

## Took The Advice of a Lady Friend When Death Seemed So Near.

### A MARVELLOUS VICTORY FOR PAINE'S CELERY COMPOUND.

Women who dearly love husband, children and home life, are those who desire to be vigorous, active and full of health. When the wife and mother is suffering, and unable to attend to the wants and comforts of those dear to her, the home is sad and despondent; there is family discomfort, and aching hearts long for the safety of the home guardian angel.

Thank heaven, thousands of our women are now fully prepared for any of the ills prevalent in spring time. They have made Paine's Celery Compound their family medicine, and by it, they are enabled to ward off serious illness and physical breakdown. The happy experience of Mrs. Fred. L. Lamson, of Halifax, N. S., should cheer all women who suffer from nervousness, sleeplessness, troubles arising from impure and stagnant blood, liver and kidney complaints, rheumatism and neuralgia. Mrs. Lamson says:—

"For five years I was a sufferer from nervousness, sleeplessness, headache and female troubles, and got but little relief

from doctors and their medicines. Six months ago I was so weak and broken down that my husband became alarmed; indeed I thought I was fast nearing the grave. A lady friend in this city who visited me, strongly advised me to give Paine's Celery Compound a trial, as it had done wonders for her. My husband procured a bottle without delay and I began its use. In a week I found I was getting stronger, and I continued with the medicine until I had used seven bottles and was completely cured. I am now able to work with comfort, sleep well, appetite is good and I am increasing in weight. Paine's Celery Compound is, I think, a wonderful woman's medicine; it saved my life, and I shall always praise it."
