Giants & Senators Win Opening Games

Double By Cronin Starts Senators On Victory March

Red Sox Lose 11 Inning Battle To Washington Team. Detroit, Cleveland And Athletics Win.

NEW YORK, April 17—(Associated Press)—Manager Joe Cronin's first hit of the 1934 season, a slashing two-bagger to left with one out in the 11th, today at Boston, started a rally that enabled his Washington Senators to nose out the rebuilt Red Sox, 6-5, before 33,336 spectators, one of the largest opening crowds in Boston's baseball history.

This drive was made against right-handed Henny Johnson, the third Boston hurler to take the mound in the $1,250,000 improved Fenway Park.

Gordon "Dusty" Rhodes opened in wobbly fashion for the Red Sox and before the Senators could be retired for the first time, four runs from passes to Myer and Cronin, singles by Manush, Schulte and Kuhel and two errors by Julius Solters in right field.

Earl Whitehill worked effectively for the Senators until the sixth, when he was relieved by Jack Russell.

Yanks Defeated

Philadelphia Athletics, listed as a "weakling" team of the American League, lashed out with a fine show of strength and staying power and defeated New York Yankees 6-5 at Philadelphia in the opening game of the 1934 season.

Only about 10,000 fans turned out to see Bing Miller smash a pinch hit with two out in the ninth inning to drive in the score that climaxed a two-run rally and won the game.

The game started out as a mound duel between Lefty Gomes and Merrit (Sugar) Cain, but it soon developed into a free-for-all display of hitting and weak hurling as the Yanks used four pitchers and the A's two. This mound corps was charged with 18 hits, including a home run by Eric McNair, and as many free trips to first base.

Detroit Tigers made Micky Cochrane's managerial debut a success at Chicago by opportune use of six hits to defeat Chicago, 8-3, in the American League opener, before 18,000 spectators.

The Tigers did not hit so frequently, but combined their half-dozen blows with five bases on balls, a pair of wild pitches and an error, to score four runs in the second, and another cluster of four in the eighth. Sad Sam Jones was the victim of the first uprising and Les Tietje suffered in the eighth.

With Averill setting the pace with a home run and a double, Cleveland Indians opened the 1934 baseball season at home by defeating St. Louis Browns before 21,000 fans 5-2.

The Tribe scored four of its runs at the expense of George Blaeholder in the first three innings and managed to stay in front, although southpaw Lloyd Brown had to come to Oral Hildebrand's rescue when the tall Hoosier tired in the seventh.

Play By Play As Dalhousie Are Eliminated By Nats.

(Canadian Press)
First Period

The First period opened slowly, Nationales with a one-game lead in the series playing a strong defensive system. Griffin opened the scoring for the visitors with two penalty shots against Gladstone. Melville started the real action with a basket on a close in throw, making the score 4-0 in favor of the visitors.

Gladstone notched one for Dalhousie on a penalty against Murray Patrick, but Melville missed a penalty throw after Ralston had fouled him but jumped in to score on the rebound. This performance was repeated by Griffin, who made it 6-2 on a rebound from a penalty shot missed by Lynn Patrick.

In the next few minutes Dalhousie scored two penalty shots and the Nationales one, making the score 8-3. Griffin increased the advantage to 11-3 and was fouled by Gladstone while shooting but he missed the penalty throw.

Murray Patrick dropped in a field goal and one penalty shot and Griffin followed with a basket on a long throw. With the score 16-3, Dalhousians still had to make their first field goal. Bewildered by the speed of the visitors, they took time out while there was still seven minutes to go in the period.

They were no more effective when play was resumed, however, and Murray Patrick dropped in another basket with ease. Gladstone added one to Dal's total on a foul but Patrick did the same for Nationales and within a few minutes Hammond and Godsall increased the lead to 23-4. Gladstone scored for Dal on two penalties and the period ended 23-6, the Maritime champions still without a field score.

Second Period

Nationales lagged at the opening of the second period, on guard for an onslaught from Dalhousie, but when the Collegians showed no signs of being dangerous the visitors opened up fast. Hammond flung in an easy basket, Bauld scored one for Dal on a penalty. Then Rice made a sensational end to end dribble and scored to increase the total to 27 against 7. A few minutes later lanky Milton Musgrave dropped in Dalhousie's first field goal of the match, and Bauld followed closely with the second and also scored on a penalty.

It appeared Dalhousie was waking up but Lynn Patrick dashed the fans' hopes with two baskets in a row. Musgrave added three points for Dal with a field basket and a penalty shot. Lynn Patrick scored again for Nationales and Gladstone for Dalhousie, making the score 33-17.

Schuler fouled Ralston and as it was his fourth offence the Nationale guard was retired from the game. Ralston missed two penalty throws, but Musgrave brightened Dalhousie's prospects with a nice field basket. Gladstone then made his fourth foul and was retired while Melville added one to the Nationale's total. Lynn Patrick added two on his brother Murray three within a few minutes.

Dalhousians opened up a strong offensive then, Anderson and Bauld bringing the score up to 39-26. Musgrave scored on a penalty but Dalhousie was sunk as Nationales swarmed over the Maritimers in the last few minutes, Murray Patrick, Lynn Patrick and Melville scoring field goals with a series of combination plays.

SUMMERSIDE BADMINTON

The elimination series for the Summerside badminton championships were continued on Monday evening when the ladies and men's singles events were brought out to the finals. In the ladies events, Valerie Arnett won from Dot Harris in two straight games. Irene Linkletter won from her sister, Zilpha, by taking the first game, losing the second and winning the third.

In the men's event Moore won from Harmon and Pritchard from Sullivan in two straight games. A. E. Harris won from Roy Silliphant in the best singles set witnessed this year. Silliphant won the first game and Harris the second and third to capture the event. Jamieson won from Lockhart by default. In the semi-finals of the men's singles Pritchard won from Jamieson by default. Moore and A. E. Harris then played for the right to meet Pritchard in the finals with the result that Moore was victorious. This was a very strenuous and exciting event. Both men played fine badminton featured by hard hitting and well placed shots. It was necessary for the set to go three games before Harris was eliminated. Moore had somewhat of an advantage over Harris as in their previous sets while Moore had an easy win Harris had a very strong opponent in Silliphant.

On Wednesday evening the ladies and men's doubles and mixed doubles will be played. All the events will then be to the finals which will be played on Friday evening. S.

INTERNATIONAL BALL LEAGUE OPENS TODAY

At Least Five Teams to Compose Loop — Newark Bears Regarded As Team to Beat.

(A. P. By Guardian's Special Wire)

NEW YORK, April 18. — Hoping for the same success that marked the opening of the major circuit today, the International League will start its 51st season tomorrow with at least five clubs rating consideration in the 154-game race for the pennant.

Upward of 40,000 fans are expected to turn out at Albany, Syracuse, Newark and Baltimore. The weather man promised ideal playing conditions for the two up-state cities but his prediction for Newark and Baltimore was "probably rain tomorrow morning."

Leafs At Albany

At Albany, the Senators will entertain Toronto Maple Leafs while Syracuse Chiefs, recently transferred from Jersey City, will be hosts to Montreal Royals. Buffalo Bisons, winners of the playoffs last season, will come south to meet Newark Bears, which spread-eagled the field during the regular season last year only to lose in the post season playoffs. At Baltimore, the Orioles will see action against the powerful Rochester Red Wings.

Backed by the resources of the parent New York Yankees, the Bears again appear to be the team to beat despite the loss of four star performers in Red Dolfe, Jack Saltzgaver, Jim Weaver and Don Brennan, all of whom have graduated to the majors.

TRUMPS ARE OVERWHELMED IN FINAL GAME

(By John Marsters, Canadian Press Staff Writer)

MONTREAL, April 17—Arc-like passes going awry, Saint John Young Men's Catholic Institute Trumps tonight fell before a smoothly-coordinated team of the Young Men's Hebrew Association of Montreal by a round margin of 33 points in the Canadian intermediate basketball semi-final.

The Montrealers overwhelmed the Maritime champions tonight by a score of 46-14 which, added to their 26-27 victory in the first game last night, gave them the two-game total-point series by a round score of 74-41.

By virtue of their win Y.M.H.A. will stack up against the Ontario titleholders, Windsor Y.M.C.A. Arrows—the same team they met in the Dominion juvenile semi-finals in 1931—at the Border City for the Canadian championship. Arrangements are being made for the finals which are expected to be staged on Saturday and Monday, a two-game total-point encounter.

Saint John held the Montrealers fairly well in the first half although weakened by the loss of their star centre, tall Ray Lawlor, and Louis Chandler. Y.M.H.A. carried only a three point lead, 13-10, into the second half but from then on played heads up basketball that swept them through the Maritimers like a Bay of Fundy bore. The aggressive play of the Trumps took its toll as the game neared the final whistle with personal fouls forcing out "Binks" O'Leary and Warren Buckley. The game ended with Saint John having four players on the floor and Y.M.H.A. the same number, having taken off a man to even up the teams.

The loss of Ray Lawlor who scored 18 of the 27 points garnered by the Maritime champions in the first game was a blow to the hopes of the Trumps. Practically all their plays built around him, the team quickly felt his absence when he was banished for four personals near the end of the first half. Nick Kennedy took his place at centre but was unable adequately to fill the shoes of the six-foot Lawlor.

O'Leary was the top scorer for Saint John with five points while Sid Williams tallied four. Louis Chandler did stellar work on the forward line before being ousted from the game for rough tactics. At a toss up Chandler failed to jump and Max Sperling landed on top of him and then rolled to the floor after the ball was in play. Referee Swinburne disqualified Chandler for the rest of the game.

The aggressive play of the Trumps held the Montrealers in the first half but there was no holding them in the second. They found their shooting eyes with a vengeance, tossing field goal after field goal through the hoops. Bernie Ziff, centreman, was the top notcher in the scoring column with 16 points while right behind was forward Joe Gold with 14 points. Eric Ulrich, relief centre, collected seven points and Joe Richman five.

Patrick Brothers Run Wild Against Dalhousie Team In Second Game.

(By G. Bould)
(Canadian Press Staff Writer)

HALIFAX, April 17—Led by the two Patrick brothers, Montreal Nationales won the Eastern Canadian senior basketball championship by winning the second of a three-game series 46-26 here tonight. The Nationales won the first game here last night 37-36.

Murray Patrick, star of last night's game, shared honors with his brother Lynn, Nationales' captain, in the game tonight. Both boys ran wild in the second period and gathered 17 points between them in this half alone. Tearing up and down the floor at a dazzling rate, they soon tired their opposing guards and tossed several close-in shots through the basket in their favorite one-hand shot.

Bauld and Musgrave relieved Ralston of the Tigers' high scoring honors in tonight's game and netted nine and eight points respectively. Ralston, last night's star for Dalhousie, was held scoreless in tonight's game.

Playing a close-checking, man-to-man type of game, the Montreal team held the Tigers down to six points in the first half, all of them scored on penalty shots. Gladstone scored five of them and Bauld the other one.

Determined to score at least one basket ,the Dalhousie boys started the second half with a rush but just could not seem to put the ball in the basket. After eight minutes of this period had elapsed Musgrave scored the University's first basket. Bauld threw in a long one about five seconds later, and this seemed to break the jinx which had been cast over their basket.

Eddie Gronau, clever Nationale coach, changed his tactics in this game and his team played a slower style than in the first game. Gronau, who has been coaching winners almost consistently in the last few years, would not comment on his teams chances to win the Canadian crown, because he said, "the Westerners are always the toughest teams to get past in the playdowns."

Commenting on the Dalhousie team he said they were better than he had expected them to be, but he did not think the Tigers would stand up very well against the Upper Canadian teams generally.

Jack Thomas, the University coach, said he thought his team did very well against such a great machine as the Nationales turned out to be. He wished the Montrealers well in their Canadian playdown series against the Western Provinces' champions.

ALONG THE SPORT TRAIL

Upper Canadian basketball teams asserted supremacy over Maritime teams last night on wide flung battle fronts as the Senior and Intermediate Maritime titlists met elimination at the hands of the Montreal teams.

• • • •

After being held in check in the first game of the series, the Quebec squads fathomed the Maritimers' style of play to run up lop-sided scores in the second encounters.

• • • •

But at that the losers put up a game battle. Dal Tigers, after being outscored 25-6 in the opening period, held the fast Nationale team to a 20-20 score in the closing session.

• • • •

St. John Trumps, kept within 3 points of Y. M. H. A. at Montreal in the first period, but weakened in the second, through disqualification of several players to lose 46-14.

One of the best hoop games in local history is scheduled for the Holy Name Club tonight as Navy tackle Hi-Y Club in the first game for the City Basketball title.

Big League ball got away to a flying start yesterday as the turnstiles showed attendances totalling over 190,000, for an advance of last year's opening day attendances.

Strengthening of weak teams with the usual run of new managers has caused interest to soar, after a two year stretch in which several of the teams were far down in the "red."

"They can't beat us" Blondy Ryan continues to catch the spotlight. His timely single yesterday with the bases loaded started the Giants off to their 6-1 victory.

MAR. BOXING CH'SHIPS POSTPONED

(C. P. By Guardian's Special Wire)

AMHERST, N. S., April 17—The Maritime boxing championships, which have been assigned to Saint John, will be postponed until May 7 and 8, according to information received here today by D. J. McCarthy, former member of the local boxing commission.

It has been intimated that all Nova Scotian boxers attending the meet will have to pay their own expenses, and the postponement is to enable them to prepare for the trip.

No invitations to attend the meet have been received by Harry Burns, Maritime featherweight champion; Gus Vandanberg, Maritime welterweight champion; and Arthur Jardine, Maritime lightweight champion.

These three title-holders are all residents of this district and it is very unlikely that they will participate in the tourney unless some assistance is provided.

GREAT WALKER LEAVES TRAIL

(Canadian Press)

LONDON, April 17—Tommy Green, the greatest competitive distance walker of his day and the athletic idol of his home town, Belgrave, has said farewell to the road. The 41-year-old Olympic champion is taking up a business appointment which will leave him no time for training.

Smiling Tommy never competed in a road race until he was 33 and then he proceeded to win more races and break more records than any other athlete in the world. He climaxed his career by winning the 50,000 metres walk at the Los Angeles Olympic Games in 1932. In that race, over nearly 30 miles, most of the international field did not finish because of the intense heat.

Green won the famous 33-mile London-to-Brighton race four times and scored five successes in the Manchester-Blackpool event. He never quite managed to win the Royal Walking Association's national 20-mile race, but he trounced all its winners over other routes.

Canada never saw the Belgrave Harrier in competition, but Green worked out in Toronto on his way to the Los Angeles Olympics. His chief rival at that time was thought to be Hank Cieman, Toronto star, but the heat forced Cieman to withdraw during the Olympic race.

3 FORMER WINNERS HAVE HIGH HOPES

218 Entries For Boston Marathon Includes Five Former Winners.

(By Bill King, Associated Press Sports Writer)

(A. P. By Guardian's Special Wire)

BOSTON, April 17—Marathoners, according to other runners, are a queer lot but nevertheless there were 218 starters for the 38th running of the famous Boston classic on Thursday enrolled on the list before the arrival of today's mail.

Lloyd Longman of Toronto, is best known of the Canadian delegation.

A great many of these 218 were veterans of this 26 miles 385 yard uphill and downdale grind from Hopkinton to Boston, including five former winners—Clarence Demar, who has led the pack home seven times in 15 years; Leslie Pawson, the Pawtucket, R. I., millhand who broke the course record last year, Paul Debruyn of New York; smiling Jimmy Henigan of Medford, and old Bill Kennedy, the Port Chester, N. Y., bricklayer.

Three of these former victors have high hopes of again leading the bulky pack home, Demar, Pawson and Debruyn. Henigan entered this year he claims, because he wanted to wave last farewells to the loyal supporters who have cheered him on during his quarter-century of foot running. Kennedy, now in his 50's, regards this race as something of a tradition, which would be destroyed if he was not in there inhaling gasoline fumes with the rest of his foot-blistered fraternity.

Pawson, an even better judge of pace than the veteran Demar, has issued a warning that he is going to ignore the field and run against time. He broke the record last year and he intimates he is even faster this year.

Debruyn also refuses to comment on his chances. He is the most impressive-looking competitor in the pack and if conditions suit him, as they did in 1932, look out for this burly German.

Military Badminton Tourney

The Club tournament played at the Armouries last night between D. M. Gass' "Blues" and the "Reds," captained by G. F. Hutchenson proved an exciting and hotly contested affair, the "Blues" winning out by four sets to three. So evenly matched were the sides that four out of the seven sets had to go to the third game before a decision was reached.

The Reds by virtue of losing the tournament will now have the privilege of providing the refreshments for the Club on Thursday night when a return contest is talked of.

Following are the results:

F. M. Nash, Mrs. J. O. C. Campbell (Reds), lost to W. A. Smith, Miss M. MacDonald (Blues), 15-12, 12-15, 15-10.

G. K. Peake, Miss H. Wakeford (Reds), won from C. D. Stewart, Miss C. Shannon (Blues), 15-4, 15-6.

G. F. Hutchenson, Mrs. G. Alcorn (Reds), won from D. M. Gass, Miss A. Callaghan (Blues) 13-15, 15-9, 15-7.

B. Fairbanks, Mrs. F. M. Nash (Reds) lost to R. T. Holman, Mrs. W. A. Smith (Blues) 15-7, 12-15, 15-10.

J. C. Brady, Mrs. Benj. Rogers Jr. (Reds), lost to R. Murray and Mrs. R. T. Holman (Blues) 15-8, 13-15, 17-16.

Dr. L. B. McKenna, Miss L. Platts (Reds) lost to Miss E. Burke, Miss A. Lockhart (Blues), 15-11, 15-7.

Mrs. F. Platts and Mrs. J. O. C. Campbell (Reds), won from Miss D. Kerwin, Mrs. Dr. McKenna (Blues) 15-13, 15-8.

Young Old Soldier Shows How Its Done

(Canadian Press)

ALDERSHOT, England, April 15—Demonstrating how young a soldier can be at 64, Major-General S. H. Sheppard won for the Royal Engineers their annual squash racquets match against the Royal Artillery, defeating P. A. S. Don, aged 20.

He won by three games to two after being 5-14 down in the fifth game. He was very fast about the court, and hit the ball with great accuracy in the rallies, while his service was effective.

Altogether the General played two-and-one-half hours, maintaining splendid form throughout.

Lon Warneke Sets Near Record In Cincinnati Game

Cubs Blank Reds 6-0 — Giants Dodgers And Cardinals Are Other Nat. League Winners

NEW YORK, April 17—(Associated Press)—Employing the Phillies as victims in their first laboratory test of the new baseball season, the world's champion New York Giants today performed a highly successful operation with the aid of the talented Prof. Carl Owen Hubbell and for the benefit of a noisy crowd of 37,000 spectators at the Polo Grounds.

The entire affair was one-sided and the final score, 6-1, as the Giants gave a characteristic exhibition of defensive skill while also taking quick advantage of their scoring opportunities. Hubbell, despite a shaky start, limited the Phillies to four hits, but his bid for a shutout was spoiled when Jimmy Wilson, the new manager-catcher of the Phillies, walloped the livelier National League Ball into the upper left-field stands in the seventh inning, for a home run.

Ryan Outstanding

"Blondy" Ryan, appearing in a new role as substitute for Hughey Critz at second base, not only distinguished himself on the defense but co-starred with Joe Moore, the lead-off man, in an attack that routed Jumbo Jim Elliot, veteran southpaw, in two innings. Moore tallied the first run of the game without the aid of a hit, Ryan drove in two more by singling with the bases full in the second innning and Moore capped the climax in the sixth by belting one of Snipe Hansen's curves for a home run, with Paul Richards on base.

Chicago Cubs came near making history at Cincinnati as they shut out Cincinnati, 6-0, behind the one-hit pitching of Lon Warneke in the opening game of the season.

Near Record

A scratch hit by Comorosky with one out in the ninth inning kept the Chicago hurler from the hall of fame for no-hit, no-run pitchers. It would have been the first no-hit game here on opening day in the record books.

The Cubs collected 11 hits off Johnson and Larry Benton before a crowd of 30,217. In the sixth Chuck Klein hit a home run which scored W. Herman.

Boston Braves threw a scare into some 30,000 Brooklyn fans by staging a ninth inning rally that netted three runs, but the Dodgers pulled through on the strength of their earlier hitting to inaugurate Casey Stengel's reign with an 8-7 victory.

Van Lingle Mungo pitched the entire game and just managed to hold the large early lead his mates obtained off Ed Brandt. Home runs played a large part in the Dodgers' scoring. Day Taylor scored for the circuit with one on in the second inning and Hack Wilson smacked a four bagger with two aboard in the third.

Cardinals Strong

St. Louis Cardinals at home unleashed a resounding batting attack, drove two pitchers to cover defeated Pittsburg Pirates 7-1, and showed the critics they were to be reckoned with in the 1934 pennant chase.

Masterful pitching by bombastic Jerome Herman "Dizzy" Dean played no small part in the Red Bird victory. He pitched the full nine innings, gave only six scattered hits, and seemed to grow stronger as play progressed.

A crowd of 7,500 fans was in the stands.

Highlights Of Opening Major League Game

(A. P. By Guardian's Special Wire)

NEW YORK, April 17.—Before the largest opening day out-pouring of fans in thre years, major league baseball regained its place on the sport pages today.

Indicating the club owners had some justification for the general feeling of optimism with which they had approached the opening of the 1934 campaigns, the eight get-away games, four in the National and four in the American, drew an aggregate attendance of better than 180,000.

This compared with 153,526 for the eight openers spread over several days last year and 138,000 for the 1932 inaugurals when adverse weather conditions likewise were a handicap. However, it still was far behind the record total of 249,010 set in 1931.

While the world champion New York Giants and the Washington Senators were starting off on the right foot in their bids to retain the pennants they captured a year ago, the day's outstanding individual performance was furnished by Lon Warneke, great righthander of the Chicago Cubs.

Facing the re-built Cincinnati Reds before a crowd of 30,217 in Crosley Field, the Arkansas Star struck out 13 men and missed a no-hit game by the margin of two outs. He had it in his grasp, with one out in the ninth, when Adam Comorosky, former Pirate, singled for the only safety the Reds could make as the Cubs won 6-0. Chuck Klein, National League batting champion last year, celebrated his debut in a Cub uniform with a home run.

The Giants, behind Carl Hubbell's four-hit pitching knocked over the Phillies 6-1 before a crowd of 37,000, largest of the day, in the Polo Grounds. Hubbell's bid for a shutout was ruined by a seventh inning home run by Jimmy Wilson, new manager of the Phils.

Offers $100,000 For Half Share In A Colt

(Canadian Press)

LONDON, April 17—An offer of $100,000 has been made to the Aga Khan for a half-share in his classic colt Umidwar, who ran only once and won last season, a writer in the News Chronicle says. The offer has been refused.

It is understood at Newmarket the offer was made on behalf of Lord Woolavington, who has already won the Derby twice and in his 85th year wants to win it again.

The offer is believed to have been made on condition that the colt, who is now in charge of Frank Butters at Newmarket, was sent forhwith to Lord Woolavington's own trainer, Fred Darling at Beckhampton, to undergo his Derby preparation.
