There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard water burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the pain and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so it works wonders.

Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, sore muscles, bruises, chilblains, frost-bite, colds of the chest, may prevent pneumonia. 40c and 75c at all druggists.

IDEAL CONDITIONS FOR YESTERDAY'S ICE RACING

Charlottetown Driving Club Hold Sporty Races At Which Excellent Time Was Made Over Fast Course.— Today's Races Promise Excellent Sport For Horsemen.

Yesterday afternoon's ice races of the Charlottetown Driving Club were pulled off on a fast course and under favorable conditions. There was only a moderate attendance of spectators probably because of the very thrilling contests were expected. The time made was very good in all the classes and the track officials announced the track as "full length" with something to spare.

The three races were run off in about an hour and a half due to the excellent officials who have been a permanent fixture this season.

The Class A Pace

was called very shortly after 2 o'clock. It had only Colonel Waltz and Zia Baughman as starters. The Colonel was in good form as a result of his previous races but Zia was not up to previous waters form and could not maintain the clip set by her rival, being "short of work". In the last heat Waltz's owner Colonel MacKinnon "let him step" and he went the half mile in 1:02 1/2. There were only two heats in this class as the winner is to race in the Free For All today.

The Class C Pace

This was a surprise race, no one looking for Gordon Harvester, owned and driven by Dr. H. McIntyre to win but he did and that after a real fight with Paddy McMillan's good pacer, Mac Ola. Mac won the second heat by a neck and in the other two the positions were reversed. Gordon Harvester being in front by about the same margin. Such contests are what brings out the enthusiasm of spectators. The remaining horses in the race were somewhat outclassed and as a consequence did not make as good a showing as they otherwise would.

Todd Cup Race

This race was one of a series for a cup donated by Mr. Court of Donalston for Todd Trotters. It was rather easy for "The Pup" owned by Mr. C. H. Benoit as with his speed he could keep away from his competition at will. Harry Todd, owned by Frank McKay was the

CHAMPION SUSSEX HELD TO DRAW GAME BY ABBIES

Abbies Proved a Surprise Package for the Fast and Heady Sussex Team at the Arena Last Night and Held Their Opponents to a 5-5 Draw Game, in Which Each Team Played Championship Hockey From Gong To Gong.

That the Abbies were down was not the conclusion the hockey fans of the Charlottetown had, but that they were not out was clearly demonstrated by the brilliant showing they made against the fast skating and tricky aggregation of hockey-ists from the Dairy Town of Sussex.

Playing them at their own game and at times outplaying them, the Abbies showed championship form at all stages of the game. Their combination was a feature that surprised the large gathering of fans at the arena as they have had but one workout since their last game here.

That the fans were treated to a real surprise when Referee Jimmie Williams started the game at 8:40 is only putting it mildly, when on a nice piece of combination from Campbell to Gordon, the Abbies registered their first tally. This seemed unexpected to the Sussex who were possibly not up to form on account of their hard game at Summerside on Tuesday night. From this time the game lived up and both teams kept the fans on their toes to the final gong. The ice was not in good condition for puck carrying and the Abbies, playing right on the man, kept the Sussex team in check and during the first period they seemed unable to find themselves and their shots were not difficult to handle, although Kielly made some nice saves.

The Abbies were determined to give the Sussex a real game and as the rivalry is very keen between

being stopped, Reid of the Sussex period play and territory was ably team generously donates a tally out even, the Sussex goal getting for the Abbies by slamming the puck in his own net and the count was quite capable of looking after the extra burden and the period reads 3-0. Leclair goes down from the race off, overskating to the corner passes out to Reid, who has a habit of being in the right place at the right time and says that twice for Sussex, first goal, Kielly is hurt when he falls and a few minutes delay occurs. From the side waiting for the other and six face-off the Abbies combine and go to Leclair who repeats Kielly had gone, the Sussex came to the stunt and falls to save, Reid carries to centre and loses, recover ing goes to Kielly, trying to repeat on corner shot but Kielly was ready and saves, Gordon loses to Leclair who loses to Aylward and Sussex Aylward makes a nice run and broke through with nice combination only to lose at the Abbies defence, Kelly carries to centre ice and Leclair and Reid again combine, the former losing to Anderson, who carries along the wing for a shot at Leclair, Bill Leclair seizes the puck around his own net and goes through the entire Abbies team for the second goal for Sussex defence, his shot going around the net and Bradley coming in bangs in the fourth and finishing goal of the period, making the score read 4-2.

THE GAME

The game got away at 8:40 and playing on the forward line and up to his usual standard, carried down to lose to Anderson. Then Campbell and Gordon combine and the Abbies realize from Gordon's stick. From the face-off the Abbies again rush to Sussex territory and Anderson's shot to Leclair misses by inches, Lamb and Leclair combine but are foiled at the defence by Kelly, who loses to Leclair, Kielly is warned when he drops on the puck to save, Leclair gets through and shoots wild, Kelly carries to Sussex territory and shoots, Leclair saves, but fails to rebound and the score read 2-0. The game became faster and Prowse goes up the wing, his shot

From the face-off Leclair, Lamb and Reid combine losing to Anderson then in turn, Cox, Aylward and Anderson combine losing to Leclair who is stopped by Kelly down on a hard fought struggle with both teams even in play, nice runs and then Campbell and Prowse combine, the latter scoring, Sussex goes to Abbies territory and Kielly fails to prevent a score and is penalized. Gordon secures the puck and plays a game of chase with the Sussex forwards until Kielly returns, Reid secures the puck at centre ice and goes through for the last counter of the period. For the remainder of the

This period started slow, each side waiting for the other and six minutes delay occurs. After five minutes things up, after five minutes conclusion they were up to the score they had better wake up and this they did with a vengeance and kept Kielly working fast to prevent a score, but they were unable to get by runs by Prowse, Leclair, Gordon, Kelly Lamb Anderson and Reid each getting to within shooting distance but unable to register, Campbell and Leclair go through and test out the goalies and then in turn both goalies are treated to a little bombardment when finally Leclair comes one nearer the Abbies lead by driving a hard one past Kielly.

The Abbies change their forward line putting Bradley, Aylward and Cox and the pace is getting faster and faster, Sussex bringing up their defence to help to ward off defeat. While the Abbies are playing a good defensive game, they again the Abbies change the players and things become lively and the fans are waiting for the gong that will bring a victory to the Abbies over their old and friendly rivals. But this was not to be from a mix-up in front of the Abbies net and Sussex slammed in the count that tied the score and the gong rang down on a hard fought struggle with both teams even in play, combination, territory and goals—5 to 5.

The teams lined up as follows: Abbies Goal G. Leclair Defence P. Radcliffe Forwards J. Lamb J. Leclair

Second Period 9:15 From the face-off Leclair, Lamb and Reid combine losing to Anderson then in turn, Cox, Aylward and Anderson combine losing to Leclair who is stopped by Kelly down on a hard fought struggle with both teams even in play, nice runs and then Campbell and Prowse combine, the latter scoring, Sussex goes to Abbies territory and Kielly fails to prevent a score and is penalized. Gordon secures the puck and plays a game of chase with the Sussex forwards until Kielly returns, Reid secures the puck at centre ice and goes through for the last counter of the period. NOTES

Congratulations Abbies, you surprised the bunch. Sussex did not depend too much on their sub, a defeat at the hands of the Abbies would indeed be a disaster.

The game was fast, clean and the best of feeling prevailed throughout. Good-bye Sussex, we will have something for you to think about in hockey next season.
