GENERAL BUCHAN VERY ILL.
 MONTREAL, Oct. 6—Brigadier General Buchan is critically ill at the Royal Victoria Hospital with pneumonia, and his condition causes alarm to the physicians.

\$100 Reward, \$100
 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

High Class Millinery
 As usual with us in the Fall season the space taken up by the immense stock of furs, mantles, ladies' suits, and men's ready made clothing, stocked on the second floor, precludes the possibility of a formal millinery opening, but nevertheless all are welcome to come at their leisure and view the very latest and best ideas from the world of fashion.
 Our head milliner MISS CASSIE REID who has lately arrived spent several weeks in copying from the most approved Paris and New York models, and has ready a showing of superb styles, which can not fail to meet with the approval of all lovers of artistic work.
 All are cordially invited, and orders will be attended to in a prompt and efficient manner.
 Our showing of high class furs also demands more than passing notice, and visitors to the Exhibition should not fail to call, admire, and, if agreeable, purchase.
 We would also call attention to the very desirable range of Ladies' tailored suits at moderate prices. These come in black, navy, myrtle, brown, etc., and are proving extremely popular.
 Visitors from the country as well as from abroad are invited to make this store their headquarters during Exhibition.
