel, Charlottetown, P. E. I., Dear Mr. Brown:—I was a guest of the Moncton Board of Trade last night at a Banquet to Sir Henry Thornton and Family. After the Banquet I had a conversation with Sir Henry and Major G. A. Bell. Deputy Minister and I was particularly gratified to receive from them very complimentary references of the Luncheon given to them in Charlottetown, especially mentioning the palatable flavor of the lobster and chicken and the quick and orderly way in which it was put on. They left with a decidedly good impression of the island and I take this opportunity of conveying to you my appreciation of the part you took in making the Luncheon such a success. The only thing I regret is that I was not able to be present. Yours Truly, (Signed) John E. Sinclair.

THE ROGERS HARDWARE Co Ltd are having the largest sale in their history of practical, useful and sensible gifts. 21-21

PLOUGHED THROUGH ICE. The icebreaker Montcalm made another trip yesterday as far as the harbor and back. Ice conditions were found about the same. There was a north westerly wind blowing, driving the ice in towards the harbor.

MAIL DELAYED.—The mail train from Borden was delayed several hours last night, arriving in Charlottetown at 10.30. The car ferry left the mainland at 6.05 p. m. and took one hour and twenty-five minutes to make the trip owing to the heavy ice encountered. The railroad track, east of Mount Stewart and on the Georgetown branch was heavy with drift snow.

WEATHER MODERATING.—At 9 o'clock last night the official thermometer at the meteorological station registered zero. Indications are that the cold snap is considerably abating, as at 4 o'clock yesterday afternoon it was 4 below zero and at 8 a.m. yesterday it was 8 below. Only a light wind was recorded last night.

HOCKEY. The Ahnegwelts had another fast work-out at the Arena Rink last evening, all the players were going at top speed and are getting into fine shape for the first game. More combination and team-work is in evidence and this is a strong point for any team going out to win.

Billiard Tournament. Last night at Lambros Bros. Billiard Parlors, the first game in the finals was played between Wm. Phillips and Wm. Nicholson. Last night's game was one of the most interesting games yet played, and a large number of interested fans lined the walls to witness the contest which went the three games, either player having much on the other. Nicholson secured a good lead on his opponent in the early stages of each game. Phillips always coming back strong and fighting to the last shot.

Phillips had the largest break that of 39 points, while Nicholson came close with 36 points. Many hard and difficult shots were made by each player, and brought forth loud applause from the spectators.

In the first game Nicholson won out by 13 points after a close contest all the way. In the second game, Nicholson again went into the lead, holding it up to the end. Phillips came along strong and made a nice run of 39 points, leading his opponent. In the next break Nicholson went to 198, missing his last shot by a close margin setting Phillips up, who in his next run won the game by 2 points.

After a few minutes rest, they took up the third game, Phillips on the break, Nicholson making 17 on his first break went into the lead and continually kept drawing away from his opponent until 50 points separated the players.

Phillips then took things in hand and by some nice runs and keeping his opponent at difficult shots, worked his way to within a few points.

With Phillips wanting 8 points and Nicholson only five the excitement was great, Nicholson, however got the break that netted him the needed five points, and the game was all over but the shouting and Nicholson was the winner by 8 points.

The next game will be between Wm. Nicholson and Frank Nicholson which, which ever the winner, the beautiful cup donated by the Lambros Bros will decorate the Nicholson home.
