The home of Mrs. and Mrs. Dymont of Springfield was the scene of a very pretty wedding on Wednesday evening last at six o'clock when their daughter Miss Annie E., was united in marriage to Edmund MacWilliams of West Cape in the presence of about fifty invited guests. Rev. H. A. Brown performed the ceremony assisted by Rev. E. S. Weeks of Bideford. The bride was very becomingly attired in white mull trimmed with lace and insertion and was attended by her sister Miss Edna Dymont while the groom was ably supported by Charles Crossman of Halliburton. The bridal party entered the room to the strains of the wedding march which was played by Mrs. H. A. Brown after the usual congratulations all were ushered into the dining room where a sumptuous table was spread. The bride was the recipient of a large number of useful and costly presents among which was a rattan rocker, presented by the Bethel Choir of which she had been organist for the past five years. The groom's present to the bride was a beautiful gold watch and chain. After a pleasant evening spent together the happy couple drove to their future home in West Cape. Their many friends join in wishing Mr. and Mrs. MacWilliams a happy and prosperous journey through life.

**Warning To Amateur Photographers**

We have just received a copy of a well-known Photo. Bulletin, and clip the following from it.

**A New Film**

WE beg to advise our customers that Dash and Dash perfectly fair and good quality of film which they are now supplying to the Canadian Market. This film will now be found to be unaffected by extreme heat and will not strip during the hottest summer weather. Unfortunately we are aware that the films which were supplied to the trade last year caused a considerable amount of dissatisfaction, and consequently our readers may be chary about using them this year. The manufacturers have such confidence in their new film that they authorize the dealer to replace any free of charge which do not give satisfaction. This is a perfectly fair proposition and we trust that our readers will give the new film a good testing before condemning it.

This item refers to a film which has been sold and advertised in this city.

The lesson to be learned is—use nothing but "Eastman Kodak Film" and you will have perfect satisfaction.

We have been selling Kodak Films for the last thirteen years and have no apologies to make for a single film we have sold. The Kodak Film is past the experimental stage—others are in the midst of it—and you are paying the bill.

Don't experiment with experiments. Use Kodak film and be satisfied.

**Glory Oil cures Asthma**

Glory Oil Company, Port Elgin, N. B.

Gentlemen—This is to certify that I have used Glory Oil with great success. Our little son was troubled with asthma and when one year old he suffered so much from this disease that we were afraid we would lose him. We tried many remedies but without results. At last we procured a bottle of Glory Oil, which we used according to directions. To our delight Glory Oil gave immediate relief. We kept using the oil from time to time and at length we noticed that the attacks became less frequent until they ceased altogether. Our boy is now five and a half years old and he has not had an attack of asthma for over a year. He is now well and strong.

We also have another boy, now twelve years old, who suffered from enlarged tonsils to such an extent that we feared that an operation would be necessary. Glory Oil was used and wrought a complete cure. Our appreciation of your medicine is beyond the power of words to express. You are at liberty to publish this testimonial.
