MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED

IF CROSS, FEVERISH, SICK, BILIOUS, CLEAN LITTLE LIVER AND BOWELS.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipation waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

IMPORTS CUT TO RELIEVE STRAIN OF SHIPPING.

LONDON, January 25.—According to the Standard, the government is preparing to make sweeping recommendations to the house of commons for restriction of imports in order to relieve the strain on shipping. The first list of articles to be excluded will include automobiles, building materials, and fruit, all of which are bulky in proportion to their weight and therefore occupy much space in ships. If a sufficient number of ships is not released by February 1st the list of prohibitions will be extended.

GERMANS GIVE BACK BEFORE RAIN OF DEATH FROM THE FRENCH GUNS

PARIS, Jan. 25.—The French official statements says that in Belgium last night the German and French artillery branches continued to concentrate their activity in the region of Sieport. Further details confirm previous reports that the attack of the enemy delivered yesterday near the mouth of the Yser River, was checked by the fire of our guns. The Germans were unable to come out, except at a single point, where several groups were successful in penetrating into our first line of trenches. They were, however, immediately driven out, after a very spirited fight, in which hand-grenades were used. These caused the Germans perceptible losses.

In the Artois section, the movement on the part of the enemy yesterday against our positions to the east of Neuville-St. Vaast, which resulted in complete failure, was resumed at the end of the day in greater strength. After a further series of explosions of mines, accompanied by a very violent bombardment, the Germans delivered an attack along a front of 1,500 yards, in the angle made by the roadway from Arras to Lens with the road from Neuville-St. Vaast to Thelus.

They were driven back to their lines by our fire. At two points where our trenches had been shattered by mine explosions, they were successful in occupying certain craters but from most of these they were almost immediately expelled. "In the Vosges we have carried out an effective bombardment of the position of the enemy at Ban-de-Sapt."

GOD BLESS THE ABSENT ONE.

God bless the absent one to-night, Wherever he may be; On battlefield amid the fight, Or on the raging sea, We know he loves his distant home, And whatsoever his lot, Right gladly would his footsteps roam To that most hallow'd spot.

The freight sheds a halo fair Around his pictured face, Or falls upon his vacant chair, "In his accustomed place, We sing the songs he used to praise, Repeat his tales of fame; We dwell with joy on olden days, And bless the dear one's name.

A mother's eyes grow strange and dim, A maiden's cheek turns red, As tenderly we speak of him, For whom their prayers are said, We twine and wreath the ever-green, Till words are simply done— "In solitude or festive scene, God bless the absent one."
