The Charlottetown Driving Park is now in excellent condition for training. The caretaker, Alexander Gillis, is certainly a most painstaking official, busy from morning until night, improving the race course. All that is now required to make the track first class is for horsemen to jog over it every day for a few weeks.

Persons desiring advertising of any kind inserted in The Guardian are requested to leave their order for same at the business office on ground floor as early as possible during the day, as the writing staff at night requires all their time for their own work, and finds it difficult to handle even emergency advertising, which latter but lessens the amount of news in that issue.

A Junior Baseball League has been organized in Charlottetown, the first game of which will be played at Victoria Park on Tuesday afternoon. The teams composing the league are the Rovers, Wanderers and the Anchors and the first two named will open the league at 3.30 p.m.—tomorrow. Each team, according to the schedule arranged, will play three times. Tomorrow evening at 6.30 the Senior league will be launched when the Abegweits and Victorias will meet.

The Saints made quite an impression on the Abegweit nine at Victoria Park on Saturday when they won the baseball game by a score of 17-3. The game was witnessed by a very large number of interested spectators and this, for an opening game, can be considered an indication that baseball will be boomed by the fans this season. Lou Campbell and VanDerstine of the Abbies showed up well and seemed to be to their old-time form. While the bases were fairly well managed on both sides the fielding on both teams was faulty but this can not be anticipated at this stage in the season. For the S. D. C. Gillis and Doyle performed splendidly as the battery, the pitcher being but sixteen years of age. He promises well. The Abbies, though trimmed, are not despondent and with some energetic practice should show up to good advantage as they have excellent material. The Saints showed a good knowledge of the game and their victory was a deserved one, though the spectators could have wished for a more closely contested game. The scoring was as follows: Rodriguez, 4; Sweeny, 3; Reid, 1; Gillis, 2; McDonald, 1; Brennan, 3; Burns, 3—17. McCarey, 1; Saunders, 1; Campbell, 1.—3.

William J. and Mrs. Brown, Charlottetown, will have the sincere sympathy of their hosts of friends in the death of their little son William, aged about one year, which occurred on Saturday morning.
