

Women often ask me — says Mrs. Experience — how I get my table linen so immaculate

"I take it as a real compliment, because most women do try to excel in their table linen."

"Of course, I tell them the way I've found easiest and best is with Sunlight — just rubbing the linen lightly with Sunlight, rolling it up and putting it to soak. After soaking, perhaps a light rubbing here and there may be called for, then just rinse, and the linen is spotlessly clean. Fine linens should be protected and never come into contact with anything but the purest soap."

"As a household soap there is nothing better or more economical than Sunlight. Every particle is pure soap, with no wasteful 'filler'. Sunlight is mild and easy on the hands, too." Lever Brothers Limited of Toronto, make it.

Sunlight Soap

PRIZE WINNERS.—Among the Maritime Ladies College prize winners for this year appears the name of Misses Ruth and Joan McKinnon, daughters of Mr. and Mrs. W. A. Miller, Royalty. Miss Jean won the prize for second year design of twenty dollars, also for free hand drawing. Miss Ruth won a prize of \$10.00 for first year designs. They are now spending their holidays with their parents.

McGILL GRADUATES.—The largest graduating class at McGill University, where results of final examinations were announced Thursday, is that of medicine eighty-two young doctors proceeding from the halls of Old McGill with their diplomas under their arms this year. The Faculty of Science is next in number with 71 engineers and four architects. Six students qualified for the degree of Doctor of Philosophy, twelve for that of Master of Arts. New Masters of Science number 26 and Masters of Science in Agriculture four. Among the graduates in arts are the following: Prince Edward Islanders: Harold Brown and Ella Marion Brown of Kensington, Malcolm MacCrecker Ross, Dorothy Blanche Hutcheson, Eileen Victoria Longworth and Lois Adele Owen of Charlottetown. The graduates in Medicine include Joseph Pulsifer Lantz, Charlottetown. The graduates in Dentistry include William D. MacLeod, Vernon, who is also qualified for the degree of Dental Surgery.

At the 11 o'clock service at St. Dunstan's Cathedral on Sunday morning next will take place the ordination of six young priests, namely, Messrs. Patrick McMan, Charlottetown; Martin Monaghan, Charlottetown; William McCabe, Charlottetown; Edward Clinton, Souris; and Joseph Sullivan, Cardigan. The service will be conducted by His Lordship Bishop O'Leary.

The Y. P. S. C. E. of Zion Presbyterian Church met Monday evening at 8 o'clock with Miss Mae McCannell in the chair. The subject for the night was "Confession Day" a number of the members gave interesting talks on the subject. The convener of the Visiting Committee gave a good report on the work being done among the sick of the congregation.

On Tuesday the president of the St. Peter's branch of the W. A. and several other of the members, along with two members of the W. A. from Cherry Valley, paid a visit to Georgetown. There had been a branch of the Women's Auxiliary there some time ago which has not been active for some few years past. The object of this visit was to bring fresh life to the society which is now being completely reorganized with a president and other officers and is starting out to work in conjunction with the Cherry Valley branch. The two branches hope to do definite missionary work and we expect good results from their efforts. The meeting was addressed by Rev. E. M. Malone and Mr. Crofton. A message was sent by the president of the Prince Edward Island branch wishing them success and God's blessing. After the meeting a social gathering was held in the School House at which tea was served and a very pleasant and enjoyable time was spent. The reorganizing of these two branches shows signs of increased interest in the work of the church in the eastern part of the island.

Last Thursday evening in the Social Hall of the United Church the Young Men's Club of the Kings' Daughters entertained most delightfully a large number of invited guests. Miss Carvell, the president, welcomed the guests cordially in a short speech after which a musical program was rendered by Mrs. Spencer, Miss Ethel Haney, Miss Edward and Miss McKenzie. A contest entitled "The Crazy Man's Menu" was then entered upon with great enthusiasm and proved vastly entertaining; even the most expert crossword puzzles were not successful in finding all the answers. Other very amusing contests and games followed, and judging by the happy smiles and gay laughter of all present, they were thoroughly enjoyed. Delicious refreshments were very daintily served, at which, along with singing of old familiar songs, before the breaking up of the party, Mrs. J. J. Davis, on behalf of the guests, moved a hearty vote of thanks to the Kings' Daughters for the evening's entertainment, which was seconded by Mrs. A. Sinclair, and the motion was carried with enthusiastic and prolonged applause. On all sides one heard the comment "the best time I ever had at a church social."

What You Get For The Last \$10

YES, there are lower-priced bicycles than the C. C. M., but the C. C. M. is by far the cheapest in the long run.

That last \$10 you pay for a C. C. M. is the most important part of your purchase. It assures you— extra years of easy riding, extra reserve strength, extra durable finish, fewer repairs, a higher selling value for your "used" C. C. M.

For that last \$10, you get, among other things—the smooth-running Triplex Hanger, a frame of English Seamless Tubing, reinforced at the joints, extra coats of rich, lustrous enamel, rustproof nickelling over copper, the classy Gibson Pedal with rustproof aluminum frame, the new improved Hercules Brake, a bicycle with everyone of its 1761 parts made with watch-like accuracy, a bicycle "trued up" at the factory.

And, remember, five years from now your "used" C. C. M. will easily bring \$10 more than a five-year-old inferior machine—if the inferior machine has not already reached the scrap heap. You simply cannot lose by buying a C. C. M.

Prices Are Again Reduced They're now \$20 to \$25 less than the "peak" prices. This year C. C. M. bicycles are the biggest values since pre-war days.

MINARD'S Relieved His Rheumatism

Here is one of many letters testifying to the relief Minard's gives in cases of rheumatism. I have been relieved of rheumatism by your liniment. I thought I would never be free from this malady and I tried many remedies, but Minard's was the only one which gave me relief.

ALPHONSE RICHARD, St. Samuel, P. Q. Minard's is also splendid for stiffness of the joints, sprains, bruises, etc. MINARD'S LINIMENT
