Slow Session On N. Y. Exchange; Prices Decline

NEW YORK, Dec. 15 (AP)—The stock market dawdled its way downward today in the slowest trading since Nov. 22. Activity was half-hearted at best as the overall price decline was due more to sluggish buying interest than to vigorous selling.
Losses exceeded a point and a substantial number of issues emerged either unchanged or with slight gains.
Turnover amounted to only 920,000 shares, the first time in 16 full sessions that business has dropped below 1,000,000 shares.
The Associated Press average of 60 stocks declined 2.1 points to 64.1, the third average decline in a row. The industrial and railroad components were lower but the utility group advanced.
Of the 1,024 issues which changed hands, 492 dropped and 281 advanced.
A bit higher were Goodrich, Sears Roebuck, American Telephone, General Instrument, Radio Corp., Eastern Air Lines, Southern California Edison, and International Nickel.
At Toronto
TORONTO, Dec. 15 (CP)—All groups slid downhill and trading slowed to a crawl on the Toronto Stock Exchange today. Golds edged into lower ground for the first time this week. Base metals moved irregularly lower and western oils sagged in late trading.
Interest lagged in golds as the group moved quietly in narrow range to show its first decline this week. Domes and Hollinger lost fractions in seniors while Lake Shore and McIntyre showed small gains. Piccadilly weakened from its recent strong movement and Sydnor, Remington, Auror and Chesterville also sagged in the Juniors.
Smelters showed a slight advance in base metals, partially recovering yesterday's loss. Gulf Lead sold at a low and Quebec Manitou, Valite Amulet, Labrador, MacDonnell and New Calumet were 3 to 10 cents weaker.
Western oils were steady for most of the session, weakening in the last hour. Calgary and Edmonton lost 15 cents at \$3.85 and Pacific Petroleum 10 cents at \$2.65.
At Montreal
MONTREAL, Dec. 15 (CP)—Losses by selected industrials outnumbered gains about 2 to 1 on the Montreal Stock Exchange and Curb Market today. Most dips, however, were fractional and no issues lost as much as 4 points. Trading was dull as International Petroleum, Brown and Consolidated Paper were the only stocks having a turnover of 1,000 shares each.
