A SURPRISE PARTY.—Last Thursday evening, twenty-five jolly people drove over to Southport to the home of Mr. and Mrs. Frederick Whitlock and made them a surprise visit which everybody enjoyed. The evening was pleasantly spent in dancing and music, and listening in to the Tunney-Dempsey fight, which came through the loud speaker in clear tones. A dainty lunch was served by the hostess, and all went home greatly enjoying the social gathering.

WEDDING BELLS.—A very pretty wedding took place at Indian River Church on Wednesday morning at seven o'clock when Miss Margaret Fitzsimmons of Indian River became the bride of Mr. Daniel J. Gillis of Norboro. Rev. Mgr. D. J. Gillis performed the ceremony and celebrated the nuptial Mass, at which a number of the bride's girl friends sang a number of appropriate hymns, while Miss Catherine Driscoll played the organ. The bride, who has become fittingly attired in a fawn-colored suit with hat to match was attended by her cousin Miss Helen Greenan, whilst the groom was ably supported by his brother, Mr. Fred Gillis. The Guardian joins with their numerous friends in all good wishes.

CONROD-PRICHARD.—A very pretty wedding and one of particular interest to many friends here was solemnized at St. Mark's Episcopal Church, Worcester, Mass., on Wednesday, Sept. 21st, at 6 p. m., when Miss Constance Wright Prichard, daughter of Mr. and Mrs. J. H. Prichard, Summerside, P. E. I., was united in marriage to Rutherford Conrod, son of Major and Mrs. W. H. Conrod, Victoria Road, Halifax. The bride, who was given in marriage by her uncle, Mr. T. A. Lewis, was charmingly gowned in white duchess satin with overdress of rare old lace, her veil being held by a coronet of orange blossoms. She carried a bouquet of American beauty roses. The maid of honor, Mrs. Wm. Ranger, a former college classmate of the bride, wore a dress of orchid satin and georgette with large white hat. She carried a bouquet of pale pink roses. Aubrey Crooks, of Guysborough, N. S., acted as groomsmen, and the ushers were Jack Leitch and John Blake, of Lexington, Mass. The ceremony was performed by Rev. L. T. THURSDAY
DIED IN NEWTON.—The death occurred in Newton Hospital on Sept. 26th of James Edward Gregory, formerly of Souris. He leaves to mourn besides his sorrowing parents one brother Howard of Randolph Mass., and one sister Mrs. George Mellick of Souris, P. E. I.

REV. E. C. STIFF of Lord's Cove, N. B., who has accepted a call to the Christian Church at Montague, P. E. I., has arrived on the island and begins his work on Sunday, Oct. 2nd., preaching morning and evening at the usual hour. All welcome and hear him.

NEAR ACCIDENT.—Dr. Boyer, in coming to Charlottetown yesterday morning while descending Strathgairney hill was unfortunate in having his steering gear give way. The attachment from the bottom of the steering column to the drive shaft broke, evidently from an imperfection in the manufacture. The automobile, which was travelling at a fairly good rate of speed, took the bank and all but turned over. The driver jammed on the brakes and brought the car to a standstill in a precarious position. There were several cars travelling near at hand at a brisk rate of speed, and had the car turned over the result might have been disastrous to more than one car. Mr. James Cobb of Crapaud replied promptly to a telephone call and after two hours delay the damage was repaired. The damage to the car was not very serious.

—RETURNS HOME.—Mr Chester Hodgson and his sister Miss Irene returned to their home in Hillsdale on Sept. 3rd, after spending great part of a month in California. The trip was both pleasant and educational as they visited many places of interest. Among other places visited was the Imperial Valley which irrigation has reclaimed from the desert and transformed into an extremely fertile land. The heat of the sun is so intense in this inland valley that it is necessary to use artificial ice in the swimming pools.

The opening days harness racing in connection with the Provincial Exhibition yesterday was greeted by almost summerlike weather and as a consequence large numbers came by train, auto and carriage to take in the exhibits and especially the horse racing. The stand, bleachers and railing in front of the grand stand was filled to capacity by eager and excited race fans, who received the greatest card of racing seen here for many a year. Every heat was a horse race and there was nothing to mar one grand day of sport. The spectacular feats of the flying moors, the champion serial artists and the well worth the price of admission the Laigards, Triple Horizontal Bar performers were very clever and also received a big hand. The music by the Masonic Concert Band of Halifax together with the solo part taken by one of the members of the band was surely worthy of special mention, being generously applauded by the spectators. During the afternoon the starter introduced the boxers and wrestlers to the public.

—DELEGATES TO CONSERVATIVE CONVENTION.—At a meeting of the east Prince Conservative Association on Wednesday Messrs. Arthur C. Rogers, James A. MacNeill and J. E. Wyatt, K. C., were appointed as delegates at the National Conservative Convention which will be held in Winnipeg the week of October 11th. Messrs. John E. Leungay and J. E. Dalton of Summerside and T. E. Gillespie of Borden, were appointed alternates.

The whole neighborhood of Rustico is in mourning today over the sad death of one of its finest young men, Mr. T. Curtis Doucet. Mr. Doucet died early Wednesday at his home in Rustico after having been ill for nearly a year. Besides his father and mother, he leaves to mourn two brothers, Wilfred of Wheatley River, Aubrey of Lawrence Mass., and his young wife and four young children. The deepest sympathy of the entire community is tendered to the bereaved family. May Mr. Doucet's parents, wife, children and relatives be consoled by the words, "God's Will be Done."

—ALLAN PARSONS DIES.—Mr. T. Holman received a telegram from Montreal yesterday stating that Mr. Allan Parsons had passed away in his sleep on the night of Sept. 27th. He with his family were at his summer residence at Como between Montreal and Ottawa at the time. Mr. Parsons was well known in the Maritimes, having travelled throughout this district in his earlier days. He was especially well known in Summerside, having married Maud the eldest daughter of Mrs. R. T. Holman. He leaves to mourn his widow, two sons Eric, who was associated with him in his business in Montreal, and Lloyd an artist at present residing in New York and two daughters Kathleen married to Leonard Reid, Newfoundland and Gerda residing at home.

CHATHAM, SEPT. 29.—John W. Campbell, Queen Street, died at his home Friday morning. Mr. Campbell came here about thirty years ago from Prince Edward Island and for years was foreman of the sash and door factory for John McDonald & Co. Late he had been in the employ of the J. B. Snowball Co. He was 69 years of age. He is survived by three daughters Mrs. W. Touchie and Mrs. Frederick Cox, of Loggieville, and Miss Ethel Campbell, at home. One son, Arthur, was killed overseas. Performance Proves Kolster Radio

THE true test of radio superiority is what you hear. Technical claims are confusing—they mean nothing. Appearance is no test at all—because most radios look good. It's what you hear that counts.

And, when you listen to a Kolster, you realize immediately that in distance—hair-line selectivity—tone quality and ease of control—the Kolster is indeed superior to any set sold at within one hundred dollars of its price.

Kolster Radio is a Canadian-manufactured product. It was developed and perfected by Dr. Frederick A. Kolster, internationally famous radio scientist. In its superiority of performance—something you can prove by listening and comparing—it establishes a new standard of "value-per-dollar" in radio.

Hear a Kolster. Compare its performance with that of any other set. Then compare prices. We know what your judgment will be.

Fidèle Bernard, age 20 of Tignish was drowned at Borden, Monday evening.
Mr. Bernard went to Borden Monday morning to work in the yard and at the time the accident occurred he was a spectator on the pier and fell over shortly after the boat docked in front of the power house. As the line was fastened at this point there is no railing for protection.
There was quite a crowd around at the time and although a ladder was lowered and every effort made to save the man he seemed to have been stunned, and made no attempt to save himself. He came to the surface once after going under water. The body was recovered an hour later, and the coroner after learning the circumstances decided that an

RETURNS FROM MICHIGAN.—Mr. Peter H. Stewart, manager of the International Fox & Furs, Inc., of Marshallfield, returned on Monday night from a most enjoyable holiday trip to Michigan where he visited the Company's other ranches at Fenton and Saginaw. He was very much impressed with these ranches as they are ideally located, and this together with the wonderful condition of the foxes was very pleasing to Mr. Stewart. He also visited five other ranches in the State of Michigan, which were stocked by Mr. J. B. Lewis, President of the Company, and reports the foxes all in excellent condition. In travelling through the northern part of the state Mr. Stewart was also wonderfully impressed with the fine farming country, and stated that what some were seen planting beans other parts were cutting hay, etc. He also visited his son Charles in Grand Rapids and saw several more of our Island boys, all of whom are making good in their different vocations.
