Mrs. Kennedy's Case.

Suffered from nervous prostration, indigestion and general debility.

Food lay on her stomach like a stone.

Milburn's Heart and Nerve Pills have made a complete cure.

(From the St. John Telegraph.)

When the appetite fails the digestive organs give out, the nerves become weak and the general system gets run down, then indeed, does the outlook of life become serious.

But cases of this kind, which are alas, too numerous in the city of St. John are being cured almost daily by Milburn's Heart and Nerve Pills. One of these which has just been reported to us is that of Mrs. Mary Kennedy, who lives at 35 Exmouth St.

This lady says that for several years past she has been troubled with indigestion and souring of the food, which lay on her stomach like a stone, and caused her great distress.

"I had advice from some of the best doctors," said she, "and took a great many remedies that promised relief, but all to no effect. Hearing of the good results obtained by Milburn's Heart and Nerve Pills I began taking them and had just finished the first box when I noticed a great improvement in my case.

"I have been steadily gaining in my health every day since then. They have removed the burning sensation and gnawing in my stomach, and now I can eat anything I like without the least distress.

"I was also very much run down with nervous prostration and general debility, but these wonderful pills have completely cured me and I recommend them with confidence, feeling assured that they will cure or relieve all complaints similar to those with which I was afflicted." Milburn's Heart and Nerve Pills can always be relied on to cure palpitation, skip beats, dizzy and faint spells, nervousness, sleeplessness, anaemia, dyspepsia, St. Vitus' dance, spinal weakness, female weakness and all diseases arising from disordered nerves, weak heart or watery blood. Price 50c. a box or 3 for \$1.25, at all druggists or sent by mail. T. Milburn & Co., Toronto, Ont.
