Nervous? There are many causes of nervousness, but poor blood heads the list. The doctors call it anemia. The blood lacks red corpuscles. At your first opportunity, consult your doctor about taking Ayer's Sarsaparilla. Ask him if he has anything better for weakness, debility, nervousness. If he has, take it. If not, take Ayer's Sarsaparilla. Get well, that's what you are after. We have no secrets! We publish the formulas of all our medicines! J. C. Ayer Co., Lowell, Mass.

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block, Charlottetown.

FOR new or second hand bicycles or bicycle sundries see Ernest Rice's ad in classified column.

K. C. HOLMES, Hampton, returned yesterday from spending a few business days in the City.

The Guardian's Saturday issue with its many special features is now read by almost eight hundred more people than any other during the week. This increase is in addition to its usual much larger sale on Saturday.

BOSTONIA SEXTETTE, Opera House May 14th. Mr. Watts already has a canvasser in the field soliciting patronage for this artistic body of musicians. Those who have heard them are their best advertisers. Monday May 14th, Opera House.

THE Ladies' Auxiliary of the Y. M. C. A. intend holding a Rummage Sale the 17th and 18th of May. Donations of clothing etc. will be gladly received. If those who are house-cleaning will kindly lay aside any articles suitable for the sale they will be sent for.

THE GUARDIAN will be pleased to hear from any correspondents who have news to furnish, and who desire to have the same published. The news of each County is now classified, which will prove a convenience to readers in finding their own County news quickly. In every case the items are most appreciated when they are brief and to the point and confined to matters of fact, or events that have happened or are to take place. With all who wish to contribute The Guardian will be glad to correspond.

WHEN the St. John fire broke out in 1877, which destroyed the greater part of that city, Edward Turner, formerly of St John, and then a resident of San Francisco, and a man by the name of McDonald, from Prince Edward Island, also a Mr. McLean from Nova Scotia, with some eight or ten others, then living in San Franscisco, opened a subscription list for the relief of the sufferers from the St. John fire. $1.000 was soon raised among themselves, all Canadians, which was promptly forwarded along with the other relief funds from California, so says a St. John paper.

CAPT. F. W. L. MOORE, Superintendent of Police for Natal, S. A. writing from Pietermaritzburg to a member of The Guardian staff has the following to say regarding the recent outbreak among the Zulus in that colony: We have been having a rather lively time in little Natal of late. Two thirds of our Militia has been in the field on active service for the past two months, putting fear into the unruly natives; but there has been little blood-letting. Poor Hunt, Inspector of Police and one of his troopers got polished off with assegais one dey, and that started the fun; but when once the guns began to bark, they understood that the Great Chief was angry and could no longer be trifled with, and there has been no actual fighting.

THE annual meeting of the Ladies' Aid Society of the Prince Edward Island Hospital was held in the Y. M. C. THE semi-annual examination of the Cross River School was held in St. Patricks Hall on Thursday April 12th. A large number of the rate-payers, a good representation of the fair sex and quite a number from the neighboring districts were present which testified to the interest taken in the school. The pupils were examined in all the subjects including the advanced branches by Frank McLean, teacher at Bayside, Mrs. J. N. McKinnon and the teachers J. B Brown and Miss Zeta Perry, and their accurate and ready answers showed they were carefully taught and well understood the work gone over. The examination was opened and closed by singing, the rendering of which was very creditable. Speeches were delivered by the trustees, E. McLellan, R. A. McDougall and F. McDonald, etc. each expressing himself as being greatly pleased with the marked improvement noticeable during the nine months. A vote of thanks was tendered the assisting teachers, and one of the most successful of Cross River School examinations was brought to a close by singing God Save the King.

HERRING in great abundance were offered for sale at the Market yesterday at 12c a dozen. Numerous good catches have been reported the past few days, principally on the North Side. The attendance at the market was small probably owing to the poor condition of the roads.

SCARCELY ever has the verdant green of the spring growth so quickly followed the last signs of winter as has been the case about town this year. The heavy rain of Monday night seems to have got down to the roots of things, and the grass plots and vacant lots are now bright with the emerald green of the rapidly growing grass. Nowhere is this growth more noticeable than in the quiet spot some time ago selected for a station site.

AN engagement has been booked by the manager of the Opera in this city for an early appearance of David Henderson's comedians. None of the Rosina Vokes plays, the German-Reed for the Charles Wyndham one-act pieces have ever been given in this section of the country. Mr. Henderson has the exclusive rights to those great one-act comedies which are classics in their way, combining the best of comedy with sufficient music and dancing to entertain any audience. These plays have been written by the most famous authors, and according to the New York papers a most carefully selected company has been organized by Manager David Henderson. They are people of first class standing in their respective lines. Among the plays which have been given by those artists may be mentioned, "A Pantomine Rehearsal", "My Milliner's Bill," "A Double Lesson", "That Lawyer's Fee" "The Tinted Venus", "Which is the Widow", "My Lord in Livery", "In Honor Bound", "Crocodile Tears", "Fun in a Fog", and "The Belles of the Kitchen".

PALE, LISTLESS GIRLS.

Can Only Obtain Health Through New, Rich, Pure Blood Made by Dr. Williams' Pink Pills.

Growing girls—girls in their teens—must have rich, pure blood. Healthy womanhood depends upon the vital change from girlhood to maturity. Every woman should most carefully watch her daughter's health at this critical period If a girl at this period has headache, if she is pale, thin and languid, it shows that her slender blood supply is being overtaxed. She will always be ailing and may slip into a hopeless decline or consumption if her blood is not built up at once with Dr. Williams' Pink Pills. The rich, red blood which these pills make bring health and strength to every organ, and make dull, listless, languid girls, bright, rosy-cheeked, active and strong. Miss Maggie Douahue, Erinsville, Ont., says: "Before I began the use of Dr. Williams' Pink Pills I was badly run down, and it seemed as though my blood had turned to water. I was very pale suffered from head aches, and palpitation of the heart, and often I would pass sleepless nights. I found nothing to help me until I began the use of Dr. Hamilton's Pink Pills, and these have fully restored me and I can truthfully say I never enjoyed better health than I am now doing."

When Dr. Williams' Pink Pills replace bad blood with good blood they strike straight at the root of all common ailments like anaemia, decline, indigestion, kidney and liver troubles, skin eruptions, erysipelas, neuralgia, St. Vitus Dance, paralysis, rheumatism, and the special ailments of growing girls and women. Be sure you get the genuine pills with the full name, "Dr. Williams' Pink Pills for Pale People," printed on the wrapper around each box. Sold by medicine dealers or sent by mail at 50 cents a box or six boxes for $2 00 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

It will loosen and relieve a severe cold in less time than by any other treatment and is a favorite wherever its superior excellence has become known. For sale by all druggists.

THE KING'S COUNTY GUARDIAN

Branch Offices in Montague, Souris and Georgetown.

Miss Eva Brehaut, Pawtucket, Rhode Island, is visiting at her home in Murray Harbor.

Rev. S D McPhee of Murray Harbor South has been extended a call from the congregation Orwell Head Church.

It was reported in Souris yesterday that a large Nova Scotia schooner is ashore at East Point. No particulars are given but it is thought that there is every probality of the story being well founded.

A fine lobster boat has been almost completed in Souris to the order of Matthew & McLean for parties in the Magdalen Islands. The boat is to be equipped with a gasoline engine and will proceed to her destination sometime next week.

Hereafter, under this heading will be found news pertaining to Kings Co. Under the proper headings will also be found the news of the other counties. The Guardian classifies its local items thus in the hope that this will be a convenience to its readers.

The steamer Amelia is still at Souris her departure which should have taken place on Saturday at midnight, having been delayed because of reports that the Magdalens were ice blocked. Advices received yesterday state that the blockade is raised and the steamer will probably sail early this morning.

The Guardian will be pleased to hear from any correspondents who have news to furnish, and who desire to have the same published. The news of each County is now classified which will prove a convenience to readers in finding their own County news quickly. In every case the items are most appreciated when they are brief and to the point and confined to matters of fact, or events that have happened or are to take place. The entertainment and pie social at St. Teresa's school on Easter Monday night passed off very successfully, furnishing enjoyment to a large audience. The opening address given by Louis Bradley received hearty applause. The duet by Miss Josie Gormley and Michael Cullan was highly entertaining. Worthy of special mention was a dialogue entitled Timothy Teeters by Beatrice Bradley, Mary Mulligan, John Gormley and Willie McInnis. The matrimonial advertisement by Miss Ethel Handrahan and Master Eddie Mooney was given in excellent style. The solos by Philip Mooney, Miss Bessie McKinnon were well rendered and were obliged to respond to encores. Miss Zita Donnolly presided at the organ while Thomas Kelly gave several violin solos. The pies were auctioned by Patrick Byrne whose witty remarks brought down the house. About 20 dollars was realized which goes towards the Japanese Famine Fund.
