CRYSTALS TROUNCE OXFORD COLTS 10 - 4

Island Titlists Display Offensive Power Running Up Six Goal Advantage

The Summerside Crystals defeated the Oxford Colts 10-4 at the Crystal rink, Summerside, Saturday night in the first of a two-game total-goal series for the right to meet Moncton Maroons for the P. E. I.-N. B. title. The Summersiders carried a comfortable margin of the play as the Oxford boys fell down on their passing attacks. The final game will be played Monday night in Summerside. Referees Herb Rushton of Springhill and Earl Arsenault of Summerside handed out but four penalties in one of the cleanest games seen here this season.

WIDE-OPEN GAME

The first period opened fast with Marchant taking the puck from the faceoff, but he fell as he broke through on Casey. The Crystals passing attacks were clicking as Howatt raced through to bounce a shot off the Oxford goalie. Cahill was right there to bang in the rebound at 3.40. Checking was at a minimum as both teams showed a liking for a wide open style. At 10.47 Howatt, Steele and Campbell combined in a rapid passing attack with Howatt sagging the twines. A little more than a minute later Gallant blazed a hard shot but Allen made the save. Schurman raced in to poke the loose puck into the cage. Play became ragged as the pace slackened. At 16.51 Howatt carried in before passing to Bowness whose hard drive went over the net. Dickie was on the rebound to beat goalie Allen from close in. With four seconds to go Howatt took Cahill's assist to end the period 5-0 for Summerside.

Scores For Colts

At 1.48 of the second period, H. Blair flashed the red light for Oxford as he blazed a blue line drive that Casey could not handle. Play continued ragged and loose passes about the nets spoiled several scoring chances. At 8.21 Howatt split the defence to coast in on the goalie and fire the puck past him as he dove. The Crystals were caught shorthanded but Oxford missed several chances through over anxiousness.

Gallant breezed through to blast Allen with a bullet-like drive that the goalie handled, but Campbell pounced on the loose rubber to poke it into the net. The period ended Crystals 7, Colts 1.

Marchant Brilliant

The third period saw the Colts begin to carry the play to the Crystals. Marchant was the spark-plug of their attacks as he kept breaking fast on his brilliant poke-checking, but Casey turned in a smart game as he kicked out plenty of rubber. Howatt turned playmaker for the Crystals as he set the stage for two goals, the first at 6.42 when Cahill flashed the light and the second as he slipped Campbell a quick pass that the fast-skating forward blazed into the draperies. At 9.58 M. Wood soloed in on Casey to start the Colts on a three goal scoring spree. At 13.13 L. Wood drifted a long shot that caught the corner of the net. V. Marchant paved the way for the third tally at 16.17 as he gave M. Wood a blue line pass that saw the latter score on a wing drive. A minute later Walter Arsenault, playing his first game for the Crystals, blazed Howatt's pass into the cords to end the scoring for the night.

There were no penalties in the third period.

Nova Scotia Senior Hockey Semi-final Playdowns Will Be Resumed Tonight

HALIFAX, March 6—(CP)—Semi-finals of the Nova Scotia senior hockey playdowns will be resumed tomorrow night—and not even the most optimistic of the experts is doing any guessing without first crossing his fingers.

New Glasgow moves to Wolfville with a two-goal margin in the home-and-home series as a result of an 8-6 decision over the Valley team Friday night. Since the favorites had to stage a five-goal rally in the final period to earn that none too large a lead, and as the game is being played in Wolfville, there are few persons climbing out on any limbs and saying it is a certain thing New Glasgow will be in the finals.

The Antigonish-Glace Bay game doesn't help the experts out any either. Glace Bay won 2-0 at Sydney but the second game will be played in Antigonish and the home team may have centre Neil McKenna and Chunky Cyril Munroe back in the lineup by tomorrow night. They were out of the first game because of illness.

For that matter, few thought the Miners would win the Cape Breton League even with Jackie Kane playing, to say nothing of cleaning up in the circuit playoffs. And when Kane was declared ineligible for the provincial playdowns, only the most biased gave the Miners a chance to tame the Bulldogs.

Yet the 2-0 score was a very fair indication of the game. Bulldogs forwards were a bruised and battered lot when the Miners defence got through with them and a couple of home town boys came along with a goal each for the victory.

St. Pats Open Defence Of Junior Title Here Tonight

Junior Abegweits facing their first test in this year's Maritime junior hockey playdowns, meet Amherst St. Pats tonight at the Forum in the first game of a home and home total goal series.

St. Pats, defending the three province crown, they have won for the past two seasons, will likely provide the locals with the stoutest opposition they have yet faced. Although the Ripley, Lowther, Ripley line will be missing, the Amherst team will ice a squad very nearly on a par with their former teams. Abbies will have to be good if they are to draw first blood in tonight's encounter. All season long they have been bowling over their opposition without apparent exertion. There is little doubt but they are the strongest junior team ever to represent the province on the Memorial Cup trail. How far they will go can well be judged by the result of tonight's game.

Throughout the junior league schedule attendances have been very meagre but the teams have carried on. Tonight with an entire season's work at stake it is up to the fans to rally behind the youngsters and show them that they are solidly behind them in their bid to recapture the hockey honors that was theirs in the 1934 season when they were only eliminated by the famous St. Michaels college team in Toronto.

AMHERST, N. S., March 6—(CP)—Amherst St. Pats, last year's Maritime Junior Hockey Champions, leave at noon tomorrow for Charlottetown where they meet Charlottetown Junior Abegweits tomorrow night in the first game of a home-and-home series in the Maritime playdowns.

St. Pats may have lost several of the players that swept the team to its 1937 pinnacle but it still is a powerful combination—and its backers promise the Prince Edward Island Champions plenty of competition.

Jimmy Gray, play-making centre of the first line will not see action in Charlottetown but he is expected to be in shape for the return game here Wednesday. He suffered an injured knee in an inter-scholastic game 10 days ago.

Both St. Pats and the Abbies have a victory over Halifax Canadiens, highly-touted junior team but that squad's supporters point out that the team played three games in three nights on the tour and was not at full strength. St. Pats later took an 11-2 lacing from Canadiens at Halifax.

The St. Pats team will be drawn from the following: Goal: Dean, Manship; defence: Woods, MacCallum, Percy Brien and Ivan Bell; Forwards: Bob Copp, Buddy Brien, Errol Gray, Frank Boudreau Frank Peterson, Don Neal, and Ralph MacManaman.

Leafs Blank Maroons 2-0 In Torrid Tilt

(C. P. by Guardian's Special Wire)

TORONTO, March 6—Turk Broda shut out Montreal Maroons for the third time this season as his Toronto Maple Leaf mates scored a 2-0 win over the invaders in a National Hockey League engagement here Saturday night.

Would Compete For Women's Hockey Title

The Islanders, a team of Prince Edward Island women hockeyists, would play in the Dominion women's finals at Montreal March 19, according to information available here. Participation of the Islanders would depend on their financial backing, it was said.

The Island team would be composed of five Charlottetown players and a similar number from Summerside. Ernest Gaudet of Summerside has been coaching the team to date.

MAPLE LEAFS WIN SOURIS HOCKEY LEAGUE CH'SHIP

In the third and final game of the Souris Hockey League playoffs, on Thursday night, the Maple Leafs came through with a 4-0 win over the Bruins to chalk up the first shut out of the season and win the league championship two games to one.

In the first period replete with action on real fast ice, both teams were out to score from the very start. The Leafs first line who accounted for all the goals of the game came through at the three minute mark to tally on a pass-out of Billie Cheverie's which Elmer Paquet slammed home. A minute and a half later Billie Cheverie put the Leafs two up when he flashed the red light on a pass from Ernest St. John. A score for the Bruins was called back to the blue-line for an off-side. The period ended 2-0 for the Leafs.

The second period found the Bruins putting on the pressure, and banging a lot of rubber at the Leaf citadel, but Cheverie whose net-minding was one of the features of the game, came through time after time with almost miraculous saves. Dugas in the Bruin's cage was good too, nothing getting past him in this period. The third proved the fastest stanza of the evening. Billie Cheverie increased the Leafs lead to three goals when, racing round the Bruin net he tucked the wafer into the corner for his second goal of the evening. With only two minutes to go Billie Cheverie combined again with Elmer Paquet, the latter taking his pass out for the final tally of the game. The bell rang with the Bruins still pressing hard for a score. Mr. Edmund Lavie capably handled the whistle.

At the close of the game Mr. R. A. Leard came on the ice and presented the Maple Leafs with the Tip Top Trophy emblematic of the town championship for 1938.

The following are the lineups:

Maple Leafs: Goal, Ronnie Cheverie; Defence, Ernest St. John, Royal White, Billie Paquet; Forwards, Bowers Lewis, Billie Cheverie, Elmer Paquet, Amby Moynagh, Lem Paquet, Joe Cheverie, Clarence Gallant.

Bruins: Goal, Ernest Dugas; Defence, Jack McLellan, George Poole, Ambrose MacIntyre; Forwards, Stuart McAulay, Philip Paquet, Leo MacDonald, Nelson Paquet, Everett Cheverie, Buddy McCormack, Eddy Campbell.

MT. ALBION WIN POWNAL GARAGE TROPHY

In the final game for the Pownal Garage Trophy, Mt. Albion defeated Millview 3 to 1. In the first period the play see-sawed with neither team having any advantage. The second period things started to liven up a bit Wood opened the scoring on a solo rush. Millview put on the power and goalie Chandler stopped one with his mouth and had to take time out for repair. Tempers flared and fists flew when MacCallum and MacPherson started mixing it up, misconduct penalties to both players sufficed to quiet things. From a face-off inside Millview blue line Wood scored his second goal to end the scoring for the period. In the last period Millview pressed from the start and were rewarded when Stewart slammed home the rubber to beat Chandler cleanly. Millview still pressed for the equalizer, but MacCallum broke away to coast in on Grant to make it 3-1 and end the scoring for the game.

Immediately after the game Roy Herman presented the cup to Captain William Chandler of the Mt. Albion team, they having won four and tied one game in the best of seven.

Line ups as follows:

Stagehand Triumphs In Photo Finish

LOS ANGELES, March 6—(AP)—The racing world today toasted Stagehand, a mere colt but a mighty one, as the 1938 champion of the $100,000 Santa Anita handicap, richest horse race in the world.

More than 50,000 shouting fans saw the stout-hearted three-year-old trained by Earl Sande, former United States jockey king, nose out the favorite Seabiscuit in a camera-finish in record time. Pompoon, another highly-favored starter, was a well beaten third.

Whichcee, who carried the Canadian challenge of Major A. C. Taylor of Vancouver alone when Indian Broom was scratched, simply did not have the speed and finished 11th.

Victory to Stagehand, owned by Maxwell Howard, brought $91,450 net to the stable and marked the second major triumph of the black and white silks at the meeting. Stagehand won the $50,000 Santa Anita Derby Feb. 22.

Jockey Nick Wall, flown here from Florida to take Stagehand into the race, booted the son of Sickle and Stagecraft over the 1 1-4 mile in two minutes, 1 3-5th seconds—breaking a track record that has held since Aguear won the first Santa Anita handicap in 1935 in two minutes, 2 1-5th seconds.

MIAMI, Fla., March 6—(AP)—War Admiral sailed into this tropical port with his 10th straight victory Saturday in the Widener challenge cup race—and sail he did.

The mighty mite of the horse world, running over the treacherous racing strip of beautiful Hialeah where favorites have been biting the dust of defeat for 11 years, simply made his field of a dozen rivals look like selling platers. From flagfall to finish, it was all the Admiral. His margin as he crossed the wire was 1 1-2 lengths over Mrs. E. H. Bartlett's Zevson, with War Minstrel third.

The Americans' win broke the "neighborhood jinx" that has dogged them all season, before 14,200 fans.

Howe accounted for the fourth Detroit goal and assisted in Lewis' last two counters.

Bruins came from behind twice to deadlock the game, the last time at 13:17 of the third period when a short poke into a corner of the nets gave Milt Schmidt his second goal of the night.

Lewis and Howe sent Detroit off to a two-goal lead in the first period, each scoring while a Boston player was off the ice for tripping. A penalty on Alex Motter resulted in Schmidt's first goal at 7:06 of the second period and Ray Getliffe knotted the count at 2-2 seven minutes later.
