COLLEGE TIMES—College Times is the name of a new venture into the journalistic field and a very creditable one. It is issued by students of Prince of Wales College under the editorial management of Mr. D. H. Gordon, with Mr. J. L. Crozier as Secretary, Mr. K. Bourke and Mr. L. L. Wedlock in charge of the Sports department, Miss W. L. Dobson and Mr. A. McLean in charge of the Comment department, Mr. A. McDonald and Mr. A. W. Leslie supplying the humor, and Mr. R. H. Jamieson and Mr. W. A. Stewart in charge of the business department. Each department is well conducted and the Times has been well received by citizens generally. The venture is an excellent idea and should be encouraged not only by the immediate friends of the students but by the public generally. College life has its special interests and the expression of these will be helpful to the students and interesting to citizens generally. Help the boys by buying their paper and patronizing their advertising department.
