DR. A. W. CHASE AT WORK ON HIS LAST GREAT REMEDY.

DOCTORS FAIL WHEN THE GREAT PHYSICIAN CURES.

THREE YEARS IN BED

From Kidney Disease—Although a Man of Three-Score and Ten, Dr. Chase's Kidney-Liver Pills Gave Him Back Perfect Health.

This is to certify that I was sick in bed the most of the time for three years with kidney disease. I took several boxes of pills—different kinds—and a great many other kinds of patent medicines; besides that I was under treatment by four different doctors during the time and not able to work. I began to take Dr. Chase's Kidney-Liver Pills, and since that time have been working every day although a man nearly 70 years of age. Dr. Chase's Kidney-Liver Pills have cured me.

JAMES SIMPSON,
Newcomb Mills, Ont.

If the Kidneys are not in a perfectly clean and healthy condition, the blood becomes impregnated with impurities and a decay of the Kidneys soon takes place. Bright's Disease, Diabetes, Gravel, Stone in the Bladder, Inflammation of the Bladder, and a long list of Kidney diseases become seated, and sooner or later in so many instances end fatally. Dr. Chase's Kidney-Liver Pills cure all Kidney troubles. Sold by all dealers, price 25 cents per box.

PRINCE EDWARD ISLAND

And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, free alike from chilling fogs and excessive heat. The many bays and winding estuaries, together with the dark and bright green foliage, and the rich verdure of the meadows, make up a scenery which is beautiful and quietly picturesque. Surrounded by the Gulf of St Lawrence, whose waters are almost as saline as those of the ocean itself, it enjoys all the coolness of the sea breeze, and the anvantages that can only be derived from sea bathing The average temperature of the water is about 65 degrees.

Charlottetown, the important city of the Island, has over 12,000 inhabitants, and is the capital. It is connected by rail, steamship and stage with all the important villages, towns and seaports, and an extra fine farming region. It has many great retail stores, besides a large wholesale trade. It has an enterprising Gas Light and Power Company, two Electric light plants, and a street railway will soon be an accomplished fact. It has a first class water works system suppling the city with as good if not the best water in America, and a complete modern system of sewerage is now being constructed. It is famed for its wide streets, many of which are shaded, its many pleasant drives, the principal of which is the new Park Roadway, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, $2.00 up per day, $10.50 up per week; Queen, $1.50 per day, $6.00 up per week; Revere $1.00 to $1 50 per day, $4 00—$5.00 per week.

Summerside is the next largest town in the Province, with about 4000 inhabitants. It is situated on beautiful Bedeque Bay and in the centre of a fine large farming region. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. Tourists are delighted with the beautiful scenery and the many pleasant drives in the immediate vicinity of Summerside. The hotels are—Clifton, $2.00 per day, by agreement per week; Russ, $1.50 per day, $7 00 per week; Campbell, $1.25 up per day, $6 00 per week.

Georgetown and Souris are the two important towns in the eastern part of the Island, with a population of about 1,000 each. In the former the Aitken, 1.50 per day, by agreement per week; Tapper, $1.50 per day, $5.00–$6 00 per week, furnish good hotel accommodation, while in Souris the Sea View, $1.50 per day, $8.00 per week, affords exceedingly home-like quarters.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne, a large, airy hotel at $1.00 up per day $4 00 to $8.00 per week. In Alberton there is the Albion Terrace and Wisner, each $1.50 per day, 5.00 per week. In Tignish Railway, 1.00 per day, 5.00 per week, In Kensington, Clark's 1.25 per day, 6.00 per week; Commercial 1.00 per day, 5.00 per week. In Montague, McDonald 1.00– 1.50 per day, 6.00 per week. THE following hotels open for the summer season: At Hampton, Pleasant View, $1.00 pr. day, $5.00 pr. week. At Stanhope, Mutch's $1.30 pr. day, $5—7 pr. week; Cliff $1.00 pr. day, 5—6 pr. week. Forty Thirst-Quenching, Refreshing and Health-Giving Drinks for Sixty Cents.

Are you worried by thirst and heat these warm days? Most people are. Most beverages seem to only satisfy for the moment—their effect is not lasting. Iced drinks, unless taken carefully, are injurious to the system. What should one do? Take a teaspoonful of

Abbey's Effervescent Salt

in a tumbler of water. It cools the system, quenches the thirst, and has a decidedly beneficial effect. It refreshes and livens you when worn out by oppressive heat. Abbey's Effervescent Salt is cheaper than Soda or Mineral Waters, besides being decidedly more beneficial.

The Canadian Pharmaceutical Journal says: "A morning draught of this stimulating preparation will send a man to his daily occupation invigorated and ready for any task."

The Canada Lancet says: "This preparation deserves every good word which is being said of it."

Sold by Druggists everywhere at 60 cents a large bottle. Trial size, 25 cents.

BRAIN FAG.

A well-known editor tells how Milburn's Heart and Nerve Pills cured him of this nineteenth century nerve trouble.

"Brain Fag" is a new disease. Our forefathers did not have it. To them the terrible strain on the nervous forces that falls to the lot of business, professional or literary men of the present day was unknown.

Nervous prostration is the goal to which more than fifty per cent. of the brain workers are hurrying. How can it be avoided? How can this new disease be cured? We will allow Mr. J. W. Hey, the genial and able editor and publisher of the *Ailsa Craig Banner* to answer. He says, "I was suffering from nervousness and impoverishment of the blood and commenced the use of Milburn's Heart and Nerve Pills, believing from what I had heard and read of them that they were an excellent remedy. My faith in them was rewarded very speedily. They vitalized my blood, strengthened my nerves and restored me to perfect health. I do not consider they have an equal for nervousness, brain fag or nervous prostration produced by overwork."

Milburn's Heart and Nerve Pills always do good. They cure palpitation, faint and dizzy spells, nervousness, sleeplessness, anaemia, after effects of grippe, weakness, debility, etc. Sold by druggists at 50c. a box or three boxes for $1.25. T. Milburn & Co., Toronto, Ont.

LAXA-LIVER PILLS cure Biliousness, Sour Stomach, Water Brash, Liver Complaint, Constipation, and Impure Blood. Price 25c., all druggists.
