The Bride's Cut Glass

The beautiful wedding gift which has so charmed the young bride, is but a piece of WELLNER'S RICH CUT GLASS.

You will want your gift to be appreciated and admired, wont you? Then select a piece of our cut glass, which cannot be surpassed in richness of cut and quality.

Our stock is now very complete. Only seeing it will give you an idea of it's excellence. To attempt to put into words a description of these beautiful articles would be to attempt to "Paint the Lily."

CLOSING STOCK LETTER.

The general list today has been steady but the pressure on specialties in evidence yesterday, has been continued today. Quite heavy selling of New Haven has taken place and a new low record has resulted. Ontario and Western Telephone have been under pressure though without specific reason in any case. The heaviness in Ontario and Western has continued for some time and as this road is owned by The New Haven it may be one cause on the renewed unsattlement in the price of that stock, though the announcement that the Attorney General is going to bring suit has been reason enough. Despite the rosy crop prospects, the immediate condition of many of our railroads is none too cheerful and the long delay in the rate case has decidely aggravated matters. With all it has had to contend with, it is quite remarkable that the market has held so well in recent months. People are hopeful of a turn for the better, but so far it has been weary and trying waiting. Total sales stock 10 am 926; Bonds $710,000.
