S'Side Town Council Meeting

A short meeting of the Summerside Town Council was held last evening with Deputy Mayor D. F. McNeil presiding. Councillors Wedge, Morrison and Gorrill were present.

A resolution of regret at the continued illness of Mayor W. J. Lidstone was passed on motion of Councillor T. D. Morrison, seconded by Councillor Lloyd Gorril. It was also decided to send him a bouquet of flowers as a testament of the loyalty of the Council.

Councillor Wedge announced that the town had received a request from the truckmen of the town that the trucking rates be raised. He said that the matter would be gone into thoroughly and a report would be brought in at a later date. The trucking fees are set by town by-law and are now from thirty-five to fifty cents a load. They were revised upwards on April 12, 1943.

Councillor Wedge moved a resolution that the clerk write to all rastaurants asking them to close at midnight. He said that there have been complaints from citizens and if the restaurants do not co-operate it may be necessary to cancel some licences. Some of the restaurants already close before this hour. The motion was seconded by Councillor Gorrill and passed.—S.

In Memoriam

MRS. AMOS McWILLIAMS

—It was with deep regret that the many friends of Mrs. Amos McWilliams heard of her passing at North Tryon on July 23rd after a lingering illness. The late Mrs. McWilliams was born at St. Eleanor's and was the daughter of the late Hubert Mills and his wife Mary Jane Tanton of that place. At an early age she was married to Amos McWilliams, of North Tryon, and spent practically all of her early life there.

Loved, honored and respected by all who knew her she departed this life in the assurance of a higher and a fuller life to come.

Surviving are her sorrowing husband, a son George in Bedeque, and a daughter (Mable) Mrs. Harold Knight of Boston. She also leaves to mourn two brothers, namely, Arthur Mills of Saskatchewan and Earl Mills of Peterborough, Ont. Also five sisters, Annie (Mrs. Robert Muirhead); Maggie (Mrs. Wallace McCallum), both of St. Eleanor's; Gertie (Mrs. Ernest Compton) North St. Eleanors; Ada (Mrs. Wesley McLeod) and Jessie (Mrs. Reuben Robblee), both in Saskatchewan. Her funeral was largely attended by friends and relatives from far and near and was held at her late residence and from thence to the Presbyterian Church in Tryon. Rev. Mr. Jardine officiated and spoke words of comfort and hope to the bereaved. Interment took place in the cemetery adjoining the church.—S.

The "Heavenly Body" Has Powell, Lamarr In Comedy on Stars

—An astronomer's wife, who becomes bored with doing nothing nights when her husband is away gathering data on a new comet he has discovered, takes up astrology. The resulting fireworks make up one of the funniest of the screen's domestic comedies starring William Powell and Hedy Lamarr at the Capitol Theatre

Hedy Lamarr and William Powell made their film debut together as a lovely couple in "Crossroads" last year, but the new film marks a switch in their characterizations. "The Heavenly Body" is comedy with a capital C.

When Hedy takes up astrology on the advice of her fluttery neighbor, Spring Byington, she doesn't know what she is letting herself in for The first thing Bill knows he mustn't kiss her on Tuesdays. But in spite of his protest Hedy won't give up her horoscope. Things reach a head when Madame Sybill (Fay Bainter) predicts that within a certain period Hedy will meet a "dark man from far off places who will be the true love of her life." When Air Raid Warden James Craig knocks at Hedy's door asking her to put out the light Hedy decides she cannot combat destiny.

Enter husband Powell trying to straighten out his wife's marital shennanigans, and the fun is only beginning.

Dr. Keeping Makes Special Report On Health Matters

In a special report, submitted last night to Mayor Blanchard at the City Council meeting, Dr. B. C. Keeping, City Health Officer, said he had inspected the area of Upper Queen and Valley streets where they are joined by Reserve Street, that he had found the area low and in places swampy due to drainage from the large spring off Elm Avenue and opposite the Enterprise Bakery.

He had found a large and stagnant pool north of Reserve Street, at the north end of Valley Street, and it was his opinion that this pool would act as a breeding ground for mosquitoes during warm weather. The general dampness which would result from such low ground could aggravate rheumatism, the doctor said, but would not render adults or children living in that vicinity more susceptible of diptheria or other respiratory infections.

Dr. Keeping admitted several deaths of young children had recently occurred in that vicinity but did not think the physical location of the area was a factor in the deaths. However, he stated he would approve of any measures which were taken for better drainage in that area.

INTERSTING

(Continued from page 1.)

Couns. MacDonald, Gay, and Butler all expressed approval of the project. Upon suggestion of Coun. MacKinnon, the Mayor agreed to hold a special meeting within the next ten days to put the city coal weighing plan into effect.

Fire Dept. Increases

A letter was read the Council by Coun. LePage from Arthur Henry, secretary of the Fire Department complaining that the Department had not received an answer to a letter written the City Council 14 months ago. The Mayor pointed out that "this Council was not doing business 14 months ago."

Coun. MacDonald said there was a gentleman's agreement between the Provincial Government and the City that whatever increase the city decided to make the Fire Department, the government would contribute an equal amount. "However, it is getting late," Coun. MacDonald said, "and the firemen must get an increase from someone so I am in favour of the city giving it to them now on our own responsibility. Later, we can remind the government of its promise to help us out with the cost."

Couns. McKee and Rogers agreed that the firemen should have $6,000.00 which "only means $200.00 to a man." The resolution carried.

Fish Market

Coun. T. B. Rogers said he made an inspection of the fish market last week and found conditions so "filthy" that he closed it. However, he did not feel that he should bear the onus of doing what he did alone and wanted more support from the Council before acting further.

Coun. B. Earle MacDonald assured Coun. Rogers he was behind him in whatever he did.

Coun. MacKinnon said he would not like to go that far but that he was in favour of Coun. Rogers closing the fish market unless the fishermen lived up to their contract of keeping the place clean.

Wooden Sidewalks Out

Coun. J. T. McKee, in the absence of Coun. Dougan, read the street report and recommended that all wooden sidewalks be eliminated and concrete ones put in their place. A wooden sidewalk, he said, lasted only two years and cost half as much as a concrete one. From the standpoint of economy alone, Coun. McKee emphasized concrete sidewalks were much more economical.

Coun. Rogers approved of the plan to eliminate all wooden sidewalks but deplored the fact that the streets were not clean. "They may be in good condition," he said, "but they certainly are not clean."

Coun. MacDonald agreed that more sweepers would have to be put on if the streets were to be more tidily kept. He said the repair men under Mr. Crockett had done a good job and stated that all streets repaired under the supervision of City Engineer Messervey were a credit to all concerned in their repair.

Tenders For Fire Hose

The tenders for the supplying of fire hose to the City Fire Department created some lively discussion. Couns. Gay and McKee had examined three specimens of fire hose each submitted by a different company, and recommended a certain sample as being heavier and more durable. Coun. Rogers immediately raised the objection that the company, whose hose had been selected, had no local representative in the city and he thought the tender of P. W. Turner should be accepted because he "was a local man."

Coun. McKee said that argument did not hold as Mr. Rankine MacLean was the representative of the company whose hose they had accepted.

Coun. Gay said his choice of specimens was only motivated by his interest in the tax-paying citizens of Charlottetown whom he served. "We considered there was no comparison between the specimen we selected and the others. The one we selected is much better in every way."

Coun. W. R. LePage acknowledged the specimen of hose selected by Couns. Gay and McKee had red rubber, while the others had black but "there is no red rubber being made now," he said. "When you get it, it will be black like the rest."

The resolution for the city to purchase the hose from the company for whom Mr. MacLean was the agent, was defeated, and an amendment moving that the tender of Mr. P. W. Turner be accepted won.

The request of Mr. Russell Gay that the city pay for services of a man to help him for a few weeks in his care of Queen's Square Gardens was sympathetically considered and it was agreed to take favourable action upon Mr. Gay's request soon.

Resolutions

The following resolutions were passed:

Moved by Coun. B. Earle MacDonald, seconded by Coun. W. R. LePage that the tender of P. W. Turner be accepted for the supplying of the Charlottetown Fire Department with Keystone fire hose at $1.70 per foot, 2 1-2 inch, 400 pounds per coupling, etc.

"Moved by Coun. LePage, seconded by Coun. MacDonald, that the assessment grant to the Charlottetown Fire Department be increased for the year 1944 from $3,000.00 to $6,000.00 to be paid at the usual time."

"Moved by Coun. T. A. Butler, seconded by Coun. P. G. Gay, that the city clerk be authorized to purchase a set of tires for the police patrol."

There being no further business, the meeting adjourned.

POLICE INSPECTION — The City Police in their brand new uniforms were inspected at 4 o'clock yesterday afternoon by members of the Police Committee headed by Chairman Andrew Butler.

TRAIN AND FERRY — The regular train due at 6:30 P. M. arrived in two divisions last evening due to heavy traffic. The first section arrived at 7:30, the second section at 9:55. The total number of passengers leaving Borden was 437, and the total number arriving here was 328. The total number of trips made by the ferry, previous to midnight was 6.

HEALTH REPORT — During July there were 63 births, 17 deaths and nine marriages in Charlottetown, it was revealed last night in a vital statistics section of a report submitted by Dr. B. C. Keeping, City Health Officer at the regular monthly meeting of the City Council. The report said that during July two cases of diphtheria had been quarantined. During the month 41 cases of venereal disease were treated. There were eight new cases.

91 ABOVE YESTERDAY — For the third successive day yesterday a heat wave sent temperatures in Prince Edward Island into the 90's but at that yesterday was the coolest since Friday. Dr. J. A. Clark at the Charlottetown Experimental Station said that it was 91 above early yesterday afternoon but that after a heavy blanket of smoke drifted across from forest fires in New Brunswick, the weather cooled slightly. Since the 93 recorded Saturday the peak has been one degree less each succeeding day.

URGES USE OF FITZROY ST. — Chief of Police Birtwhistle has expressed the wish that the motoring public be made aware of the desirability of their using Fitzroy Street as their shortest and best means of reaching the Exhibition grounds. The Chief states that adequate numbers of police will be assigned to controlling traffic on that thoroughfare and that the motoring public will be courteously guided and directed with, it is hoped, a minimum of friction. The Chief would also like to have impressed upon all parents the necessity of their exercising strict supervision over their younger children during the remainder of the week so that they will be kept off the streets as much as possible in order to avoid all serious accidents that might otherwise result.

IN MEMORIAM

MR. SAMUEL A. COFFIN

It is with deep regret we record the passing of Mr. Samuel A. Coffin which occurred at the home of his daughter, Mrs. Melvina Pigot Savage Harbor, P. E. I., on Wednesday, July 5th, at the age of 96 years.

His death came as a great shock to his wide circle of relatives and friends both on P. E. I. and in the United States; for he had rallied from operations and sickness so well for his age and so many times during recent years, that his passing was more or less unthought of. Up to the time of his death, he had been in comparatively good health, was mentally alert, quite active, took a keen interest in everything, and still really enjoyed living. He was very highly respected by all who knew him and his family and relatives loved him dearly and were proud of him for he was such an active person for his age. He was a member of Mt. Stewart Presbyterian Church where he took an active part in all church work and where he was an Elder for a great many years. He is a person who will not soon be forgotten.

Mr. Coffin was born in Savage Harbor, P. E. I. He married the late Harriet S. Pigot, settling on a farm in Savage Harbor. Their family consisted of two boys and five girls of whom one boy and one girl are deceased. After the family had grown up, Mr. Coffin disposed of the farm in Savage Harbor and moved to a smaller place in Mt. Stewart. For the past twenty years Mr. Coffin spent his winters at the home of his daughter, Mrs. Elsie L. Lindberg.

He leaves to mourn four daughters and one son, namely: Mrs. Joseph Douglas and Mrs. Melvina Pigot, both of Savage Harbor, P. E. I.; Mrs. Elsie L. Lindberg, Brookline, Mass., U.S.A.; Mrs. Gordon Stearns, Medford, Mass., U. S. A.; and Mr. William A. Coffin, Saco, Maine, U.S.A.; also fourteen grandchildren, fifteen great-grandchildren, and two great great-grandchildren.

The funeral was very largely attended and took place on Friday, July 7th. A short service was held at his late residence, the home of his daughter, Mrs. Melvina Pigot, and was conducted by the Rev. Mr. Baak. The beautiful and well-known hymn "Jesus, Lover of my Soul", was sung by the many friends and relatives who had gathered from all points to pay their final respects. A prayer by the minister followed the singing after which the bereaved family and friends followed the remains to Mt. Stewart Presbyterian Church where the funeral service was conducted by the Rev. Mr. Baak and the Rev. Mr. Mercer. The united choirs of the Mt. Stewart Presbyterian Church and the Mt. Stewart United Church sang "The 23rd Psalm" very beautifully; and "The Beautiful Land" was effectively rendered by a male trio consisting of Harold Coffin, Henry Coffin and Roland Jay; a very touching duet entitled "Going Down The Valley One by One" was sung by the Rev. Mr. Baak and Mrs. Baak, and last of all "Asleep In Jesus" was sung by the choir.

The Rev. Mr. Baak delivered a beautiful and comforting message to the bereaved after which prayer was offered by the Rev. Mr. Mercer.

The honorary pall-bearers were: Senator J. P. McIntyre, Milton Coffin, John Pigot, Alan Morrison, Geddie Douglas and D. J. McDonald.

The active pall-bearers, all grandsons of the departed, were: Ralph Pigot, Robert Pigot, Sterling Pigot, Arthur Stearns, Wilfred Coffin, and Ralph Coffin.

Following the church service, the remains were taken to the People's cemetery, Mt. Stewart, and thus all that remained on earth of a loving father and grandfather was laid to rest in the family plot beside his dearly loved wife who was called home in the fall of 1932.

Beautiful floral tributes were received from the family, grandchildren and friends.

"He has gone to be with Jesus
In that home so bright and fair,
And when all earth's tasks are finished
You may join your loved one there."

To the bereaved relatives, deepest sympathy is extended by the many friends both on P. E. I. and in Boston, Mass., U. S. A
